

Viatis Publishes Sustainability Report Showcasing 2022 Progress on Building Sustainable Access to Medicine

May 16, 2023

Supplied medicines to approximately 1 billion patients globally

PITTSBURGH, May 16, 2023 /PRNewswire/ -- [Viatis Inc.](#) (NASDAQ: VTRS), a global healthcare company, today published its [2022 Sustainability Report](#) showcasing its commitment, impact and progress on building sustainable access to medicine as it continues to make a positive difference across key areas including Access and Global Health, Our People, the Environment and the Community.

Viatis supplied medicines to approximately 1 billion patients globally in 2022

"At Viatis, access is fundamental to our mission of empowering people worldwide to live healthier at every stage of life," said [Scott A. Smith](#), CEO, Viatis. "It begins with our ability to sustainably deliver high-quality medicines and health solutions at scale to people, regardless of geography or circumstance. Our commitment is both practical and aspirational and goes beyond developing, making and distributing medicines. We also work with partners to help support healthy communities, a healthy environment and resilient healthcare systems. The passion and dedication of our global workforce is remarkable and clearly on display in this report, which highlights the progress we are making to build more sustainable access to medicine across the globe."

Viatis is a signatory to the United Nations Global Compact (UNGC) and is committed to the Compact's 10 principles related to human rights, labor, the environment and anti-corruption and supports the Sustainable Development Goals.

The following are some highlights of Viatis' work and initiatives across its multiple areas of impact in 2022:

Access and Global Health

- **Supplied medicines to approximately 1 billion patients globally.**
- **Provided** treatments for approximately 8 million people living with HIV/AIDS, including almost 600,000 children.
- **Provided** >250 medicines on the World Health Organization (WHO) Essential Medicines List and 62 products on the WHO Pre-Qualification List.
- **Promoted** and strengthened healthcare professional education and training to build more resilient healthcare systems and address the burden of non-communicable diseases (NCDs), which account for nearly 75% of global deaths annually. More than 300 million patients were impacted by Viatis' outreach to healthcare professionals in 2022.

Our People

- **Conducted** our first global Viatis Voice Survey with a participation rate of 89%. The baseline survey marked a milestone in our commitment to engage colleagues by listening to their perspectives on overall engagement; diversity, equity and inclusion; health and wellbeing; and transformation and change.
- **Named** one of Forbes' World's Best Employers for 2022, ranking in the top 10% of the 800 employers who made the list.

The Environment

- **Committed** to reduce absolute scope 1 and 2 greenhouse gas emissions 42% by 2030 from a 2020 base year and further, to reduce absolute Scope 3 greenhouse gas emissions covering purchased goods and services, capital goods, fuel and energy related activities, and upstream transportation and distribution 25% within the same timeframe.
- **Received** validation and approval of Viatis' scope 1, 2 and 3 greenhouse gas emissions reduction targets from the Science Based Targets initiative (SBTi). The SBTi classified Viatis' scope 1 and 2 target ambition and has determined that it is in line with the 1.5°C trajectory.
- **Performed** five water risk assessments — four in facilities in India and one in Türkiye.
- **Increased** the number of zero-waste landfill locations to a total of 16.

The Community

- **Donated** more than 450 million doses of medicines through our partners around the world and provided a total of \$1 million to aid in supporting access to healthcare, food security and water stewardship to four organizations: Direct Relief, World Central Kitchen (WCK), WaterAid and World Food Program USA, partner of the United Nations World Food

Programme.

- **Supported** communities across the globe, including helping to evacuate and relocate people at the onset of the conflict in Ukraine and provided funds, medical donations and supplies to communities devastated by the earthquakes in parts of Türkiye and Syria in February 2023.

"We understand our conduct and actions affect the stakeholders and communities we serve," said Lara Ramsburg, Head of Corporate Affairs of Viatris. "We are proud to continue our work as a trusted partner of key stakeholders as we help to close gaps to equal access to care, build more resilient healthcare systems, uphold a reliable global supply of medicines, curb climate change and protect the environment."

Viatris is dedicated to transparent annual reporting on environmental, social and governance matters, continuously working to further enhance its disclosures. Click [here](#) to view more information or to read our 2022 Sustainability Report.

About Viatris

Forward-looking Statements

This press release includes statements that constitute "forward-looking statements." These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward looking statements may include statements about our sustainability goals and initiatives. Factors that could cause or contribute to such differences include, but are not limited to: the possibility that the Company may be unable to realize the intended benefits of, or achieve the intended goals or outlooks with respect to, its strategic initiatives; the possibility that the Company may be unable to achieve expected benefits, synergies and operating efficiencies in connection with acquisitions, divestitures, or its global restructuring program, within the expected timeframe or at all; impairment charges or other losses related to the divestiture or sale of businesses or assets; the Company's failure to achieve expected or targeted future financial and operating performance and results; the potential impact of public health outbreaks, epidemics and pandemics, including the ongoing challenges and uncertainties posed by COVID-19; actions and decisions of healthcare and pharmaceutical regulators; changes in healthcare and pharmaceutical laws and regulations in the U.S. and abroad; any regulatory, legal or other impediments to Viatris' ability to bring new products to market, including but not limited to "at-risk" launches; Viatris' or its partners' ability to develop, manufacture, and commercialize products; the scope, timing and outcome of any ongoing legal proceedings, and the impact of any such proceedings; any significant breach of data security or data privacy or disruptions to our information technology systems; risks associated with international operations; the ability to protect intellectual property and preserve intellectual property rights; changes in third-party relationships; the effect of any changes in Viatris' or its partners' customer and supplier relationships and customer purchasing patterns; the impacts of competition; changes in the economic and financial conditions of Viatris or its partners; uncertainties and matters beyond the control of management, including general economic conditions, inflation and exchange rates; failure to execute stock repurchases consistent with current expectations; stock price volatility; and the other risks described in Viatris' filings with the Securities and Exchange Commission (SEC). Viatris routinely uses its website as a means of disclosing material information to the public in a broad, non-exclusionary manner for purposes of the SEC's Regulation Fair Disclosure (Reg FD). Viatris undertakes no obligation to update these statements for revisions or changes after the date of this release other than as required by law.
