

Viatriis Appoints Corinne Le Goff as Chief Commercial Officer

April 15, 2024

PITTSBURGH, April 15, 2024 /PRNewswire/ -- [Viatriis Inc.](#) (NASDAQ: VTRS), a global healthcare company, today announced that Corinne Le Goff has joined the company as Chief Commercial Officer and will become a member of the company's Executive Leadership Team, effective today.

Le Goff is an accomplished biotechnology and pharmaceutical executive with more than 25 years of experience leading and building highly successful teams globally. She is a visionary and entrepreneurial leader with a strong scientific background and experience across multiple markets and therapeutic areas.

Prior to joining Viatriis, Le Goff was President and Chief Executive Officer of Imunon, a clinical-stage biotechnology company, where she led an organizational turnaround and rebranding effort. Prior to Imunon, Le Goff served as Chief Commercial Officer at Moderna, where she was responsible for building the commercial organization and key capabilities necessary to ensure global access to Moderna's COVID-19 vaccine. In addition, she spent six years of her career at Amgen where she served as President of the U.S. Business, Senior Vice President of Global Product Strategy & Commercial Innovation and as President of the Europe Region. Le Goff earned a Pharm.D. from Paris Descartes University and a Master of Business Administration from La Sorbonne University, both in Paris.

Viatriis CEO [Scott A. Smith](#) said: "I believe Corinne has the skills and experience to help further propel our growth and position Viatriis for long-term success, building on the great talent I have seen across our existing commercial organization since joining a year ago. Corinne is a talented healthcare executive with a deep understanding of the pharmaceutical and biotech industries, including multiple therapeutic areas, markets and geographies. I look forward to welcoming her to Viatriis and to working closely with her as we continue to build the truly unique company we have envisioned."

Le Goff said: "I am thrilled to join Viatriis as the company embarks on its next exciting chapter. I have dedicated my career to developing and commercializing medicines for people living with serious diseases with the ambition to improve patient care outcomes, and I am excited to join a company that shares my commitment and reaches 1 billion patients a year. I'm looking forward to partnering with Scott, the Executive Leadership Team, and the company's strong commercial teams to continue to deliver on the Viatriis mission and realize the tremendous opportunities we have ahead."
