Item 1.01 Entry into a Material Definitive Agreement

On June 22, 2020, Upjohn Inc., a Delaware corporation (“Upjohn” or “Newco”), completed the offering of \$1,000,000,000 aggregate principal amount of its 1.125% Senior Notes due 2022 (the “2022 U.S. Dollar Notes”), \$750,000,000 aggregate principal amount of its 1.650% Senior Notes due 2025 (the “2025 U.S. Dollar Notes”), \$750,000,000 aggregate principal amount of its 2.300% Senior Notes due 2027 (the “2027 U.S. Dollar Notes”), \$1,450,000,000 aggregate principal amount of its 2.700% Senior Notes due 2030 (the “2030 U.S. Dollar Notes”), \$1,500,000,000 aggregate principal amount of its 3.850% Senior Notes due 2040 (the “2040 U.S. Dollar Notes”) and \$2,000,000,000 aggregate principal amount of its 4.000% Senior Notes due 2050 (the “2050 U.S. Dollar Notes” and, together with the 2022 U.S. Dollar Notes, the 2025 U.S. Dollar Notes, the 2027 U.S. Dollar Notes, the 2030 U.S. Dollar Notes and the 2040 U.S. Dollar Notes, the “U.S. Dollar Notes”). In connection with the issuance of the U.S. Dollar Notes, Newco entered into an indenture, dated as of June 22, 2020 (the “U.S. Dollar Indenture”), between Newco, as issuer, and The Bank of New York Mellon, as trustee (the “U.S. Dollar Trustee”), and a Registration Rights Agreement, dated as of June 22, 2020 (the “Registration Rights Agreement”), by and between Newco and Goldman Sachs & Co. LLC, BofA Securities, Inc., Citigroup Global Markets Inc., Morgan Stanley and Co. LLC and Mizuho Securities USA LLC, as representatives of the several initial purchasers of the U.S. Dollar Notes.

The U.S. Dollar Notes were issued in a private offering exempt from the registration requirements of the Securities Act of 1933, as amended (the “Securities Act”), in the United States to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act and to certain non-U.S. persons in transactions outside of the United States in reliance on Regulation S under the Securities Act.

In addition, on June 23, 2020, Upjohn Finance B.V., a wholly owned financing subsidiary of Newco (“Finco”), completed the offering of €750,000,000 aggregate principal amount of its 0.816% Senior Notes due 2022 (the “2022 Euro Notes”), €750,000,000 aggregate principal amount of its 1.023% Senior Notes due 2024 (the “2024 Euro Notes”), €850,000,000 aggregate principal amount of its 1.362% Senior Notes due 2027 (the “2027 Euro Notes”) and €1,250,000,000 aggregate principal amount of its 1.908% Senior Notes due 2032 (the “2032 Euro Notes”, and, together with the 2022 Euro Notes, the 2024 Euro Notes and the 2027 Euro Notes, the “Euro Notes” and, together with the U.S. Dollar Notes, the “Notes”). In connection with the issuance of the Euro Notes, Finco entered into an indenture, dated as of June 23, 2020 (the “Euro Indenture” and, together with the U.S. Dollar Indenture, the “Indentures”), among Finco, as issuer, Newco, as guarantor, and Citibank, N.A., London Branch, as trustee, paying agent, transfer agent, and registrar (the “Euro Trustee”).

The Euro Notes were issued in a private offering exempt from the registration requirements of the Securities Act to certain non-U.S. persons in transactions outside of the United States in reliance on Regulation S under the Securities Act.

The Notes were offered in connection with the previously announced proposed combination (the “Combination”) of Pfizer Inc.’s (“Pfizer”) global, primarily off-patent branded and generic established medicines business (the “Upjohn Business”) and Mylan N.V. (“Mylan”) pursuant to a Business Combination Agreement, dated as of July 29, 2019, among Pfizer, Newco, Mylan and certain of their affiliates, as amended on May 29, 2020 (and as may be further amended, restated or modified from time to time, the “Business Combination Agreement”). Prior to the Combination, pursuant to a Separation and Distribution Agreement, dated as of July 29, 2019, between Pfizer and Newco, as amended on February 18, 2020 and on May 29, 2020 (and as may be further amended, restated or modified from time to time, the “Separation and Distribution Agreement”), Pfizer will contribute the Upjohn Business to Newco, so that the Upjohn Business is separated from the remainder of Pfizer’s businesses (the “Separation”), and Pfizer will distribute to its stockholders all of the issued and outstanding shares of Newco’s common stock held by Pfizer (the “Distribution”). In connection with the Separation, and as partial consideration for Pfizer’s contribution of the Upjohn Business to Newco, Newco will make a cash payment of \$12,000,000,000 to Pfizer (the “Cash Payment to Pfizer”). Newco intends to use the net proceeds from the offerings of the Notes, together with the net proceeds from other previously announced financing transactions, to fund in full the Cash Payment to Pfizer and related transaction fees and expenses. Newco intends to use any remaining balance of net proceeds from the offerings of the Notes for general corporate purposes. Pending application for the foregoing purposes, Newco intends to hold the net proceeds from the offerings of the Notes in cash and cash equivalents (which may include short-term investments).

Upon completion of each offering of Notes, the commitments under Newco's previously announced Bridge Loan Facility Commitment Letter dated as of July 29, 2019 were fully terminated.

U.S. Dollar Indenture; Guarantees

The U.S. Dollar Notes are senior unsecured obligations of Newco. The U.S. Dollar Notes are initially guaranteed on a senior unsecured basis by Pfizer pursuant to a guarantee agreement, dated as of June 22, 2020, in favor of the holders of the U.S. Dollar Notes and the U.S. Dollar Trustee. The guarantee by Pfizer will be automatically and unconditionally terminated and released without the consent of holders upon the consummation of the Distribution.

Upon the consummation of the Combination, the Mylan entities (which will be subsidiaries of Newco following the Combination) that are issuers or guarantors of the outstanding senior unsecured notes issued by Mylan or Mylan Inc. (such notes, the "Mylan Notes" and, such issuers and guarantors, the "Mylan Guarantors") will become guarantors of the U.S. Dollar Notes, substantially concurrently with Newco becoming a guarantor of the Mylan Notes. In addition, if, following the consummation of the Combination, a subsidiary of Newco becomes a guarantor or an obligor in respect of certain indebtedness, such subsidiary will guarantee the U.S. Dollar Notes on the terms and subject to the conditions set forth in the U.S. Dollar Indenture.

The 2022 U.S. Dollar Notes bear interest at a rate of 1.125% per annum, accruing from June 22, 2020. The 2025 U.S. Dollar Notes bear interest at a rate of 1.650% per annum, accruing from June 22, 2020. The 2025 U.S. Dollar Notes will mature on June 22, 2025, subject to earlier repurchase or redemption in accordance with the terms of the U.S. Dollar Indenture. The 2027 U.S. Dollar Notes bear interest at a rate of 2.300% per annum, accruing from June 22, 2020. The 2027 U.S. Dollar Notes will mature on June 22, 2027, subject to earlier repurchase or redemption in accordance with the terms of the U.S. Dollar Indenture. The 2030 U.S. Dollar Notes bear interest at a rate of 2.700% per annum, accruing from June 22, 2020. The 2030 U.S. Dollar Notes will mature on June 22, 2030, subject to earlier repurchase or redemption in accordance with the terms of the U.S. Dollar Indenture. The 2040 U.S. Dollar Notes bear interest at a rate of 3.850% per annum, accruing from June 22, 2020. The 2040 U.S. Dollar Notes will mature on June 22, 2040, subject to earlier repurchase or redemption in accordance with the terms of the U.S. Dollar Indenture. The 2050 U.S. Dollar Notes bear interest at a rate of 4.000% per annum, accruing from June 22, 2020. The 2050 U.S. Dollar Notes will mature on June 22, 2050, subject to earlier repurchase or redemption in accordance with the terms of the U.S. Dollar Indenture. Interest on the U.S. Dollar Notes of each series will be payable semi-annually in arrears on June 22 and December 22, commencing on December 22, 2020.

At any time and from time to time, Newco may redeem some or all of the 2022 U.S. Dollar Notes, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to the greater of (1) 100% of the aggregate principal amount of the 2022 U.S. Dollar Notes being redeemed, and (2) the sum of the present values, as calculated by Newco, of the remaining scheduled payments of principal and interest on the 2022 U.S. Dollar Notes being redeemed, not including accrued and unpaid interest thereon, if any, to, but excluding, the redemption date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined in the U.S. Dollar Indenture) plus 15 basis points, plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the redemption date. At any time and from time to time prior to the date that is one month prior to their maturity date in the case of the 2025 U.S. Dollar Notes, the date that is two months prior to their maturity date in the case of the 2027 U.S. Dollar Notes, the date that is three months prior to their maturity date in the case of the 2030 U.S. Dollar Notes, the date that is six months prior to their maturity date in the case of the 2040 U.S. Dollar Notes and the date that is six months prior to their maturity date in the case of the 2050 U.S. Dollar Notes (each such date, an "Applicable U.S. Dollar Par Call Date"), Newco may redeem some or all of the U.S. Dollar Notes of the applicable series, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to the greater of (1) 100% of the aggregate principal amount of the U.S. Dollar Notes of such series being redeemed, and (2) the sum of the present values, as calculated by Newco, of the

remaining scheduled payments of principal and interest on the U.S. Dollar Notes of such series being redeemed that would be due if the U.S. Dollar Notes of such series matured on the Applicable U.S. Dollar Par Call Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the redemption date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus in the case of any 2025 U.S. Dollar Notes being redeemed, 25 basis points, in the case of any 2027 U.S. Dollar Notes being redeemed, 30 basis points, in the case of any 2030 U.S. Dollar Notes being redeemed, 30 basis points, in the case of any 2040 U.S. Dollar Notes being redeemed, 40 basis points, and in the case of any 2050 U.S. Dollar Notes being redeemed, 40 basis points, plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the redemption date.

If certain change of control events occur, Newco must offer to purchase each series of the U.S. Dollar Notes from holders at purchase prices equal to 101% of their respective principal amounts, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of purchase.

If the Contribution, the Distribution and the Combination are not consummated on or before February 1, 2021, or if, prior to such date, Newco and Mylan notify the U.S. Dollar Trustee that (i) the Business Combination Agreement has terminated in accordance with its terms prior to the consummation of the Combination or (ii) the Combination will otherwise not be pursued, Newco must redeem each series of the U.S. Dollar Notes at redemption prices equal to 101% of their respective principal amounts, plus accrued and unpaid interest thereon, if any, to, but excluding, the special mandatory redemption date.

The U.S. Dollar Indenture contains covenants that, among other things, restrict Newco's ability and the ability of certain of Newco's subsidiaries to (1) enter into sale and leaseback transactions; (2) create liens; (3) from and after the consummation of the Combination with respect to such subsidiaries only, guarantee certain of Newco's outstanding obligations without also guaranteeing the obligations of Newco under the U.S. Dollar Notes, fully and unconditionally and on a senior basis; and (4) with respect to Newco only, consolidate, merge or sell substantially all of Newco's assets. The U.S. Dollar Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment, breach of covenants, payment defaults or acceleration of other indebtedness, failure to pay certain judgments and certain events of bankruptcy and insolvency. These covenants and events of default are subject to a number of important qualifications, limitations and exceptions that are described in the U.S. Dollar Indenture. If an event of default with respect to the U.S. Dollar Notes of a series occurs under the U.S. Dollar Indenture, the principal amount of all of the U.S. Dollar Notes of such series then outstanding, plus accrued and unpaid interest, if any, to the date of acceleration, may become immediately due and payable.

The Separation, the Distribution, the Combination, the Cash Payment to Pfizer and the other transactions contemplated by the Business Combination Agreement or the Separation and Distribution Agreement (collectively, the "RMT Transactions") will be permitted under the U.S. Dollar Indenture and, except for a covenant limiting Newco's use of the proceeds from the offering of the U.S. Dollar Notes prior to Pfizer contributing the Upjohn Business to Newco (the "Contribution"), the RMT Transactions will not be subject to any covenants contained in the U.S. Dollar Indenture. In addition, the covenants in the U.S. Dollar Indenture will not restrict the ability of the parties to the Business Combination Agreement, the Separation and Distribution Agreement and related ancillary agreements to materially amend or modify those agreements, or to materially change the terms of the RMT Transactions. Holders of U.S. Dollar Notes will have no rights under the special mandatory redemption provisions described above in the event of such amendments, modifications or changes, and will have no rights to consent to such amendments, modifications or changes.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the complete terms of the U.S. Dollar Indenture, a copy of which is filed as Exhibit 4.1 hereto, and the U.S. Dollar Notes, the forms of which are contained in Exhibit 4.1, all of which are incorporated herein by reference.

The initial purchasers of the U.S. Dollar Notes have, from time to time, performed, are currently performing and may in the future perform, various financial advisory and commercial and investment banking services for Newco and to persons and entities with relationships with Newco, for which they received or will receive customary fees and expenses.

The Euro Notes are senior unsecured obligations of Finco. The Euro Notes are guaranteed on a senior unsecured basis by Newco pursuant to the Euro Indenture and are initially guaranteed on a senior unsecured basis by Pfizer pursuant to a guarantee agreement, dated as of June 23, 2020, in favor of the holders of the Euro Notes and the Euro Trustee. The guarantee by Pfizer will be automatically and unconditionally terminated and released without the consent of holders upon the consummation of the Distribution.

Upon the consummation of the Combination, the Mylan Guarantors will become guarantors of the Euro Notes, substantially concurrently with Newco becoming a guarantor of the Mylan Notes. In addition, if, following the consummation of the Combination, a subsidiary of Newco becomes a guarantor or an obligor in respect of certain indebtedness, such subsidiary will guarantee the Euro Notes on the terms and subject to the conditions set forth in the Euro Indenture.

The 2022 Euro Notes bear interest at a rate of 0.816% per annum, accruing from June 23, 2020. The 2022 Euro Notes will mature on June 23, 2022, subject to earlier repurchase or redemption in accordance with the terms of the Euro Indenture. The 2024 Euro Notes bear interest at a rate of 1.023% per annum, accruing from June 23, 2020. The 2024 Euro Notes will mature on June 23, 2024, subject to earlier repurchase or redemption in accordance with the terms of the Euro Indenture. The 2027 Euro Notes bear interest at a rate of 1.362% per annum, accruing from June 23, 2020. The 2027 Euro Notes will mature on June 23, 2027, subject to earlier repurchase or redemption in accordance with the terms of the Euro Indenture. The 2032 Euro Notes bear interest at a rate of 1.908% per annum, accruing from June 23, 2020. The 2032 Euro Notes will mature on June 23, 2032, subject to earlier repurchase or redemption in accordance with the terms of the Euro Indenture. Interest on the Euro Notes of each series will be payable annually in arrears on June 23 of each year, commencing on June 23, 2021.

At any time and from time to time, Finco may redeem some or all of the 2022 Euro Notes, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to the greater of (1) 100% of the aggregate principal amount of the 2022 Euro Notes being redeemed, and (2) the sum of the present values, as calculated by Finco, of the remaining scheduled payments of principal and interest on the 2022 Euro Notes being redeemed, not including accrued and unpaid interest thereon, if any, to, but excluding, the redemption date, discounted to the redemption date on an annual basis (ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association), at the Bund Rate (as defined in the Euro Indenture) plus 25 basis points, plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the redemption date. At any time and from time to time prior to the date that is one month prior to their maturity date in the case of the 2024 Euro Notes, the date that is two months prior to their maturity date in the case of the 2027 Euro Notes, and the date that is three months prior to their maturity date in the case of the 2032 Euro Notes (each such date, an "Applicable Euro Par Call Date"), Finco may redeem some or all of the Euro Notes of the applicable series, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to the greater of (1) 100% of the aggregate principal amount of the Euro Notes of such series being redeemed, and (2) the sum of the present values, as calculated by Finco, of the remaining scheduled payments of principal and interest on the Euro Notes of such series being redeemed that would be due if the Euro Notes of such series matured on the Applicable Euro Par Call Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the redemption date, discounted to the redemption date on an annual basis (ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association), at the applicable Bund Rate plus in the case of any 2024 Euro Notes being redeemed, 25 basis points, in the case of any 2027 Euro Notes being redeemed, 30 basis points, and in the case of any 2032 Euro Notes being redeemed, 35 basis points, plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the redemption date.

If certain change of control events occur, Newco or Finco must offer to purchase each series of the Euro Notes from holders at purchase prices equal to 101% of their respective principal amounts, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of purchase.

If the Contribution, the Distribution and the Combination are not consummated on or before February 1, 2021, or if, prior to such date, Newco and Mylan notify the Euro Trustee that (i) the Business Combination Agreement has terminated in accordance with its terms prior to the consummation of the Combination or (ii) the Combination will otherwise not be pursued, Finco must redeem each series of the Euro Notes at redemption prices equal to 101% of their respective principal amounts, plus accrued and unpaid interest thereon, if any, to, but excluding, the special mandatory redemption date.

The Euro Indenture contains covenants that, among other things, restrict Newco's ability and the ability of certain of Newco's subsidiaries to (1) enter into sale and leaseback transactions; (2) create liens; (3) from and after the consummation of the Combination with respect to such subsidiaries only, guarantee certain of Newco's outstanding obligations without also guaranteeing the obligations of Finco under the Euro Notes, fully and unconditionally and on a senior basis; and (4) with respect to Newco and Finco only, consolidate, merge or sell substantially all of Newco's assets. The Euro Indenture also contains a covenant prohibiting Finco from acquiring material assets, subject to certain exceptions. The Euro Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment, breach of covenants, payment defaults or acceleration of other indebtedness, failure to pay certain judgments and certain events of bankruptcy and insolvency. These covenants and events of default are subject to a number of important qualifications, limitations and exceptions that are described in the Euro Indenture. If an event of default with respect to the Euro Notes of a series occurs under the Euro Indenture, the principal amount of all of the Euro Notes of such series then outstanding, plus accrued and unpaid interest, if any, to the date of acceleration, may become immediately due and payable.

The RMT Transactions will be permitted under the Euro Indenture and, except for a covenant limiting Newco's and Finco's use of the proceeds from the offering of the Euro Notes prior to the Contribution, the RMT Transactions will not be subject to any covenants contained in the Euro Indenture. In addition, the covenants in the Euro Indenture will not restrict the ability of the parties to the Business Combination Agreement, the Separation and Distribution Agreement and related ancillary agreements to materially amend or modify those agreements, or to materially change the terms of the RMT Transactions. Holders of Euro Notes will have no rights under the special mandatory redemption provisions described above in the event of such amendments, modifications or changes, and will have no rights to consent to such amendments, modifications or changes.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the complete terms of the Euro Indenture, a copy of which is filed as Exhibit 4.9 hereto, and the Euro Notes, the forms of which are contained in Exhibit 4.9, all of which are incorporated herein by reference.

The initial purchasers of the Euro Notes have, from time to time, performed, are currently performing and may in the future perform, various financial advisory and commercial and investment banking services for Newco or Finco and to persons and entities with relationships with Newco or Finco, for which they received or will receive customary fees and expenses.

Registration Rights Agreement

In connection with the offering of the U.S. Dollar Notes, Newco entered into the Registration Rights Agreement pursuant to which Newco will use commercially reasonable efforts (1) to file a registration statement (the "Exchange Offer Registration Statement") with respect to an offer to exchange each series of U.S. Dollar Notes (each, an "Exchange Offer") for new notes with the same aggregate principal amount and terms substantially identical in all material respects to the applicable series of U.S. Dollar Notes (except for the provisions relating to the transfer restrictions, Pfizer guarantee, special mandatory redemption and payment of additional interest); (2) to cause the Exchange Offer Registration Statement to be declared effective by the Securities and Exchange Commission (the "SEC") under the Securities Act; and (3) to consummate the Exchange Offer not later than 365 days after the consummation of the Combination (the "Exchange Date").

If Newco determines that the Exchange Offer would violate any applicable law or applicable interpretations of the SEC or upon receipt of a written request (a "Shelf Request") from any initial purchaser representing that it holds U.S. Dollar Notes that are or were ineligible to be exchanged in the Exchange Offer, Newco will use commercially reasonable efforts to (1) file a shelf registration statement covering resales of the U.S. Dollar Notes; (2) cause such shelf registration statement to become effective under the Securities Act; and (3) keep the shelf registration statement effective until the earliest of the date (i) when a registration statement with respect to such U.S. Dollar Notes has become effective under the Securities Act and such U.S. Dollar Notes have been exchanged or disposed of pursuant to such registration statement, (ii) when such U.S. Dollar Notes cease to be outstanding, (iii) except in the case of U.S. Dollar Notes that are held by an initial purchaser and that are ineligible to be exchanged in

the Exchange Offer, when the Exchange Offer is consummated, (iv) when such U.S. Dollar Notes are freely tradeable, without restriction, under federal or state securities laws, (v) that is one year after the consummation of the Combination and (vi) when holders of the U.S. Dollar Notes, other than holders that are “affiliates” (as defined in Rule 144 promulgated under the Securities Act (“Rule 144”)) of Newco, are able to sell such U.S. Dollar Notes without restriction, and without reliance as to the availability of current public information, pursuant to Rule 144 (such date, the “Registration Rights Expiration Date”).

As to any series of U.S. Dollar Notes, if (1) the Exchange Offer, with respect to such series of U.S. Dollar Notes, is not completed on or prior to the Exchange Date, (2) the shelf registration statement with respect to such series of U.S. Dollar Notes, if required because Newco determines that the Exchange Offer would violate any applicable law or applicable interpretations of the SEC, has not become effective on or prior to the Exchange Date, (3) Newco receives a Shelf Request and the shelf registration statement required to be filed thereby has not become effective by the later of (a) the Exchange Date and (b) 90 days after delivery of such Shelf Request or (4) the shelf registration statement, if required by the Registration Rights Agreement, has become effective and thereafter ceases to be effective or the prospectus contained therein ceases to be usable, in each case whether or not permitted by the Registration Rights Agreement, at any time prior to the Registration Rights Expiration Date, and such failure to remain effective or usable exists for more than 180 days (whether or not consecutive) in any 12-month period, each such event referred to in clauses (1) through (4), a “Registration Default,” then, subject to certain exceptions, the interest rate on the U.S. Dollar Notes of such series will be increased by (i) 0.25% per annum for the first 90-day period beginning on the day immediately following such Registration Default and (ii) an additional 0.25% per annum with respect to each subsequent 90-day period, in each case until and including the date such Registration Default ends, up to a maximum increase of 0.50% per annum.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the complete terms of the Registration Rights Agreement, a copy of which is filed herewith as Exhibit 4.8 and is incorporated by reference herein.

Subject to Sections 2.16 and 2.17, when Notes are presented to the Registrar with a request from the Holder of such Notes to register a transfer or to exchange them for an equal principal amount of Notes of other authorized denominations of the same series, the Registrar shall register the transfer as requested. Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing. To permit registrations of transfers and exchanges, the Company shall issue and execute, and the Trustee shall authenticate, new Notes evidencing such transfer or exchange at the Registrar's request. No service charge shall be made to the Holder for any registration of transfer or exchange. The Company may require from the Holder payment of a sum sufficient to cover any transfer taxes or other governmental charge that may be imposed in relation to a transfer or exchange, but this provision shall not apply to any exchange pursuant to Section 2.11, 3.06 or 8.04 (in which events the Company shall be responsible for the payment of such taxes). The Registrar shall not be required to exchange or register a transfer of any Note of any series for a period of 15 days immediately preceding the redemption of Notes of such series, except the unredeemed portion of any Note being redeemed in part.

Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of the beneficial interests in such Global Note may be effected only through a book entry system maintained by the Holder of such Global Note (or its agent), and that ownership of a beneficial interest in the Global Note shall be required to be reflected in a book entry system.

Section 2.08 Replacement Notes.

If a mutilated Note of any series is surrendered to the Registrar or the Trustee, or if the Holder of a Note of any series claims that the Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Note of such series if the Holder of such Note furnishes to the Company and the Trustee evidence reasonably acceptable to them of the ownership and the destruction, loss or theft of such Note and if the requirements of Section 8-405 of the New York Uniform Commercial Code as in effect on the date of this Indenture are met. If required by the Trustee or the Company, an indemnity bond shall be posted, sufficient in the judgment of all to protect the Company, the Trustee or any Paying Agent from any loss that any of them may suffer if such Note is replaced. The Company may charge such Holder for the Company's reasonable out-of-pocket expenses in replacing such Note and the Trustee may charge the Company for the Trustee's expenses (including, without limitation, attorneys' fees and disbursements) in replacing such Note. Every replacement Note shall constitute a contractual obligation of the Company.

Section 2.09 Outstanding Notes.

The Notes outstanding at any time are all Notes that have been authenticated by the Trustee except for (a) those canceled by it, (b) those delivered to it for cancellation, (c) to the extent set forth in Sections 9.01 and 9.02, on or after the date on which the conditions set forth in Section 9.01 or 9.02 have been satisfied, those Notes theretofore authenticated and delivered by the Trustee hereunder and (d) those described in this Section 2.09 as not outstanding. Subject to Section 2.10, a Note does not cease to be outstanding because the Company or one of its Affiliates holds the Note.

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser in whose hands such Note is a legal, valid and binding obligation of the Company.

If the Paying Agent holds, in its capacity as such, on any Maturity Date, money sufficient to pay all accrued interest and principal with respect to the Notes payable on that date and is not prohibited from paying such money to the Holders thereof pursuant to the terms of this Indenture, then on and after that date such Notes cease to be outstanding and interest on them ceases to accrue.

Section 2.10 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes of a series have concurred in any declaration of acceleration or notice of default or direction, waiver or consent or any amendment, modification or other change to this Indenture, Notes owned by the Company or any other Affiliate of the Company shall be disregarded as though they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes as to which a Responsible Officer of the Trustee has actually received an Officer's Certificate stating that such Notes are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee established to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Company, any other obligor on the Notes or any of their respective Affiliates.

Section 2.11 Temporary Notes.

Until definitive Notes are prepared and ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as definitive Notes.

Section 2.12 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation along with a Company Order directing the cancellation thereof. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall deliver such canceled Notes to the Company. The Company may not reissue or resell, or issue new Notes to replace Notes that the Company has redeemed or paid, or that have been delivered to the Trustee for cancellation (other than in accordance with this Indenture).

Section 2.13 Defaulted Interest.

If the Company defaults on a payment of interest on the Notes, it shall pay the defaulted interest, *plus* (to the extent permitted by law) any interest payable on the defaulted interest, in accordance with the terms hereof, to the Persons who are Holders on a subsequent special record date, which date shall be at least five Business Days prior to the payment date. The Company shall fix such special record date and payment date in a manner satisfactory to the Trustee. At least 10 days before such special record date, the Company shall deliver in accordance with the procedures of the Depositary to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest, and interest payable on defaulted interest, if any, to be paid. The Company may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements (if applicable) of any securities exchange on which the Notes may be listed and, upon such notice as may be required by such exchange, if, after written notice given by the Company to the Trustee of the proposed payment pursuant to this sentence, such manner of payment shall be deemed practicable by the Trustee.

Section 2.14 Identifying Number.

The Company in issuing the Notes may use a "CUSIP," "ISIN" or other similar number, and if so, such CUSIP, ISIN or other similar number shall be included in notices of redemption or exchange as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP, ISIN or other similar number printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes. The Company shall promptly notify the Trustee of any such CUSIP, ISIN or other similar number used by the Company in connection with the issuance of the Notes and of any change in the CUSIP, ISIN or other similar number.

Section 2.15 Deposit of Moneys.

Prior to 11:00 a.m., New York City time, on each Interest Payment Date and Maturity Date, the Company shall have deposited with the Paying Agent in immediately available funds money sufficient to make cash payments, if any, due on such Interest Payment Date or Maturity Date, as the case may be, in a timely manner which permits the Trustee to remit payment to the Holders on such Interest Payment Date or Maturity Date, as the case may be. The principal and interest on a Global Note shall be payable to the Depositary of such Global Note or its nominee, as the case may be, as the sole registered owner and the sole Holder of the Notes represented thereby. The principal and interest on Physical Notes shall be payable, either in person or by mail, at the office of the Paying Agent.

Section 2.16 Book-Entry Provisions for Global Notes.

(a) The 2022 Rule 144A Notes initially shall be represented by one or more Notes of the same series in registered, global form without interest coupons (collectively, the “2022 Rule 144A Global Notes”). The 2025 Rule 144A Notes initially shall be represented by one or more Notes of the same series in registered, global form without interest coupons (collectively, the “2025 Rule 144A Global Notes”). The 2050 Rule 144A Notes initially shall be represented by one or more Notes of the same series in registered, global form without interest coupons (collectively, the “2050 Rule 144A Global Notes” and, together with the 2022 Rule 144A Global Notes, the 2025 Rule 144A Global Notes, the 2027 Rule 144A Global Notes, the 2030 Rule 144A Global Notes and the 2040 Rule 144A Global Notes, the “Rule 144A Global Notes”). The 2022 Regulation S Notes initially shall be represented by one or more Notes of the same series in registered, global form without interest coupons (collectively, the “2022 Regulation S Global Notes”). The 2050 Regulation S Notes initially shall be represented by one or more Notes of the same series in registered, global form without interest coupons (collectively, the “2050 Regulation S Global Notes” and, together with the 2022 Regulation S Global Notes, the 2025 Regulation S Global Notes, the 2027 Regulation S Global Notes, the 2030 Regulation S Global Notes and the 2040 Regulation S Global Notes, the “Regulation S Global Notes”). The Rule 144A Global Notes and the Regulation S Global Notes and any other global notes representing the Notes (collectively, the “Global Notes”) shall bear legends as set forth in Exhibit D. The Global Notes initially shall (i) be registered in the name of the Depository or the nominee of such Depository, in each case for credit to an account of an Agent Member, (ii) be delivered to The Bank of New York Mellon as custodian for such Depository and (iii) bear legends as set forth in Exhibit B with respect to a Rule 144A Global Note and Exhibit C with respect to a Regulation S Global Note.

Members of, or direct or indirect participants in, the Depository (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Notes, and the Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization (which may be in electronic form) furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

None of the Company, any Guarantor, the Trustee, the Registrar, any Paying Agent or any agent of any of them shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Notes, for maintaining, supervising or reviewing any records relating to such beneficial owner interests, or for any acts or omissions of a Depository or for any

transactions between a Depositary and any beneficial owner or between or among beneficial owners. No owner of a beneficial interest in the Notes shall have any rights under this Indenture, and the Depositary or its nominee, if any, shall be deemed and treated by the Company, any Guarantor, the Trustee, the Registrar, any Paying Agent or any agent of any of them as the absolute owner and holder of such Notes for all purposes whatsoever.

Notwithstanding the foregoing, nothing herein shall prevent the Company, any Guarantor, the Trustee, the Registrar, any Paying Agent or any agent of any of them from giving effect to any written certification, proxy or other authorization furnished by a Depositary, or any of its members and any other Person on whose behalf such member may act, the operation of customary practices of such Persons governing the exercise of the rights of a beneficial owner of any Notes.

(b) Transfers and exchanges pursuant to this Section 2.16 and Section 2.17 may only be made between Notes of the same series. Transfers of Global Notes shall be limited to transfers in whole, but not in part, to the Depositary, its successors or their respective nominees. Interests of beneficial owners in the Global Notes may be transferred or exchanged for Physical Notes in accordance with the rules and procedures of the Depositary and the provisions of Section 2.17. In addition, a Global Note shall be exchangeable for Physical Notes if (i) the Depositary (x) notifies the Company that it is unwilling or unable to continue as depositary for such Global Note or (y) has ceased to be registered as a clearing agency under the Exchange Act, and, with respect to (x) or (y), the Company thereupon fails to appoint a successor depositary within 90 days of such notice or cessation, (ii) the Company, at its option, notifies the Trustee in writing that it elects to effect the issuance of Physical Notes or (iii) upon the request of the Depositary at any time that there shall have occurred and be continuing an Event of Default with respect to the Notes. In all cases, Physical Notes delivered in exchange for any Global Note or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depositary (in accordance with its customary procedures).

(c) In connection with any transfer or exchange of a portion of the beneficial interest in any Global Note to beneficial owners pursuant to paragraph (b) of this Section 2.16, the Registrar shall (if one or more Physical Notes are to be issued) reflect on its books and records the date and a decrease in the principal amount of the Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Company shall execute, and the Trustee shall upon receipt of a written order from the Company authenticate and make available for delivery, one or more Physical Notes of like tenor and amount.

(d) In connection with the transfer of Global Notes as an entirety to beneficial owners pursuant to paragraph (b) of this Section 2.16, the Global Notes shall be deemed to be surrendered to the Trustee for cancellation, and the Company shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Depositary in writing in exchange for its beneficial interest in the Global Notes, an equal aggregate principal amount of Physical Notes of authorized denominations.

(e) Any Physical Note constituting a Restricted Note delivered in exchange for an interest in a Global Note pursuant to Section 2.17(b), or clause (c) or (d) of this Section 2.16 shall, except as otherwise provided by Sections 2.17(a) and Section 2.17(c), bear the Private Placement Legend or, in the case of the Regulation S Global Note, the legend set forth in Exhibit C, in each case, unless the Company determines otherwise in compliance with applicable law.

(f) Any beneficial interest in one of the Global Notes that is transferred to a Person who takes delivery in the form of an interest in another Global Note shall, upon transfer, cease to be an interest in such Global Note and become an interest in such other Global Note and, accordingly, shall thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(g) The Holder of any Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

Section 2.17 Special Transfer Provisions.

(a) *Transfers to QIBs.* The following provisions shall apply with respect to the registration or any proposed registration of transfer of a Note constituting a Restricted Note to a QIB (excluding transfers to Non-U.S. Persons):

(1) the Registrar shall register the transfer if such transfer is being made by a proposed transferor who has checked the box provided for on such Holder's Note stating, or to a transferee who has advised the Company and the Registrar in writing, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Company as it has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; and

(2) if the proposed transferee is an Agent Member, and the Notes to be transferred consist of Physical Notes which after transfer are to be evidenced by an interest in the Global Note, upon receipt by the Registrar of instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note in an amount equal to the principal amount of the Physical Notes to be transferred, and the Trustee shall cancel the Physical Notes so transferred.

(b) *Transfers to Non-QIB Institutional Accredited Investors and Non-U.S. Persons.* The following provisions shall apply with respect to the registration of any proposed transfer of a Note constituting a Restricted Note to any Institutional Accredited Investor which is not a QIB or to any Non-U.S. Person:

(1) the Registrar shall register the transfer of any Note constituting a Restricted Note whether or not such Note bears the Private Placement Legend, if (x) the requested transfer is after the later of (i) the first anniversary of the Issue Date or (ii) such later date, if any, as may be required by the exemption from registration provided by Rule 144 under the Securities Act for non-Affiliates of an issuer (*provided, however*, that neither the Company nor any Affiliate of the Company has held any beneficial interest in such Note, or portion thereof, at any time on or prior the later of (i) the first anniversary of the Issue Date or (ii) such later date, if any, as may be required by the exemption from registration provided by Rule 144 under the Securities Act for non-Affiliates of an issuer), as evidenced by an Officer's Certificate from the Company to such effect or (y)(1) in the case of a transfer to an Institutional Accredited Investor which is not a QIB (excluding Non-U.S. Persons), the proposed transferee has delivered to the Registrar a certificate substantially in the form of Exhibit F hereto and any legal opinions and certifications required thereby or (2) in the case of a transfer to a Non-U.S. Person, the proposed transferor has delivered to the Registrar a certificate substantially in the form of Exhibit E hereto; and

(2) if the proposed transferor is an Agent Member holding a beneficial interest in the Global Note, upon receipt by the Registrar of (x) the certificate, if any, required by clause (b)(1) of this Section 2.17 and (y) written instructions given in accordance with the Depository's and the Registrar's procedures; whereupon (a) the Registrar shall reflect on its books and records the date and (if the transfer does not involve a transfer of outstanding Physical Notes) a decrease in the principal amount of such Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred and (b) the Company shall execute and the Trustee shall authenticate and deliver, one or more Physical Notes of like tenor and amount; and

(3) in the case of a transfer to a Non-U.S. Person, if the proposed transferee is an Agent Member, and the Notes to be transferred consist of Physical Notes, which after transfer are to be evidenced by an interest in a Regulation S Global Note, upon receipt by the Registrar of written instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of such Regulation S Global Note in an amount equal to the principal amount of Physical Notes to be transferred, and the Trustee shall cancel the Physical Notes so transferred.

(c) *Private Placement Legend.* Upon the registration of transfer, exchange or replacement of Notes not bearing the Private Placement Legend, the Registrar shall deliver Notes that do not bear the Private Placement Legend. Upon the registration of transfer, exchange or replacement of Notes bearing the Private Placement Legend, the Registrar shall deliver only Notes that bear the Private Placement Legend unless (i) such Note has been issued pursuant to Section 2.17(f), (ii) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Company and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act, (iii) such Note has been sold pursuant to an effective registration statement under the Securities Act and the Registrar has received an Officer's Certificate from the Company to such effect or (iv) the requested transfer is after the later of (i) the first anniversary of the Issue Date or (ii) such later date, if any, as may be required by the exemption from registration provided by Rule 144 under the Securities Act for non-Affiliates of an issuer (*provided, however*, that neither the Company nor an Affiliate of the Company has held any beneficial interest in such Note or portion thereof at any time since the Issue Date) and the Registrar has received an Officer's Certificate from the Company to such effect.

(d) *General.* By its acceptance of any Note bearing the Private Placement Legend, each Holder of such Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in the Private Placement Legend and agrees that it will transfer such Note only as provided in this Indenture.

(e) *Certain Transfers in Connection with and After the Exchange Offer under the Registration Rights Agreement.* Notwithstanding any other provision of this Indenture:

(1) no Exchange Notes issued may be exchanged by the Holder thereof for an Initial Note;

(2) accrued and unpaid interest on the Initial Notes being exchanged in the Exchange Offer shall be due and payable on the next Interest Payment Date for the Exchange Notes following the Exchange Offer and shall be paid to the Holder on the relevant record date of the Exchange Notes issued in respect of the Initial Notes being exchanged; and

(3) interest on the Initial Notes being exchanged in the Exchange Offer shall cease to accrue on (and including) the date of completion of the Exchange Offer and interest on the Exchange Notes to be issued in the Exchange Offer shall accrue from (but excluding) the date of the completion of the Exchange Offer.

(f) *Exchange Offer.* Upon the occurrence of the Exchange Offer with respect to the Notes of a series, the Company will issue and, upon a written order of the Company the Trustee will authenticate:

(1) one or more Global Notes of such series not bearing the Private Placement Legend in an aggregate principal amount equal to the principal amount of the beneficial interests in the Global Notes of such series bearing the Private Placement Legend that are accepted for exchange in the Exchange Offer by Persons that (A) are not Participating Broker-Dealers, (B) are not participating in a distribution of the Exchange Notes and (C) are not affiliates (as defined in Rule 144) of the Company, as evidenced by an Officer's Certificate from the Company to such effect; or

(2) one or more Physical Notes of such series not bearing the Private Placement Legend in an aggregate principal amount equal to the principal amount of the Physical Notes of such series bearing the Private Placement Legend that are accepted for exchange in the Exchange Offer by Persons that (A) are not Participating Broker-Dealers, (B) are not participating in a distribution of the Exchange Notes and (C) are not affiliates (as defined in Rule 144) of the Company, as evidenced by an Officer's Certificate from the Company to such effect.

Concurrently with the issuance of such Notes, the Trustee will cause the aggregate principal amount of the applicable Global Notes bearing the Private Placement Legend to be reduced accordingly, and the Company will execute and the Trustee will authenticate and deliver to the Persons designated by the Holders of Physical Notes so accepted Physical Notes not bearing the Private Placement Legend in the appropriate principal amount.

Section 2.18 Computation of Interest.

Interest on the Notes shall be computed in accordance with the terms of the Notes.

ARTICLE III
REDEMPTION AND PREPAYMENT

Section 3.01 Election To Redeem; Notices to Trustee.

If the Company elects to redeem any Notes pursuant to Section 3.07, at least 10 days prior to the Redemption Date (unless a shorter notice shall be agreed to in writing by the Trustee) but not more than 60 days before the Redemption Date, the Company shall notify the Trustee in writing of the series of Notes to be redeemed, the Redemption Date and the principal amount of such Notes to be redeemed and the Redemption Price (or, if not then ascertainable, the manner of calculation thereof), and deliver to the Trustee, no later than two Business Days prior to the Redemption Date, an Officer's Certificate stating that such redemption will comply with the conditions contained this Article III. Notice given to the Trustee pursuant to this Section 3.01 may, at the Company's discretion, be subject to the satisfaction or waiver of one or more conditions precedent.

Section 3.02 Selection by Trustee of Notes To Be Redeemed.

If the Company elects to redeem less than all of the Notes of any series at any time, in the case of Notes issued in definitive form, the Trustee will select Notes of such series by lot on a *pro rata* basis (or, in the case of Global Notes, the Notes will be selected in accordance with the applicable procedures of the relevant Depository) unless an alternative method of selection is otherwise required by law or applicable stock exchange or Depository requirements.

The Trustee shall promptly notify the Company of the Notes selected for redemption and, in the case of any partial redemption, the principal amount thereof to be redeemed.

The Company will redeem Notes of \$2,000 or less in whole and not in part. For all purposes of this Indenture, unless the context otherwise requires, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03 Notice of Redemption.

Subject to Section 3.08, the Company will cause notices of redemption to be sent to the Trustee not less than 10 nor more than 60 days prior to the Redemption Date, and the Trustee will then promptly forward (at the Company's sole expense) such notice by first-class mail (or otherwise delivered in accordance with the procedures of the Depository) to each Holder of Notes of the series to be redeemed at its registered address. The Company may provide in the notice that payment of the Redemption Price and performance of the Company's obligations with respect to the redemption or purchase may be performed by another Person. Any notice may, at the Company's discretion, be subject to the satisfaction or waiver of one or more conditions precedent.

The notice shall identify the Notes to be redeemed (including the series and the CUSIP, ISIN or other identifying numbers thereof) and shall state:

- (1) the Redemption Date;
- (2) the Redemption Price (or, if not then ascertainable, the manner of calculation thereof);
- (3) if fewer than all outstanding Notes of a series are to be redeemed, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date and upon surrender of such Note, a new Note or Notes of the applicable series in principal amount equal to the unredeemed portion will be issued;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
- (6) that unless the Company defaults in the payment of the Redemption Price, interest on Notes called for redemption ceases to accrue on the Redemption Date;
- (7) if such notice is conditioned upon the occurrence of one or more conditions precedent, the nature of such conditions precedent;
- (8) the aggregate principal amount of Notes of such series that are being redeemed;
- (9) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (10) that no representation is made as to the correctness or accuracy of the CUSIP, ISIN or other identifying number, if any, listed in such notice or printed on the Notes.

If the Redemption Price is not ascertainable on the date in which the notice of redemption is delivered, the Company shall send to the Trustee, at least one Business Day prior to the Redemption Date, the Redemption Price.

Section 3.04 Effect of Notice of Redemption.

Once the notice of redemption described in Section 3.03 is delivered, except as provided in the last sentence of the first paragraph of Section 3.03, Notes called for redemption become irrevocably due and payable on the Redemption Date and at the Redemption Price, including any premium, plus accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date. Upon surrender to the Paying Agent, such Notes shall be paid at the Redemption Price, including any premium, plus accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date; *provided* that (a) if the Redemption Date is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, shall be paid to the Holder in whose name the Note is registered at the close of business on

such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Company; and (b) if a Redemption Date is not a Business Day, payment shall be made on the next succeeding Business Day and no interest shall accrue for the period from such Redemption Date to such succeeding Business Day. Such notice, if delivered in the manner provided in Section 3.03, shall be conclusively presumed to have been given whether or not the Holder receives such notice.

Section 3.05 Deposit of Redemption Price.

On or prior to 11:00 A.M., New York City time, on each Redemption Date, the Company shall deposit with the Paying Agent in immediately available funds money sufficient to pay the Redemption Price of, including premium, if any, and accrued and unpaid interest, if any, on all Notes to be redeemed on that date other than Notes or portions thereof called for redemption on that date which have been delivered by the Company to the Trustee for cancellation.

On and after any Redemption Date, if money sufficient to pay the Redemption Price of, including premium, if any, and accrued and unpaid interest, if any, on Notes called for redemption shall have been made available in accordance with the immediately preceding paragraph, the Notes called for redemption will cease to accrue interest and the only right of the Holders of such Notes will be to receive payment of the Redemption Price of and, subject to Section 3.04, accrued and unpaid interest on such Notes to, but excluding, the Redemption Date. If any Note surrendered for redemption shall not be so paid, interest will be paid, from the Redemption Date until such redemption payment is made, on the unpaid principal of the Note and any interest not paid on such unpaid principal, in each case at the rate and in the manner provided in the Notes.

Section 3.06 Notes Redeemed in Part.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount thereof that is to be redeemed. The Company will issue a new Note of the applicable series in a principal amount equal to the unredeemed portion of the original Note in the name of the Holder upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. Unless the Company defaults in payment of the Redemption Price, interest will cease to accrue on the Notes or portions thereof called for such redemption on the Redemption Date.

Section 3.07 Optional Redemption.

(a) *2022 Notes.* At any time and from time to time, the Company may redeem some or all of the 2022 Notes, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to the greater of:

(1) 100% of the aggregate principal amount of the 2022 Notes being redeemed, and

(2) the sum of the present values, as calculated by the Company, of the remaining scheduled payments of principal and interest on the 2022 Notes being redeemed that would be due if the 2022 Notes matured on the Maturity Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Company.

(b) *2025 Notes, 2027 Notes, 2030 Notes, 2040 Notes and 2050 Notes.* At any time and from time to time prior to the Applicable Par Call Date for the Notes of the applicable series, the Company may redeem some or all of the 2025 Notes, the 2027 Notes, the 2030 Notes, the 2040 Notes or the 2050 Notes, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to the greater of:

- (1) 100% of the aggregate principal amount of the Notes of such series being redeemed, and
- (2) the sum of the present values, as calculated by the Company, of the remaining scheduled payments of principal and interest on the Notes of such series being redeemed that would be due if the Notes of such series matured on the Applicable Par Call Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus,
 - (A) in the case of any 2025 Notes being redeemed, 25 basis points,
 - (B) in the case of any 2027 Notes being redeemed, 30 basis points,
 - (C) in the case of any 2030 Notes being redeemed, 30 basis points,
 - (D) in the case of any 2040 Notes being redeemed, 40 basis points, and
 - (E) in the case of any 2050 Notes being redeemed, 40 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

On or after the Applicable Par Call Date, the 2025 Notes, the 2027 Notes, the 2030 Notes, the 2040 Notes or the 2050 Notes will be redeemable in whole at any time or in part, from time to time, at the option of the Company, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to 100% of the principal amount of the Notes of such series to be redeemed plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Company.

(b) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

Section 3.08 Special Mandatory Redemption

(a) If the Contribution, the Distribution and the Combination are not consummated on or before February 1, 2021, or if, prior to such date, a Combination Termination Event occurs, the Company shall be required to redeem each series of the Notes (the "*Special Mandatory Redemption*") on the Special Mandatory Redemption Date at the redemption price (the "*Special Mandatory Redemption Price*") equal to 101% of their respective principal amounts, plus accrued and unpaid interest thereon, if any, to, but excluding, the Special Mandatory Redemption Date. If the Special Mandatory Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Company. The term "*Special Mandatory Redemption Date*" means the date specified by the Company in the

notice to Holders described in Section 3.08(b) that is not less than 5 days nor more than 20 Business Days following the date of the notice to Holders described in Section 3.08(b). The term “*Combination Termination Event*” means notification by the Company and Mylan N.V. to the Trustee that (i) the Business Combination Agreement has terminated in accordance with its terms prior to the consummation of the Combination or (ii) the Combination will otherwise not be pursued.

(b) Notwithstanding anything to the contrary in this Article III, the Company will cause the notice of Special Mandatory Redemption to be distributed to the Trustee within five Business Days after (a) (in the event of a Combination Termination Event) the date of such Combination Termination Event or (b) (in the event the Contribution, the Distribution and the Combination are not consummated on or before February 1, 2021) February 1, 2021, and the Trustee will then promptly forward (at the Company’s sole expense) such notice by first-class mail (or otherwise delivered in accordance with the procedures of the Depositary) to each Holder of the applicable series of Notes at its registered address.

(c) If funds sufficient to pay the Special Mandatory Redemption Price of all of any series of Notes to be redeemed on the Special Mandatory Redemption Date are deposited with a Paying Agent or the Trustee on or before such Special Mandatory Redemption Date, such Notes will cease to bear interest and, other than the right to receive the Special Mandatory Redemption Price for such Notes, all rights under such Notes shall terminate.

(d) The provisions relating to Special Mandatory Redemption, with the exception of the Special Mandatory Redemption Price to be paid to Holders upon a Special Mandatory Redemption, may not be waived or modified for any series of Notes without the written consent of Holders of at least 66²/₃% in principal amount of that series of Notes outstanding. The Special Mandatory Redemption Price to be paid to Holders upon a Special Mandatory Redemption may not be waived or modified for any series of Notes without the written consent of each Holder of Notes of a series affected thereby.

(e) Upon the consummation of the Contribution, the Distribution and the Combination on or before February 1, 2021, the foregoing provisions regarding the Special Mandatory Redemption will cease to apply.

ARTICLE IV COVENANTS

Section 4.01 Payment of Principal, Premium and Interest.

The Company covenants and agrees that it will duly and punctually pay the principal of (and premium, if any) and interest on the Notes in accordance with the terms of the Notes and this Indenture.

Section 4.02 Maintenance of Office or Agency.

The Company will maintain in each Place of Payment for Notes an office or agency where Notes may be presented or surrendered for payment, where Notes may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each Place of Payment for Notes for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03 Reports to Holders.

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, the Company will file with the Commission and provide the Trustee with such annual and quarterly reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such sections, such information, documents and reports to be so filed and provided at the times specified for the filing of such information, documents and reports under such sections; *provided, however,* that (1) the Company will not be required to provide the Trustee with any such information, documents and reports that are filed with the Commission and (2) the Company will not be so obligated to file such information, documents and reports with the Commission if the Commission does not permit such filings; *provided further, however,* that if the Commission does not permit such filings, the Company will be required to provide to Holders any such information, documents or reports that are not so filed. The Company will also comply with the other provisions of TIA Section 314(a), including the provision of the compliance certificate under TIA Section 314(a)(4), which compliance certificate shall be delivered to the Trustee, commencing with the year 2020. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

(b) Notwithstanding anything herein to the contrary, in the event that the Company fails to comply with its obligation to file or provide such information, documents and reports as required hereunder, the Company will be deemed to have cured such Default for purposes of Section 6.01(4) upon the filing or provision of all such information, documents and reports required hereunder prior to the expiration of 120 days after written notice to the Company of such failure from the Trustee or the Holders of at least 25% of the principal amount of the applicable series of Notes.

(c) For so long as any Restricted Notes are outstanding, the Company agrees that, in order to render such Restricted Notes eligible for resale pursuant to Rule 144A under the Securities Act, it will make available, upon request, to any Holder of Restricted Notes or prospective purchasers of Restricted Notes the information specified in Rule 144A(d)(4), unless the Company furnishes such information to the Commission pursuant to Section 13 or 15(d) of the Exchange Act.

(d) Notwithstanding anything herein to the contrary, the information, documents and reports required pursuant to this Indenture may, at the option of the Company, instead be those of any direct or indirect parent entity of the Company so long as such parent entity fully and unconditionally guarantees, by execution of this Indenture or a supplemental indenture, the obligations of the Company in respect of the Notes and such parent entity and the Company comply with the requirements of Rule 3-10 and Rule 13-01 of Regulation S-X promulgated by the Commission (or any successor provisions).

(e) This Section 4.03, other than subsection (c), shall not apply to the Company prior to the consummation of the Combination.

Section 4.04 Corporate Existence.

Subject to Article V, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a corporation.

Section 4.05 Money for Notes Payments To Be Held in Trust.

If the Company shall at any time act as its own Paying Agent with respect to the Notes, it will, on or before each due date of the principal of (and premium, if any) or interest on any of the Notes, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have a Paying Agent for the Notes, it will, prior to 11:00 a.m., New York City time, on each due date of the principal of (and premium, if any) or interest on the Notes, deposit with the Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause the Paying Agent, other than the Trustee, to execute and deliver to the Trustee an instrument in which the Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that the Paying Agent will:

- (a) hold all sums held by it for the payment of the principal of (and premium, if any) or interest on the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (b) give the Trustee notice of any default by the Company (or any other obligor upon the Notes) in the making of any payment of principal (and premium, if any) or interest on the Notes; and
- (c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by the Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct the Paying Agent to pay, to the Trustee all sums held in trust by the Company or the Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or the Paying Agent; and, upon such payment by the Paying Agent to the Trustee, the Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or the Paying Agent, or then held by the Company, in trust for the payment of the principal of (and premium, if any) or interest on the Notes and remaining unclaimed for three years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Company on Company Order, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or the Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or the Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in New York, New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 4.06 Payment of Taxes and Other Claims.

The Company will pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Company or any Subsidiary of the Company or upon the income, profits or property of the Company or any Subsidiary of the Company, and (2) all lawful claims against the Company or any Subsidiary of the Company for labor, materials and supplies, which in the case of either clause (1) or (2) of this Section 4.06, if unpaid, might by law become a lien upon a Property; *provided, however*, that neither the Company nor any Subsidiary of the Company shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

Section 4.07 Limitation on Liens.

The Company will not, and will not permit any Subsidiary of the Company to, directly or indirectly, Incur or permit to exist any Lien (the “*Initial Lien*”) of any nature whatsoever on any of its properties (including Capital Stock of a Subsidiary of the Company), whether owned on the Issue Date or thereafter acquired, securing any Indebtedness of the Company or a Domestic Subsidiary of the Company, other than Permitted Liens, without effectively providing that the Notes shall be secured equally and ratably with (or prior to) such Indebtedness so secured for so long as such Indebtedness is so secured.

Any Lien created for the benefit of the Holders pursuant to this Section 4.07 shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

Section 4.08 Purchase of Notes Upon a Change of Control Repurchase Event.

(a) If a Change of Control Repurchase Event occurs with respect to a series of Notes, each Holder of such series of Notes will have the right to require that the Company purchase all or any part (in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof) of such Holder’s Notes of such series pursuant to a Change of Control offer (a “*Change of Control Offer*”) on the terms set forth in this Indenture. In the Change of Control Offer, the Company will offer to purchase all of the Notes of such series at a purchase price (the “*Change of Control Purchase Price*”) in cash in an amount equal to 101% of the principal amount of such series of Notes, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of purchase (the “*Change of Control Purchase Date*”). If the Change of Control Purchase Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to purchase by the Company.

(b) Within 30 days after any Change of Control Repurchase Event with respect to a series of Notes or, at the Company’s option, prior to such Change of Control but after it is publicly announced (*provided* that a definitive agreement is in place for such Change of Control), the Company must cause written notice of the Change of Control Repurchase Event to be distributed to the Trustee, and the Trustee will then promptly forward (at the Company’s sole expense) such notice to each Holder of such series of Notes at its address appearing in the security register or otherwise in accordance with the procedures of the Depository. The notice must state, among other things:

- (1) that a Change of Control Repurchase Event has occurred or may occur with respect to such series of Notes and the date of such event;
- (2) the purchase price and the purchase date which shall be fixed by the Company on a Business Day no earlier than 10 days nor later than 60 days from the date the notice is transmitted, or such later date as is necessary to comply with requirements under the Exchange Act; *provided* that the purchase date may not occur prior to the Change of Control;
- (3) that any Note of such series not tendered will continue to accrue interest;

(4) that, unless the Company defaults in the payment of the Change of Control Purchase Price with respect to a series of Notes, any Notes of such series accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Purchase Date; and

(5) other procedures that a Holder of Notes of such series must follow to accept a Change of Control Offer or to withdraw acceptance of the Change of Control Offer.

(c) The Company will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act, and any other applicable securities laws or regulations in connection with a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.08, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.08 by virtue of its compliance with such securities laws or regulations. The Company will not be required to make a Change of Control Offer upon a Change of Control Repurchase Event if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements described in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (ii) the Company has exercised the right to redeem all of the Notes of such series pursuant to Section 3.07.

(d) On the Change of Control Purchase Date, the Company will, to the extent permitted by law:

(1) accept for payment all Notes of each applicable series or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Purchase Price in respect of all Notes of each applicable series or portions thereof so tendered; and

(3) deliver, or cause to be delivered, to the Trustee for cancellation of the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Company.

Section 4.09 Restrictions on Sale Leaseback Transactions.

Neither the Company nor any Domestic Subsidiary of the Company will enter into any Sale Leaseback Transaction with respect to any property unless:

(a) the Company or such Domestic Subsidiary would be entitled to create a Lien on such property securing Attributable Debt without equally and ratably securing the Notes pursuant to Section 4.07; and

(b) the gross proceeds received by the Company or such Domestic Subsidiary in connection with such Sale Leaseback Transaction are at least equal to the Fair Market Value of such property.

Notwithstanding the foregoing, the Company or any Domestic Subsidiary of the Company may enter into a Sale Leaseback Transaction if (x) during the twelve months following the effective date of the Sale Leaseback Transaction, the Company or any such Domestic Subsidiary applies an amount equal to the greater of the net proceeds of such sale or transfer and the Fair Market Value of the property that the Company or such Domestic Subsidiary leases in the transaction to (i) the voluntary retirement of the Notes or other Indebtedness of the Company or any Domestic Subsidiary of the Company, *provided* that such Indebtedness ranks *pari passu* or senior to the Notes, or (ii) the acquisition, purchase, construction, development, extension or improvement of any property or assets of the Company or any Domestic Subsidiary of the Company used or to be used by or for the benefit of the Company or any Domestic Subsidiary of the Company in the ordinary course of business, or (y) the Company or such Domestic Subsidiary equally and ratably secures the Notes as described under Section 4.07.

Section 4.10 Mylan Guarantees.

Within one Business Day after the consummation of the Combination, the Company shall cause each of the Mylan Guarantors to enter into the Mylan Guarantors Supplemental Indenture, pursuant to which the Mylan Guarantors will Guarantee the Company's Indenture Obligations, fully and unconditionally and on a senior unsecured basis.

Each Guarantee of a Mylan Guarantor will be limited in amount to an amount not to exceed the maximum amount that can be guaranteed by the applicable Mylan Guarantor without rendering the Guarantee, as it relates to such Mylan Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Notwithstanding the foregoing, any Guarantee by any Mylan Guarantor will be automatically and unconditionally terminated and released, without any action on the part of the Trustee, any holder of the Notes or any other person in accordance with Section 10.07.

Section 4.11 Additional Guarantees.

So long as any Finco Indebtedness remains outstanding, if Finco shall acquire and hold any material assets, other than (i) any intercompany notes or receivables or (ii) any proceeds from any Indebtedness issued by Finco, within 10 Business Days of such event, the Company shall cause Finco to enter into a supplemental indenture pursuant to which Finco shall agree to Guarantee the Company's Indenture Obligations, fully and unconditionally and on a senior unsecured basis, *provided* that in no event shall Finco be required to provide a Guarantee of the Company's Indenture Obligations if the Company reasonably determines that such Guarantee is prohibited by, or would be unduly burdensome under, applicable laws or would result in adverse tax consequences to the Company or any of its Subsidiaries.

Following the consummation of the Combination, if any Subsidiary of the Company that is not a Guarantor of the Company's Indenture Obligations (other than Finco or a Receivables Entity) becomes a guarantor or an obligor in respect of any Triggering Indebtedness, within 10 Business Days of such event, the Company shall cause such Subsidiary to enter into a supplemental indenture pursuant to which such Subsidiary shall agree to Guarantee the Company's Indenture Obligations, fully and unconditionally and on a senior unsecured basis, *provided* that in no event shall a Subsidiary of the Company be required to provide a Guarantee of the Company's Indenture Obligations if the Company reasonably determines that such Guarantee is prohibited by, or would be unduly burdensome under, applicable laws or would result in adverse tax consequences to the Company or any of its Subsidiaries.

Notwithstanding the foregoing, any Guarantee by any Guarantor (other than Pfizer) shall be automatically and unconditionally terminated and released, without any action on the part of the Trustee, any holder of the Notes or any other person in accordance with Section 10.07.

Each Guarantee shall be limited in amount to an amount not to exceed the maximum amount that can be guaranteed by the applicable Guarantor without rendering the Guarantee, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Section 4.12 Compliance Certificate.

(a) The Company and each Guarantor shall deliver to the Trustee, within 120 days after the end of each fiscal year, an Officer's Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium on, if any, or interest, if any, on, the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto.

(b) So long as any of the Notes are outstanding, the Company will deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

Section 4.13 Stay, Extension and Usury Laws.

The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.14 Use of Proceeds.

The Company will use the net proceeds from the offering of the Notes in the manner specified in "Use of Proceeds" contained in the Offering Memorandum, and will not distribute or otherwise transfer such proceeds other than in connection with or following the consummation of the Contribution.

Section 4.15 No Limitations on RMT Transactions.

Notwithstanding anything in this Article IV or elsewhere in this Indenture to the contrary, each of the RMT Transactions will be permitted under this Indenture (and, except as set forth in Section 4.14, in no event shall any of the RMT Transactions be subject to any of the covenants contained in this Indenture).

ARTICLE V
SUCCESSORS

Section 5.01 Consolidation, Merger and Sale of Assets.

(a) The Company will not consolidate with any other entity or accept a merger of any other entity into the Company or permit the Company to be merged into another Person, or sell or lease all or substantially all the assets of the Company and its Subsidiaries to, any entity, unless:

(1) either the Company shall be the continuing entity or the successor, transferee or lessee entity, if other than the Company (the "Successor Company"), shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of the Company under the Notes and this Indenture;

(2) immediately after such transaction, no Default shall have occurred and be continuing; and

(3) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale or lease and such supplemental indenture (if any) comply with this Indenture.

(b) For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets or one or more Subsidiaries of the Company, which properties and assets, if held by the Company instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

(c) The Successor Company will be the successor to the Company and shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture, and the Company, as the predecessor company, except in the case of a lease, shall be released from all obligations under this Indenture and the Notes.

(d) Notwithstanding anything herein to the contrary, each of the RMT Transactions will be permitted under this Indenture (and in no event shall any such transactions be subject to this covenant).

ARTICLE VI DEFAULTS AND REMEDIES

Section 6.01 Events of Default.

Each of the following events shall be an "Event of Default" with respect to the Notes of a series:

(1) a failure to pay interest on the Notes of such series that continues for a period of 30 days after payment is due;

(5) one or more defaults shall have occurred under any of the agreements, indentures or instruments under which the Company or any Significant Subsidiary has outstanding Indebtedness in excess of \$250.0 million, individually or in the aggregate, and either (a) such default results from the failure to pay such Indebtedness at its stated final maturity and such default has not been cured or the Indebtedness repaid in full within 20 days of the default or (b) such default or defaults have resulted in the acceleration of the maturity of such Indebtedness and such acceleration has not been rescinded or such Indebtedness repaid in full within 20 days of the acceleration;

(6) one or more judgments or orders that exceed \$250.0 million in the aggregate (net of amounts covered by insurance or bonded) for the payment of money have been entered by a court or courts of competent jurisdiction against the Company or any Significant Subsidiary and such judgment or judgments have not been satisfied, stayed, annulled or rescinded within 60 days after such judgment or judgments become final and nonappealable;

(7) any Guarantee by a Significant Subsidiary of the Company's Indenture Obligations under the Notes of such series shall for any reason cease to be, or shall for any reason be held in any judicial proceeding not to be, or asserted in writing by any Significant Subsidiary or the Company not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by this Indenture and any such Guarantee by such Significant Subsidiary of the Company's Indenture Obligations under the Notes of such series, and any such Default continues for 10 days;

(F) takes any comparable action under any foreign laws relating to insolvency;

provided, however, that the liquidation of any Subsidiary of the Company into the Company or another Subsidiary of the Company, other than as part of a credit reorganization, shall not constitute an Event of Default under this Section 6.01(8); and

(9) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(B) appoints a Custodian of the Company or any Significant Subsidiary or for any substantial part of their property;

(E) grants any similar relief under any foreign laws;

and in each such case the order or decree remains unstayed and in effect for 60 days.

(10) prior to the consummation of the Distribution, the Pfizer Guarantee shall be held in any judicial proceeding not to be in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by this Indenture or the Guarantee Agreement.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

Section 6.02 Acceleration of Maturity; Rescission.

If an Event of Default with respect to the Notes of a series (other than an Event of Default specified in Sections 6.01(8) and 6.01(9) with respect to the Company) shall have occurred and be continuing, the Trustee or the Holders of at least 25% in outstanding principal amount of the Notes of such series, may declare to be immediately due and payable the principal amount of all of the Notes of such series then outstanding, plus accrued but unpaid interest thereon, if any, to the date of acceleration. If an Event of Default specified in Sections 6.01(8) and 6.01(9) with respect to the Company shall occur, such amount with respect to all the Notes shall become automatically due and payable immediately without any further action or notice. However, a notice of Default or notice of continuing Event of Default (including any declaration of acceleration) with respect to the Notes of any series may not be given with respect to any action taken, and reported publicly or to holders of the Notes of such series, more than two years prior to such notice. After any such acceleration, but before a judgment or decree based on acceleration is obtained by the applicable person, the registered Holders of a majority in principal amount of the then outstanding Notes of such series may cancel such acceleration if (i) the rescission would not conflict with any judgment or decree and (ii) if all existing Events of Default have been cured or waived except nonpayment of principal, that has become due solely because of the acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

Subject to Section 7.01, in case an Event of Default shall occur and be continuing, the Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders of Notes of any series, unless such Holders have offered to the Trustee reasonable security and/or indemnity to its satisfaction. Subject to Section 7.06, the Holders of a majority in aggregate principal amount of any series of Notes then outstanding will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power the Trustee holds with respect to the Notes of such series.

Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, and interest on the Notes of each applicable series or to enforce the performance of any provision of the Notes of each applicable series or this Indenture and may take any necessary action requested of it as Trustee to settle, compromise, adjust or otherwise conclude any proceedings to which it is a party.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. Any such proceeding instituted by the Trustee may be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements of the Trustee and its counsel, be for the ratable benefit of the Holders of the Notes in respect of which such judgment has been recovered. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative, to the extent permitted by law. Any costs associated with actions taken by the Trustee under this Section 6.03 shall be reimbursed to the Trustee by the Company.

Section 6.04 Waiver of Past Defaults and Events of Default.

Provided the Notes of a series are not then due and payable by reason of a declaration of acceleration, the Holders of a majority in principal amount of the then outstanding Notes of such series may on behalf of the Holders of all the affected Notes of such series waive any past Default with respect to such series of Notes and its consequences by providing written notice thereof to the Company and the Trustee, except a Default (1) in the payment of interest on or the principal of any Note or (2) in respect of a covenant or provision hereof which under this Indenture cannot be modified or amended without the consent of the Holder of each outstanding Note affected. In the case of any such waiver, the Company, the Trustee and the Holders of the Notes of the applicable series will be restored to their former positions and rights under this Indenture, respectively; *provided* that no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 6.05 Control by Majority.

The Holders of at least a majority in aggregate principal amount of the outstanding Notes of a series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Notes of such series. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of the affected Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of the Notes.

Section 6.06 Limitation on Suits.

No Holder of the Notes of a series will have any right to institute any proceeding with respect to this Indenture, or for any remedy hereunder, unless:

- (1) the Trustee has failed to institute such proceeding for 60 days after the Holder has previously given to the Trustee written notice of a continuing Event of Default with respect to the Notes of such series;
- (2) the Holders of at least 25% in aggregate principal amount of the outstanding Notes of such series have made a written request, and offered reasonable indemnity, to the Trustee to institute such proceeding as Trustee; and
- (3) the Trustee has not received from the Holders of a majority in aggregate principal amount of the outstanding Notes of such series a direction that is inconsistent with such request.

However, the Holder of any Note will have an absolute and unconditional right to receive payment of the principal of, and premium, if any, or interest on, such Note on or after the date or dates they are to be paid as expressed in such Note and to institute suit for the enforcement of any such payment.

Section 6.07 Rights of Holders To Receive Payment.

Notwithstanding any other provision of this Indenture, except as otherwise provided in Section 8.02(d), the right of any Holder of a Note to receive payment of the principal of or premium, if any, or interest, if any, on such Note (including in connection with an offer to purchase) or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes shall not be impaired or affected without the consent of such Holder. Notwithstanding the foregoing, each Holder of a Note, and each owner of a beneficial interest in a Note, shall be deemed to acknowledge and agree that the release of any Guarantee in accordance with the terms of this Indenture shall not impair the right of such Holder or owner to receive any payment of the principal of or premium, if any, or interest, if any, on such Note, and each such Holder and each such owner, by acquiring any interest in a Note, thereby consents to any such release and waives any and all claims against the Trustee, the Company and any Guarantor in connection with such release.

Section 6.08 Collection Suit by Trustee.

If an Event of Default in payment of principal, premium or interest specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company (or any other obligor on the Notes) for the whole amount of unpaid principal and accrued interest remaining unpaid.

Section 6.09 Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and, unless prohibited by law, shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same after deduction of its charges and expenses to the extent that any such charges and expenses are not paid out of the estate in any such proceedings and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceedings. All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

Section 6.10 Priorities.

Any money or property collected by the Trustee pursuant to this Article VI, and any money or other property distributable in respect of the Company's obligations under this Indenture after an Event of Default shall be applied in the following order:

FIRST: to the Trustee (including any predecessor Trustee) for amounts due under Section 7.06;

SECOND: to Holders for amounts due and unpaid on the affected Notes for principal, premium, if any, and interest (including Additional Interest, if any) as to each, ratably, without preference or priority of any kind, according to the amounts due and payable on the affected Notes; and

THIRD: to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes of a series then outstanding.

Section 6.12 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Notes to exercise any right or remedy occurring upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article VI or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

ARTICLE VII
TRUSTEE

Section 7.01 Duties of Trustee.

(a) If a Responsible Officer of the Trustee has received written notice that an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it under this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture but, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts, statements, opinions or conclusions stated therein).

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of clause (b) or (d) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction of the Holders of a majority in aggregate principal amount of the outstanding Notes of any series, determined as provided herein, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Notes of such series.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Section 7.01.

(f) The Trustee shall not be liable for interest or earnings on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by the law.

(g) The Trustee shall not be responsible for the application of any money by any Paying Agent other than the Trustee.

Section 7.02 Rights of Trustee.

Subject to Section 7.01:

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in its original or facsimile form) believed in good faith by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a board resolution.

(c) Whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may require an Officer's Certificate or an Opinion of Counsel (or both), which shall comply with the requirements of Section 11.02 and, in the absence of bad faith on its part, may conclusively rely upon such Officer's Certificate or Opinion of Counsel (or both). The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel.

(d) The Trustee may execute any of the trusts or power hereunder or perform any duties hereunder either directly or by or through attorneys or agents and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent appointed with due care by it hereunder.

(e) The Trustee shall not be liable for any action taken, suffered, or omitted to be taken in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

(f) The Trustee may consult with counsel of its selection, and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in reliance thereon.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security and/or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books records, and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(j) The Trustee shall not be deemed to have notice or be charged with knowledge of any Default or Event of Default unless written notice of such Default or Event of Default from the Company or any Holder is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(k) The Trustee may request that the Company deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(l) Anything in this Indenture notwithstanding, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), even if the Trustee has been advised as to the likelihood of such loss or damage and regardless of the form of action.

(m) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including, without limitation, any provision of any law or regulation or any act of any Governmental Authority, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action.

(n) The permissive right of the Trustee to take or refrain from taking action hereunder shall not be construed as a duty.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the Company or any Affiliate thereof with the same rights it would have if it were not Trustee. However, in the event that the

Trustee acquires any conflicting interest within the meaning of Section 310(b)(1) of the TIA, it must eliminate such conflict within 90 days or resign; *provided, however*, that there shall be excluded from the operation of TIA §310(b)(1) any indenture or indentures under which other securities or certificates of interest of participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in TIA §310(b)(1) are met, other than the fact that such indentures are not described herein.

Any Agent may do the same with like rights. The Trustee is also subject to Section 7.09.

Section 7.04 Trustee's Disclaimer.

The recitals contained herein and in the Notes, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity, sufficiency or adequacy of this Indenture or of the Notes. The Trustee shall not be accountable for the use or application by the Company of the Notes or the proceeds thereof. The Trustee shall not be responsible to make any calculation with respect to any matter under this Indenture. The Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes and perform its obligations hereunder. The Trustee shall have no duty to monitor or investigate the Company's compliance with or the breach of, or cause to be performed or observed, any representation, warranty or covenant made in this Indenture.

Section 7.05 Notice of Defaults.

Within 90 days after the occurrence thereof, and if known to the Trustee pursuant to Section 7.02(j), the Trustee shall give to the Holders of the Notes of a series notice of each Default or Event of Default with respect to the Notes of such series known to the Trustee pursuant to Section 7.02(j), by transmitting such notice to Holders at their addresses as the same shall then appear on the register of the Notes kept by the Registrar, unless such Default shall have been cured or waived before the giving of such notice. Except in the case of a Default or Event of Default in payment of the principal of, premium, if any, or interest on any of the Notes of a series when and as the same shall become payable, or to make any sinking fund payment as to the Notes of a series (including payments pursuant to a redemption or repurchase of the Notes pursuant to the provisions of this Indenture), the Trustee shall be protected in withholding such notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06 Compensation and Indemnity.

(a) The Company shall pay to the Trustee and Agents from time to time such reasonable compensation for their services hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as shall be agreed upon in writing. The Company shall reimburse the Trustee and Agents upon request for all reasonable disbursements, expenses and advances incurred or made by them in connection with the Trustee's duties under this Indenture, including the reasonable compensation, disbursements and expenses of the Trustee's agents and external counsel, except any such expense, disbursement or advance as may be attributable to its willful misconduct or negligence.

(b) The Company shall fully indemnify each of the Trustee and their officers, agents and employees and any predecessor Trustee for, and hold each of them harmless against, any and all loss, damage, claim, liability or expense, including, without limitation, reasonable and documented attorneys' fees and expenses incurred by each of them in connection with the acceptance or performance of its duties under this Indenture including the reasonable and documented costs and expenses of defending itself against any claim (whether asserted by the Company, or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder (including, without limitation, settlement costs). The Trustee or Agent shall notify the Company in writing promptly of any claim of which a Responsible Officer of the Trustee has received written notice at its Corporate Trust Office asserted against the

Trustee or Agent for which it may seek indemnity; *provided* that the failure by the Trustee or Agent to so notify the Company shall not relieve the Company of its obligations hereunder, except to the extent that the Company has been materially prejudiced thereby. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. In the event that a conflict of interest exists or potential harm to the Trustee's business exists, the Trustee may have separate counsel, which counsel must be reasonably acceptable to the Company and the Company shall pay the reasonable and documented fees and expenses of such counsel.

(c) Notwithstanding the foregoing, the Company need not reimburse the Trustee for any expense or indemnify it against any loss or liability to have been incurred by the Trustee through its own willful misconduct or negligence.

(d) To secure the payment obligations of the Company in this Section 7.06, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee and such money or property held in trust to pay principal of and interest on particular Notes.

(e) The obligations of the Company under this Section 7.06 to compensate and indemnify the Trustee, Agents and each predecessor Trustee and to pay or reimburse the Trustee, Agents and each predecessor Trustee for expenses, disbursements and advances shall be the liability of the Company and the lien provided for under this Section 7.06 and shall survive the resignation or removal of the Trustee and the satisfaction, discharge or other termination of this Indenture for any reason, including any termination or rejection hereof under any Bankruptcy Law.

(f) In addition to, but without prejudice to its other rights under this Indenture, when the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(8) or Section 6.01(9) occurs, the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

(g) For purposes of this Section 7.06, the term "Trustee" shall include any predecessor Trustee; *provided, however*, that the negligence, willful misconduct or bad faith of any Trustee hereunder shall not affect the rights or any other Trustee hereunder.

Section 7.07 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign at any time by so notifying the Company in writing no later than 30 calendar days prior to the date of the proposed resignation. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by notifying the Company and the removed Trustee in writing no later than 30 calendar days prior to the date of the proposed removal and may appoint a successor Trustee with the Company's written consent, which consent shall not be unreasonably withheld. The Company may remove the Trustee at its election if:

- (1) the Trustee fails to comply with Section 7.09;
- (2) the Trustee is adjudged bankrupt or insolvent or an order for relief entered with respect to the Trustee under Bankruptcy Law;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of at least 10% in principal amount of the outstanding Notes may petition at the expense of the Company any court of competent jurisdiction, in the case of the Trustee, for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.09, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Immediately following such delivery, the retiring Trustee shall, subject to the lien and its rights under Section 7.06, transfer all property held by it as Trustee to the successor Trustee, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall transmit notice of its succession to each Holder. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the lien and Company's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

Section 7.08 Successor Trustee by Consolidation, Merger, etc.

Any Person into which the Trustee or any successor to it in the trusts created by this Indenture shall be merged or converted, or any Person with which it or any successor to it shall be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee or any such successor to it shall be a party, or any Person to which the Trustee or any successor to it shall sell or otherwise transfer all or substantially all of the corporate trust business of the Trustee, shall be the successor Trustee under this Indenture without the execution or filing of any paper or any further act on the part of any of the parties hereto; *provided* that such Person shall be otherwise qualified and eligible under this Article VII. In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture with respect to one or more series of Notes, any of such Notes shall have been authenticated but not delivered by the Trustee then in office, any successor to such Trustee may adopt the certificate of authentication of any predecessor Trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee; *provided, however*, that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 7.09 Eligibility; Disqualification.

There will at all times be a Trustee hereunder that is a Person organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power and that is subject to supervision or examination by federal or state authorities. The Trustee (together with its corporate parent) shall have a combined capital and surplus of at least \$100.0 million as set forth in the most recent applicable published annual report of condition.

The Trustee shall not be deemed to have a conflict of interest under or in respect of its duties under this Indenture except and to the extent provided for in Section 310(b)(1) of the TIA, applied as if this Indenture were qualified under such Act; *provided, however*, that there shall be excluded from the operation of TIA §310(b)(1) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in TIA §310(b)(1) are met, other than the fact that such indentures are not described herein.

Section 7.10 Reports by Trustee to Holders.

If required by TIA § 313(a), within 60 days after June 15 of any year, commencing 2020, the Trustee shall transmit to each Holder a brief report dated as of such date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA § 313(b)(2). The Trustee shall also transmit all reports as required by TIA § 313(c) and comply with TIA § 313(d).

Section 7.11 Preferential Collection of Claims Against Company.

The Trustee shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE VIII
AMENDMENT, SUPPLEMENT AND WAIVER

Section 8.01 Without Consent of Holders.

The Company, the Guarantors and the Trustee may modify or amend this Indenture without the consent of any Holder of a Note of any series to:

- (1) cure any ambiguity, defect, mistake or inconsistency in this Indenture;
- (2) provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) comply with the provisions of Section 4.10, 4.11 or 5.01, including to provide for or evidence the release of any Guarantor in accordance with Section 10.07;
- (4) evidence and provide for the acceptance of appointment by a successor Trustee;
- (5) if required by the requirements of the Commission, comply with any requirements of the Commission in connection with the qualification of this Indenture under the TIA;
- (6) make any change that would provide any additional rights or benefits to the Holders of the Notes of such series or that does not adversely affect in any material respect the legal rights under this Indenture of any such Holder;
- (7) secure any series of Notes;
- (8) provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture;
- (9) add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Guarantor;
- (10) conform the text of this Indenture, the Notes or the Guarantees to any provision of the "Description of Notes" contained in the Offering Memorandum; and
- (11) allow any Guarantor (including the Mylan Guarantors) to execute a supplemental indenture and/or Guarantee with respect to the Notes of any series.

Upon the written request of the Company accompanied by a board resolution of the Board of Directors authorizing the execution of any such supplemental indenture and upon receipt by the Trustee of the documents described in Section 8.05, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture, in which case the Trustee may, but shall not be obligated to, enter into such supplemental indenture.

Section 8.02 With Consent of Holders.

(a) The Company, the Guarantors and the Trustee may modify or amend this Indenture as it applies to a series of Notes with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes of such series affected by the modification or amendment (including consents obtained in connection with a tender offer or exchange offer for Notes of such series), and any past default or compliance with any provisions of this Indenture relating to a series of Notes may also be waived (except a default in the payment of principal, premium or interest and a default under clause (b) of this Section 8.02) with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes of such series.

(b) However, no such modification or amendment may, without the consent of each Holder of Notes of a series affected thereby:

(1) extend the due date of the principal of, or any installment of principal of or interest on, the Notes of such series;

(2) reduce the principal amount of, or any premium or interest rate on, the Notes of such series;

(3) change the place or currency of payment of principal of, or any premium or interest on, the Notes of such series;

(4) reduce the amount payable upon the redemption of any Note of such series;

(5) impair the right to institute suit for the enforcement of any payment on or with respect to the Notes of such series after the due date thereof; or

(6) reduce the percentage in principal amount of the then outstanding Notes of such series, the consent of whose Holders is required for modification or amendment of this Indenture, for waiver of compliance with certain provisions of this Indenture or for waiver of certain defaults.

(c) The Holders of a majority of the principal amount of then outstanding Notes of any series may waive future compliance with certain restrictive covenants of this Indenture applicable to such series of Notes. The Holders of at least a majority in principal amount of then outstanding Notes of a series may waive any past default under this Indenture with respect to such series, except a failure by the Company to pay the principal of, or any premium or interest on, any Notes of such series or a provision that cannot be modified or amended without the consent of the Holders of all outstanding Notes of such series.

(d) Notwithstanding anything to the contrary, any waiver or modification in accordance with Section 3.08(d), with the exception of the Special Mandatory Redemption Price, shall require the written consent of Holders of at least 66 2/3% in principal amount of that series of Notes outstanding. The Special Mandatory Redemption Price may not be waived or modified for any series of Notes without the written consent of each Holder of Notes of a series affected thereby.

(e) In determining whether the Holders of the required principal amount of a series of Notes have concurred in any direction, notice, waiver or consent, Notes owned by the Company, any Subsidiary of the Company, or by any Affiliate of the Company will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in conclusively relying on any such direction, notice, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

(f) It is not necessary for the consent of the Holders under this Section 8.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment that requires the consent of the Holders of the affected Notes becomes effective, the Company shall transmit to each registered Holder of the affected Notes at such Holder's address appearing in the security register a notice briefly describing such amendment. However, the failure to give such notice to all Holders of such Notes, or any defect therein, shall not impair or affect the validity of the amendment.

Upon the written request of the Company accompanied by a board resolution of the Board of Directors authorizing the execution of any such supplemental indenture, and upon the receipt by the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders as aforesaid and upon receipt by the Trustee of the documents described in Section 8.05, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture, in which case the Trustee may, but shall not be obligated to, enter into such supplemental indenture.

Section 8.03 Revocation and Effect of Consents.

After an amendment, supplement, waiver or other action becomes effective, a consent to it by a Holder of a Note is a continuing consent conclusive and binding upon such Holder and every subsequent Holder of the same Note or portion thereof, and of any Note issued upon the transfer thereof or in exchange therefor or in place thereof, even if notation of the consent is not made on any such Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date unless the consent of the requisite number of Holders has been obtained.

Section 8.04 Notation on or Exchange of Notes.

If an amendment, supplement, or waiver changes the terms of a Note, the Trustee (in accordance with the specific written direction of the Company) shall request the Holder of the Note (in accordance with the specific written direction of the Company) to deliver it to the Trustee. In such case, the Trustee shall place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article VIII if the amendment, supplement or waiver does not affect the rights, duties, liabilities or immunities of the Trustee. If it does affect the rights, duties, liabilities or immunities of the Trustee, the Trustee may, but need not, sign such amendment, supplement or waiver. In signing or refusing to sign such amendment, supplement or waiver the Trustee shall be entitled to receive and, subject to Section 7.01, shall be fully protected in relying upon an Officer's Certificate and an Opinion of Counsel stating, in addition to the matters required by Section 11.02, that such amendment, supplement or waiver is authorized or permitted by this Indenture.

ARTICLE IX
SATISFACTION AND DISCHARGE OF INDENTURE; DEFEASANCE

Section 9.01 Satisfaction and Discharge of Liability on Notes; Defeasance.

(a) This Indenture will be discharged and will cease to be of further effect with respect to any series of Notes (except as to rights of registration of transfer or exchange of Notes and rights to receive principal of and premium, if any, and interest on such Notes) as to all outstanding Notes of such series issued hereunder when:

(1) either:

(A) all the Notes of such series that have been authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from this trust) have been delivered to the Trustee for cancellation, or

(B) all Notes of such series not delivered to the Trustee for cancellation otherwise (i) have become due and payable, (ii) will become due and payable, or are to be called for redemption, within one year or (iii) have been called for redemption pursuant to the terms of this Indenture and, in any case, the Company or any Guarantor has deposited or caused to be deposited with the Trustee as trust funds, in trust solely for the benefit of the Holders of such Notes, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as will be sufficient (without consideration of any reinvestment of interest) to pay and discharge the entire Indebtedness (including all principal and accrued interest) on the Notes of such series not theretofore delivered to the Trustee for cancellation,

(2) the Company or any Guarantor has paid all sums payable by it under this Indenture, and

(3) the Company has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes of such series at maturity or on the Redemption Date, as the case may be.

In addition, the Company must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent to satisfaction and discharge have been complied with.

(b) Subject to clause (c) of this Section 9.01 and Section 9.02, the Company may, at its option and at any time, elect to have its obligations and the obligations of the Guarantors discharged with respect to the outstanding Notes of a series ("*Legal Defeasance*"). Legal Defeasance means that the Company and the Guarantors shall be deemed to have paid and discharged the entire indebtedness represented by the Notes of such series and the related Guarantees, and this Indenture shall cease to be of further effect as to all outstanding Notes of such series and the related Guarantees, except as to:

(1) the rights of Holders of such series of Notes issued under this Indenture to receive payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due solely out of the trust created pursuant to this Indenture;

(2) the Company's obligations with respect to such series of Notes concerning issuing temporary Notes under Section 2.11, registration of Notes under Section 2.04, mutilated, destroyed, lost or stolen Notes under Section 2.08, and the maintenance of an office or agency for payment under Section 2.04 and money for security payments held in trust under Section 2.05;

(3) the rights, powers, trust, duties, and immunities of the Trustee, and the Company's obligation in connection therewith; and

(4) the applicable provisions of this Article IX.

In addition, the Company may, at its option and at any time, elect to have its obligations and the obligations of the Guarantors released with respect to (A) their respective obligations under Sections 4.03 and 4.07 through 4.12 with respect to the outstanding Notes of a series and (B) the operation of Sections 6.01(5), (6), (7) or (8) (only as such clauses (7) or (8) apply to Significant Subsidiaries) ("*Covenant Defeasance*") on and after the conditions in Section 9.02 with respect to Covenant Defeasance are satisfied, and thereafter any omission to comply with such obligations shall not constitute a Default or Event of Default with respect to such Notes. The Company may exercise its Legal Defeasance option regardless of whether it previously exercised Covenant Defeasance.

(c) If the Company exercises its Legal Defeasance option, payment of the Notes of such series may not be accelerated because of an Event of Default with respect thereto.

(d) Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(e) Notwithstanding clauses (a) and (b) of this Section 9.01, the Company's obligations in Sections 2.04, 2.06, 2.07, 2.08, 7.06, 9.05 and 9.06 shall survive with respect to such series of Notes until such time as the Notes of such series have been paid in full. Thereafter, the Company's obligations in Sections 7.06, 9.05 and 9.06 shall survive.

Section 9.02 Conditions to Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes of any series:

(a) the Company must irrevocably deposit with the Trustee or other agent, as trust funds, in trust solely for the benefit of the Holders of the Notes of such series U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as will be sufficient (without consideration of any reinvestment of interest) in the opinion of a nationally recognized firm of independent public accountants selected by the Company, to pay the principal of, premium, if any, and interest on the Notes of such series on the stated date for payment or on the Redemption Date of the principal or installment of principal of, premium, if any, or interest on such series of Notes;

(b) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of Notes of such series will not recognize income, gain or loss for U.S. federal income tax purposes solely as a result of the Legal Defeasance and will be subject to U.S.

federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred, which opinion must be based either on a change in the applicable U.S. federal income tax laws or regulations occurring after the date of the Offering Memorandum, or the Company having received a ruling from, or published by, the Internal Revenue Service to that effect;

(c) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of Notes of such series will not recognize income, gain or loss for U.S. federal income tax purposes solely as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the Covenant Defeasance had not occurred;

(d) no Default or Event of Default (other than a Default or Event of Default resulting from borrowing funds to be applied to make such deposit (and any similar concurrent deposit relating to other Indebtedness) or the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(e) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance; as the case may be, have been complied with.

Notwithstanding the foregoing provisions of this Section 9.02, the conditions set forth in the foregoing subsections (b), (c), (d) and (e) need not be satisfied so long as, at the time the Company makes the deposit described in subsection (a), (i) no Default under clauses (1), (2), (8) and (9) under Section 6.01 has occurred and is continuing on the date of such deposit and after giving effect thereto, and (ii) either (x) a notice of redemption has been transmitted providing for redemption of all the Notes of such series not more than 60 days after such transmission and the requirements for such redemption shall have been complied with or (y) the Stated Maturity of the Notes of such series will occur within 60 days. If the conditions in the preceding sentence are satisfied, the Company shall be deemed to have exercised its Covenant Defeasance option.

If the funds deposited with the Trustee or other agent to effect Covenant Defeasance are insufficient to pay the principal of and interest on the Notes of the applicable series when due, then the Company's obligations and the obligations of Guarantors under this Indenture will be revived with respect to such series and no such defeasance will be deemed to have occurred.

Section 9.03 Deposited Money and U.S. Government Obligations To Be Held in Trust; Other Miscellaneous Provisions.

All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee or other agent pursuant to Section 9.02(a) in respect of the outstanding Notes of a series shall be held in trust and applied by the Trustee or other agent, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent, to the Holders of such Notes, of all sums due and to become due thereon in respect of principal, premium, if any, and accrued interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee or other agent against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 9.02(a) or the principal, premium, if any, and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article IX to the contrary notwithstanding, the Trustee or other agent shall deliver or pay to the Company from time to time upon a request of the Company any money or U.S. Government Obligations held by it as provided in Section 9.02(a) which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee or other agent, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 9.04 Reinstatement.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 9.01 by reason of any legal proceeding or by reason of any order or judgment of any court or U.S. Governmental Authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the applicable Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article IX until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with Section 9.01; *provided* that if the Company has made any payment of principal of, premium, if any, or accrued interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

Section 9.05 Moneys Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture, all moneys then held by any Paying Agent under the provisions of this Indenture shall, upon written demand of the Company, be paid to the Trustee, or if sufficient moneys have been deposited pursuant to Section 9.02(a), to the Company upon a request of the Company, and thereupon the Paying Agent shall be released from all further liability with respect to such moneys.

Section 9.06 Moneys Held by Trustee.

Any moneys deposited with the Trustee or any Paying Agent or then held by the Company in trust for the payment of the principal of, or premium, if any, or interest on any Note that are not applied but remain unclaimed by the Holder of such Note for two years after the date upon which the principal of, or premium, if any, or interest on such Note shall have respectively become due and payable shall be repaid to the Company upon a request of the Company, or if such moneys are then held by the Company in trust, such moneys shall be released from such trust; and the Holder of such Note entitled to receive such payment shall thereafter, as an unsecured general creditor, look only to the Company for the payment thereof, and all liability of the Trustee or the Paying Agent with respect to such trust money shall thereupon cease; *provided* that the Trustee or the Paying Agent, before being required to make any such repayment, may, at the expense of the Company either transmit to each Holder affected, at the address shown in the register of the Notes maintained by the Registrar pursuant to Section 2.04, or cause to be published once a week for two successive weeks, in a newspaper published in the English language, customarily published each Business Day and of general circulation in the City of New York, New York, a notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such transmission or publication, any unclaimed balance of such moneys then remaining will be repaid to the Company. After payment to the Company or the release of any money held in trust by the Company, Holders entitled to the money must look only to the Company for payment as general creditors unless applicable abandoned property law designates another Person.

ARTICLE X
GUARANTEES

Section 10.01 Guarantee.

(a) Each Guarantor, hereby jointly and severally, absolutely, unconditionally and irrevocably guarantees the Notes and obligations of the Company hereunder and thereunder, and guarantees to each Holder of a Note authenticated and delivered by the Trustee, and to the Trustee on behalf of such Holder, that (i) the

principal of (and premium, if any) and interest on the Notes will be paid in full when due, whether at Stated Maturity, by acceleration or otherwise (including, without limitation, the amount that would become due but for the operation of any automatic stay provision of any Bankruptcy Law), together with interest on the overdue principal, if any, and interest on any overdue interest, to the extent lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be paid in full or performed, all in accordance with the terms hereof and thereof; and (ii) in case of any extension of time of payment or renewal of any Notes or of any such other obligations, the same will be paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise, subject, however, in the case of clauses (i) and (ii) above, to the limitations set forth in Section 10.03.

Each Guarantor hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of Notes with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor.

(b) Each Guarantor hereby waives (to the extent permitted by law) the benefits of diligence, presentment, demand for payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company or any other Person, protest, notice and all demands whatsoever and covenants that the Guarantee of such Guarantor shall not be discharged as to the 2022 Notes, the 2025 Notes, the 2027 Notes, the 2030 Notes, the 2040 Notes or the 2050 Notes, as the case may be, except by complete performance of the obligations contained in such Notes, this Indenture and such Guarantee. Each Guarantor acknowledges that the Guarantee is a guarantee of payment and not of collection. Each of the Guarantors hereby agrees that, in the event of a default in payment of principal (or premium, if any) or interest on such Note, whether at its Stated Maturity, by acceleration, purchase or otherwise, legal proceedings may be instituted by the Trustee on behalf of, or by, the Holder of such Note, subject to the terms and conditions set forth in this Indenture, directly against each of the Guarantors to enforce such Guarantor's Guarantee without first proceeding against the Company or any other Guarantor. Each Guarantor agrees that if, after the occurrence and during the continuance of an Event of Default, the Trustee or any of the Holders are prevented by applicable law from exercising their respective rights to accelerate the maturity of the Notes, to collect interest on the Notes, or to enforce or exercise any other right or remedy with respect to the Notes, such Guarantor will pay to the Trustee for the account of the Holders, upon demand therefor, the amount that would otherwise have been due and payable had such rights and remedies been permitted to be exercised by the Trustee or any of the Holders.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company or any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or any Guarantor, any amount paid by any of them to the Trustee or such Holder, the Guarantee of each of the Guarantors, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Guarantor further agrees that, as between each Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (x) subject to this Article X, the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI for the purposes of the Guarantee of such Guarantor, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any acceleration of such obligations as provided in Article VI, such obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of the Guarantee of such Guarantor.

(d) Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be

effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes, whether as a “voidable preference”, “fraudulent transfer” or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(e) To evidence its Guarantee, each Guarantor hereby agrees that a Notation of Guarantee substantially in the form attached as Exhibit G hereto will be endorsed by an Officer of such Guarantor on each Note authenticated and delivered to the Trustee and that this Indenture or a Supplemental Indenture to this Indenture will be executed on behalf of such Guarantor by one of its Officers. Each Guarantor hereby agrees that its Guarantee will remain in full force and effect notwithstanding any failure to endorse on each Note a Notation of Guarantee. The delivery of any Note by the Trustee, after the authentication thereof hereunder, will be deemed to constitute due delivery of the Notation of Guarantee set forth in this Indenture by the Guarantors. If an Officer whose signature is on this Indenture or on the Notation of Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Notation of Guarantee is endorsed, the Notation of Guarantee will be valid nevertheless.

(f) This Article X shall not apply to Pfizer or the Pfizer Guarantee.

Section 10.02 Severability.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 10.03 Limitation of Liability.

Each Guarantor and by its acceptance hereof each Holder confirms that it is the intention of all such parties that the guarantee by each such Guarantor pursuant to its Guarantee not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law or the provisions of its local law relating to fraudulent transfer or conveyance. To effectuate the foregoing intention, the Holders and each such Guarantor hereby irrevocably agree that the obligations of such Guarantor under its Guarantee shall be limited to the maximum amount that will not, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to this Article X, result in the obligations of such Guarantor under its Guarantee constituting such fraudulent transfer or conveyance.

Section 10.04 Contribution.

In order to provide for just and equitable contribution among the Guarantors, the Guarantors agree, *inter se*, that in the event any payment or distribution is made by any Guarantor under a Guarantee, such Guarantor will be entitled to a contribution from any other Guarantor in a *pro rata* amount based on the net assets of each Guarantor determined in accordance with GAAP.

Section 10.05 Subrogation.

Each Guarantor shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01; *provided, however*, that if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

Section 10.06 Reinstatement.

Each Guarantor hereby agrees (and each Person who becomes a Guarantor shall agree) that the Guarantee provided for in Section 10.01 shall continue to be effective or be reinstated, as the case may be, if at any time, payment, or any part thereof, of any obligations or interest thereon is rescinded or must otherwise be restored by a Holder to the Company upon the bankruptcy or insolvency of the Company or any Guarantor.

Section 10.07 Release of a Guarantor.

Any Guarantee issued by any Guarantor under this Indenture (which, for the avoidance of doubt, shall not include the Pfizer Guarantee) shall be automatically and unconditionally terminated and released, without any action on the part of the Trustee, any holder of the Notes or any other person, upon:

(1) a sale or disposition of such Guarantor in a transaction that complies with this Indenture such that such Guarantor ceases to be a Subsidiary of the Company;

(2) with respect to any series of Notes, if the Company exercises its Legal Defeasance option or its Covenant Defeasance option with respect to such series of Notes or if the Company's obligations under this Indenture are discharged with respect to such series of Notes in accordance with the terms of this Indenture;

(3) (a) in the case of any Guarantee by Finco, upon Finco no longer holding any material assets, other than (i) any intercompany notes or receivables or (ii) any proceeds from any Indebtedness issued by Finco and (b) in the case of any Guarantee by any Guarantor other than Pfizer or Finco, upon such Guarantor no longer being an issuer or guarantor in respect of (i) Mylan Notes that have an aggregate principal amount in excess of \$500.0 million or (ii) any Triggering Indebtedness, in each case, other than in respect of Indebtedness or Guarantees, as applicable, that are being concurrently released; or

(4) with respect to any series of Notes, upon receipt of the consent of the Holders of a majority of the aggregate principal amount of the outstanding Notes of such series in accordance with Section 8.02.

Section 10.08 Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that its respective Guarantee is knowingly made in contemplation of such benefits.

(1) Interest. Upjohn Inc., a Delaware corporation, as issuer (the “*Company*”), promises to pay, until the principal hereof is paid or made available for payment, interest on the principal amount set forth on the face hereof at a rate of 1.125% per annum. Interest on the 1.125% Senior Notes due 2022 (the “*Notes*”) will accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including June 22, 2020 to but excluding the date on which interest is paid. Interest shall be payable in arrears on each June 22 and December 22, commencing on December 22, 2020. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months. The Company shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at the rate borne by the Notes.

(2) Method of Payment. The Company will pay interest to those persons who were holders of record at the close of business on the June 7 and December 7, as the case may be, immediately preceding each Interest Payment Date. Interest on the Notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. If any interest payment date for the Notes falls on a day that is not a Business Day, then payment of interest may be made on the next succeeding Business Day and no interest shall accrue because of such delayed payment.

(3) Paying Agent and Registrar. Initially, The Bank of New York Mellon (the “*Trustee*”) will act as a Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to the Holders. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(5) Optional Redemption. At any time and from time to time, the Company may redeem some or all of the Notes upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to the greater of:

(1) 100% of the aggregate principal amount of the Notes being redeemed, and

(2) the sum of the present values, as calculated by the Company, of the remaining scheduled payments of principal and interest on the Notes being redeemed that would be due if the Notes matured on the Maturity Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Company.

(6) Redemption Procedures. If the Company elects to redeem less than all of the Notes at any time, in the case of Notes issued in definitive form, the Trustee will select Notes by lot on a *pro rata* basis (or, in the case of Global Notes, the Notes will be selected in accordance with the applicable procedures of the relevant Depository) unless an alternative method of selection is otherwise required by law or applicable stock exchange or Depository requirements. The Company will redeem Notes of \$2,000 or less in whole and not in part. For all purposes of the Indenture, unless the context otherwise requires, provisions of the Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

(7) Notice of Redemption. Notices of redemption pursuant to Section 5 of this Note shall be provided in accordance with Section 3.03 of the Indenture.

(8) Special Mandatory Redemption. Prior to the consummation of the Contribution, the Distribution and the Combination, the Notes will be subject to the Special Mandatory Redemption provisions set forth in Section 3.08 of the Indenture.

(10) Persons Deemed Owners. The Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Note for all purposes whatsoever.

(11) Unclaimed Money. If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Company at its request or, if such money is then held by the Company in trust, such money shall be released from such trust. After that, Holders entitled to the money must look only to the Company for payment as general creditors unless applicable abandoned property law designates another Person.

(12) Amendment, Supplement, Waiver, Etc. The Company, the Guarantors and the Trustee may modify or amend the Indenture without the consent of any Holder to, among other things, cure any ambiguity, defect, mistake or inconsistency in the Indenture or make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect in any material respect the legal rights under the Indenture of the Holder. Except as otherwise provided in the Indenture, other amendments and modifications of the Indenture or the Notes may be made by the Company and the Trustee with the consent of the Holders of a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of each of the Holders of the Notes to be affected.

(13) Purchase of Notes Upon a Change of Control Repurchase Event. If a Change of Control Repurchase Event occurs, each Holder of Notes will have the right to require that the Company purchase all or any part (in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof) of such Holder's Notes pursuant to a Change of Control offer (a "*Change of Control Offer*") on the terms set forth in the Indenture. If the Change of Control Purchase Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to purchase by the Company.

(14) Successor Entity. When a successor entity assumes all the obligations of its predecessor under the Notes and the Indenture and the transaction complies with the terms of Article V of the Indenture, the predecessor entity will, except as provided in Article V, be released from those obligations.

(15) Defaults and Remedies. Events of Default are set forth in the Indenture. This is one of an issue of Notes of the Company issued, or to be issued, under the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of them. Capitalized and certain other terms used and not otherwise defined herein have the meanings set forth in the Indenture.

(5) Optional Redemption. At any time and from time to time prior to the Applicable Par Call Date, the Company may redeem some or all of the Notes upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to the greater of:

(1) 100% of the aggregate principal amount of the Notes being redeemed, and

(2) the sum of the present values, as calculated by the Company, of the remaining scheduled payments of principal and interest on the Notes being redeemed that would be due if the Notes matured on the Applicable Par Call Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 25 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

On or after the Applicable Par Call Date, the Notes will be redeemable in whole at any time or in part, from time to time, at the option of the Company, upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Company.

(6) Redemption Procedures. If the Company elects to redeem less than all of the Notes at any time, in the case of Notes issued in definitive form, the Trustee will select Notes by lot on a *pro rata* basis (or, in the case of Global Notes, the Notes will be selected in accordance with the applicable procedures of the relevant Depository) unless an alternative method of selection is otherwise required by law or applicable stock exchange or Depository requirements. The Company will redeem Notes of \$2,000 or less in whole and not in part. For all purposes of the Indenture, unless the context otherwise requires, provisions of the Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

(7) Notice of Redemption. Notices of redemption pursuant to Section 5 of this Note shall be provided in accordance with Section 3.03 of the Indenture.

(8) Special Mandatory Redemption. Prior to the consummation of the Contribution, the Distribution and the Combination, the Notes will be subject to the Special Mandatory Redemption provisions set forth in Section 3.08 of the Indenture.

(9) Denominations, Transfer, Exchange. The Notes shall be issuable only in fully registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture.

(10) Persons Deemed Owners. The Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Note for all purposes whatsoever.

(11) Unclaimed Money. If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Company at its request or, if such money is then held by the Company in trust, such money shall be released from such trust. After that, Holders entitled to the money must look only to the Company for payment as general creditors unless applicable abandoned property law designates another Person.

(12) Amendment, Supplement, Waiver, Etc. The Company, the Guarantors and the Trustee may modify or amend the Indenture without the consent of any Holder to, among other things, cure any ambiguity, defect, mistake or inconsistency in the Indenture or make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect in any material respect the legal rights under the Indenture of the Holder. Except as otherwise provided in the Indenture, other amendments and modifications of the Indenture or the Notes may be made by the Company and the Trustee with the consent of the Holders of a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of each of the Holders of the Notes to be affected.

(13) Purchase of Notes Upon a Change of Control Repurchase Event. If a Change of Control Repurchase Event occurs, each Holder of Notes will have the right to require that the Company purchase all or any part (in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof) of such Holder's Notes pursuant to a Change of Control offer (a "*Change of Control Offer*") on the terms set forth in the Indenture. In the Change of Control Offer, the Company will offer to purchase all of the Notes at a purchase price in cash in an amount equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of purchase (the "*Change of Control Purchase Date*"). If the Change of Control Purchase Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to purchase by the Company.

(14) Successor Entity. When a successor entity assumes all the obligations of its predecessor under the Notes and the Indenture and the transaction complies with the terms of Article V of the Indenture, the predecessor entity will, except as provided in Article V, be released from those obligations.

(15) Defaults and Remedies. Events of Default are set forth in the Indenture. Subject to certain limitations in the Indenture, if an Event of Default with respect to the Notes (other than an Event of Default specified in Sections 6.01(8) and 6.01(9) of the Indenture with respect to the Company) shall have occurred and be continuing, the Trustee or the Holders of at least 25% in outstanding principal amount of the Notes may declare to be immediately due and payable the principal amount of all of the Notes then outstanding, plus accrued and unpaid interest thereon, if any, to the date of acceleration. If an Event of Default specified in Sections 6.01(8) and 6.01(9) of the Indenture with respect to the Company shall occur, such amount with respect to all the Notes shall become automatically due and payable immediately without any further action or notice. The Trustee shall be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee security and/or indemnity satisfactory to the Trustee. Except in the case of a Default or Event of Default in payment of the principal of, premium, if any, or interest on any Note (including payments pursuant to a redemption or repurchase of the Notes pursuant to the provisions of the Indenture), the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.

(16) Trustee Dealings with Company. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the Company or any Affiliate thereof with the same rights it would have if it were not Trustee.

(17) No Recourse Against Others. No past, present or future director, member, partner, officer, employee or equityholder of the Company, any Guarantor or any of their respective Subsidiaries will have any liability for any of the Company's or such Guarantor's obligations under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation (other than the Guarantors in respect of their respective Guarantees and the Company in respect of the Notes). Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(18) Discharge. The Company's obligations pursuant to the Indenture will be discharged, except for obligations pursuant to certain sections thereof, subject to the terms of the Indenture, upon the payment or cancellation of all the Notes or upon the irrevocable deposit with the Trustee of United States Dollars or U.S. Government Obligations sufficient to pay when due principal of and interest on the Notes at maturity or redemption, as the case may be.

(19) Guarantees. The Company's obligations under the Notes are jointly and severally, fully and unconditionally guaranteed, to the extent set forth in the Indenture or the Guarantee Agreement, as applicable, by each of the Guarantors.

(1) Interest. Upjohn Inc., a Delaware corporation, as issuer (the “*Company*”), promises to pay, until the principal hereof is paid or made available for payment, interest on the principal amount set forth on the face hereof at a rate of 2.300% per annum. Interest on the 2.300% Senior Notes due 2027 (the “*Notes*”) will accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including June 22, 2020 to but excluding the date on which interest is paid. Interest shall be payable in arrears on each June 22 and December 22, commencing on December 22, 2020. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months. The Company shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at the rate borne by the Notes.

(2) Method of Payment. The Company will pay interest to those persons who were holders of record at the close of business on the June 7 and December 7, as the case may be, immediately preceding each Interest Payment Date. Interest on the Notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. If any interest payment date for the Notes falls on a day that is not a Business Day, then payment of interest may be made on the next succeeding Business Day and no interest shall accrue because of such delayed payment.

(3) Paying Agent and Registrar. Initially, The Bank of New York Mellon (the “*Trustee*”) will act as a Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to the Holders. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) Indenture. The Company issued the Notes under an Indenture dated as of June 22, 2020 (the “*Indenture*”) between the Company and the Trustee. This is one of an issue of Notes of the Company issued, or to be issued, under the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of them. Capitalized and certain other terms used and not otherwise defined herein have the meanings set forth in the Indenture.

(5) Optional Redemption. At any time and from time to time prior to the Applicable Par Call Date, the Company may redeem some or all of the Notes upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to the greater of:

(1) 100% of the aggregate principal amount of the Notes being redeemed, and

(2) the sum of the present values, as calculated by the Company, of the remaining scheduled payments of principal and interest on the Notes being redeemed that would be due if the Notes matured on the Applicable Par Call Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

On or after the Applicable Par Call Date, the Notes will be redeemable in whole at any time or in part, from time to time, at the option of the Company, upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Company.

(6) Redemption Procedures. If the Company elects to redeem less than all of the Notes at any time, in the case of Notes issued in definitive form, the Trustee will select Notes by lot on a *pro rata* basis (or, in the case of Global Notes, the Notes will be selected in accordance with the applicable procedures of the relevant Depository) unless an alternative method of selection is otherwise required by law or applicable stock exchange or Depository requirements. The Company will redeem Notes of \$2,000 or less in whole and not in part. For all purposes of the Indenture, unless the context otherwise requires, provisions of the Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

(7) Notice of Redemption. Notices of redemption pursuant to Section 5 of this Note shall be provided in accordance with Section 3.03 of the Indenture.

(8) Special Mandatory Redemption. Prior to the consummation of the Contribution, the Distribution and the Combination, the Notes will be subject to the Special Mandatory Redemption provisions set forth in Section 3.08 of the Indenture.

After that, Holders entitled to the money must look only to the Company for payment as general creditors unless applicable abandoned property law designates another Person.

(12) Amendment, Supplement, Waiver, Etc. The Company, the Guarantors and the Trustee may modify or amend the Indenture without the consent of any Holder to, among other things, cure any ambiguity, defect, mistake or inconsistency in the Indenture or make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect in any material respect the legal rights under the Indenture of the Holder. Except as otherwise provided in the Indenture, other amendments and modifications of the Indenture or the Notes may be made by the Company and the Trustee with the consent of the Holders of a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of each of the Holders of the Notes to be affected.

(13) Purchase of Notes Upon a Change of Control Repurchase Event. If a Change of Control Repurchase Event occurs, each Holder of Notes will have the right to require that the Company purchase all or any part (in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof) of such Holder's Notes pursuant to a Change of Control offer (a "*Change of Control Offer*") on the terms set forth in the Indenture. In the Change of Control Offer, the Company will offer to purchase all of the Notes at a purchase price in cash in an amount equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of purchase (the "*Change of Control Purchase Date*"). If the Change of Control Purchase Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to purchase by the Company.

Subject to certain limitations in the Indenture, if an Event of Default with respect to the Notes (other than an Event of Default specified in Sections 6.01(8) and 6.01(9) of the Indenture with respect to the Company) shall have occurred and be continuing, the Trustee or the Holders of at least 25% in outstanding principal amount of the Notes may declare to be immediately due and payable the principal amount of all of the Notes then outstanding, plus accrued and unpaid interest thereon, if any, to the date of acceleration. If an Event of Default specified in Sections 6.01(8) and 6.01(9) of the Indenture with respect to the Company shall occur, such amount with respect to all the Notes shall become automatically due and payable immediately without any further action or notice. The Trustee shall be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee security and/or indemnity satisfactory to the Trustee. Except in the case of a Default or Event of Default in payment of the principal of, premium, if any, or interest on any Note (including payments pursuant to a redemption or repurchase of the Notes pursuant to the provisions of the Indenture), the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.

(16) Trustee Dealings with Company. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the Company or any Affiliate thereof with the same rights it would have if it were not Trustee.

(17) No Recourse Against Others. No past, present or future director, member, partner, officer, employee or equityholder of the Company, any Guarantor or any of their respective Subsidiaries will have any liability for any of the Company's or such Guarantor's obligations under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation (other than the Guarantors in respect of their respective Guarantees and the Company in respect of the Notes). [FORM OF REVERSE OF NOTE]
UPJOHN INC.

2.700% SENIOR NOTE DUE 2030

(1) Interest. Upjohn Inc., a Delaware corporation, as issuer (the “*Company*”), promises to pay, until the principal hereof is paid or made available for payment, interest on the principal amount set forth on the face hereof at a rate of 2.700% per annum. Interest on the 2.700% Senior Notes due 2030 (the “*Notes*”) will accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including June 22, 2020 to but excluding the date on which interest is paid. Interest shall be payable in arrears on each June 22 and December 22, commencing on December 22, 2020. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months. The Company shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at the rate borne by the Notes.

(2) Method of Payment. The Company will pay interest to those persons who were holders of record at the close of business on the June 7 and December 7, as the case may be, immediately preceding each Interest Payment Date. Interest on the Notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. If any interest payment date for the Notes falls on a day that is not a Business Day, then payment of interest may be made on the next succeeding Business Day and no interest shall accrue because of such delayed payment.

(3) Paying Agent and Registrar. Initially, The Bank of New York Mellon (the “*Trustee*”) will act as a Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to the Holders. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) Indenture. The Company issued the Notes under an Indenture dated as of June 22, 2020 (the “*Indenture*”) between the Company and the Trustee. This is one of an issue of Notes of the Company issued, or to be issued, under the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of them. Capitalized and certain other terms used and not otherwise defined herein have the meanings set forth in the Indenture.

(5) Optional Redemption. At any time and from time to time prior to the Applicable Par Call Date, the Company may redeem some or all of the Notes upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to the greater of:

(1) 100% of the aggregate principal amount of the Notes being redeemed, and

(2) the sum of the present values, as calculated by the Company, of the remaining scheduled payments of principal and interest on the Notes being redeemed that would be due if the Notes matured on the Applicable Par Call Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

On or after the Applicable Par Call Date, the Notes will be redeemable in whole at any time or in part, from time to time, at the option of the Company, upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Company.

(6) Redemption Procedures. If the Company elects to redeem less than all of the Notes at any time, in the case of Notes issued in definitive form, the Trustee will select Notes by lot on a *pro rata* basis (or, in the case of Global Notes, the Notes will be selected in accordance with the applicable procedures of the relevant Depository) unless an alternative method of selection is otherwise required by law or applicable stock exchange or Depository requirements. The Company will redeem Notes of \$2,000 or less in whole and not in part. For all purposes of the Indenture, unless the context otherwise requires, provisions of the Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

(7) Notice of Redemption. Notices of redemption pursuant to Section 5 of this Note shall be provided in accordance with Section 3.03 of the Indenture.

(8) Special Mandatory Redemption. Prior to the consummation of the Contribution, the Distribution and the Combination, the Notes will be subject to the Special Mandatory Redemption provisions set forth in Section 3.08 of the Indenture.

(9) Denominations, Transfer, Exchange. The Notes shall be issuable only in fully registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture.

(10) Persons Deemed Owners. The Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Note for all purposes whatsoever.

(11) Unclaimed Money. If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Company at its request or, if such money is then held by the Company in trust, such money shall be released from such trust. After that, Holders entitled to the money must look only to the Company for payment as general creditors unless applicable abandoned property law designates another Person.

(12) Amendment, Supplement, Waiver, Etc. The Company, the Guarantors and the Trustee may modify or amend the Indenture without the consent of any Holder to, among other things, cure any ambiguity, defect, mistake or inconsistency in the Indenture or make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect in any material respect the legal rights under the Indenture of the Holder. Except as otherwise provided in the Indenture, other amendments and modifications of the Indenture or the Notes may be made by the Company and the Trustee with the consent of the Holders of a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of each of the Holders of the Notes to be affected.

(13) Purchase of Notes Upon a Change of Control Repurchase Event. If a Change of Control Repurchase Event occurs, each Holder of Notes will have the right to require that the Company purchase all or any part (in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof) of such Holder's Notes pursuant to a Change of Control offer (a "*Change of Control Offer*") on the terms set forth in the Indenture. In the Change of Control Offer, the Company will offer to purchase all of the Notes at a purchase price in cash in an amount equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of purchase (the "*Change of Control Purchase Date*"). If the Change of Control Purchase Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to purchase by the Company.

(14) Successor Entity. When a successor entity assumes all the obligations of its predecessor under the Notes and the Indenture and the transaction complies with the terms of Article V of the Indenture, the predecessor entity will, except as provided in Article V, be released from those obligations.

(15) Defaults and Remedies. Events of Default are set forth in the Indenture. Subject to certain limitations in the Indenture, if an Event of Default with respect to the Notes (other than an Event of Default specified in Sections 6.01(8) and 6.01(9) of the Indenture with respect to the Company) shall have occurred and be continuing, the Trustee or the Holders of at least 25% in outstanding principal amount of the Notes may declare to be immediately due and payable the principal amount of all of the Notes then outstanding, plus accrued and unpaid interest thereon, if any, to the date of acceleration. If an Event of Default specified in Sections 6.01(8) and 6.01(9) of the Indenture with respect to the Company shall occur, such amount with respect to all the Notes shall become automatically due and payable immediately without any further action or notice. The Trustee shall be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee security and/or indemnity satisfactory to the Trustee. Except in the case of a Default or Event of Default in payment of the principal of, premium, if any, or interest on any Note (including payments pursuant to a redemption or repurchase of the Notes pursuant to the provisions of the Indenture), the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.

(16) Trustee Dealings with Company. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the Company or any Affiliate thereof with the same rights it would have if it were not Trustee.

(17) No Recourse Against Others. No past, present or future director, member, partner, officer, employee or equityholder of the Company, any Guarantor or any of their respective Subsidiaries will have any liability for any of the Company's or such Guarantor's obligations under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation (other than the Guarantors in respect of their respective Guarantees and the Company in respect of the Notes). Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

UPJOHN INC.

4.000% SENIOR NOTE DUE 2050

(1) Interest. Upjohn Inc., a Delaware corporation, as issuer (the “*Company*”), promises to pay, until the principal hereof is paid or made available for payment, interest on the principal amount set forth on the face hereof at a rate of 4.000% per annum. Interest on the 4.000% Senior Notes due 2050 (the “*Notes*”) will accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including June 22, 2020 to but excluding the date on which interest is paid. Interest shall be payable in arrears on each June 22 and December 22, commencing on December 22, 2020. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months. The Company shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at the rate borne by the Notes.

(2) Method of Payment. The Company will pay interest to those persons who were holders of record at the close of business on the June 7 and December 7, as the case may be, immediately preceding each Interest Payment Date. Interest on the Notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. If any interest payment date for the Notes falls on a day that is not a Business Day, then payment of interest may be made on the next succeeding Business Day and no interest shall accrue because of such delayed payment.

(3) Paying Agent and Registrar. Initially, The Bank of New York Mellon (the “*Trustee*”) will act as a Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to the Holders. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) Indenture. The Company issued the Notes under an Indenture dated as of June 22, 2020 (the “*Indenture*”) between the Company and the Trustee. This is one of an issue of Notes of the Company issued, or to be issued, under the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of them. Capitalized and certain other terms used and not otherwise defined herein have the meanings set forth in the Indenture.

(5) Optional Redemption. At any time and from time to time prior to the Applicable Par Call Date, the Company may redeem some or all of the Notes upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to the greater of:

(1) 100% of the aggregate principal amount of the Notes being redeemed, and

(2) the sum of the present values, as calculated by the Company, of the remaining scheduled payments of principal and interest on the Notes being redeemed that would be due if the Notes matured on the Applicable Par Call Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 40 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

On or after the Applicable Par Call Date, the Notes will be redeemable in whole at any time or in part, from time to time, at the option of the Company, upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Company.

(6) Redemption Procedures. If the Company elects to redeem less than all of the Notes at any time, in the case of Notes issued in definitive form, the Trustee will select Notes by lot on a *pro rata* basis (or, in the case of Global Notes, the Notes will be selected in accordance with the applicable procedures of the relevant Depository) unless an alternative method of selection is otherwise required by law or applicable stock exchange or Depository requirements. The Company will redeem Notes of \$2,000 or less in whole and not in part. For all purposes of the Indenture, unless the context otherwise requires, provisions of the Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

(7) Notice of Redemption. Notices of redemption pursuant to Section 5 of this Note shall be provided in accordance with Section 3.03 of the Indenture.

(8) Special Mandatory Redemption. Prior to the consummation of the Contribution, the Distribution and the Combination, the Notes will be subject to the Special Mandatory Redemption provisions set forth in Section 3.08 of the Indenture.

(9) Denominations, Transfer, Exchange. The Notes shall be issuable only in fully registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture.

(10) Persons Deemed Owners. The Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of the Global Note for all purposes whatsoever.

(11) Unclaimed Money. If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Company at its request or, if such money is then held by the Company in trust, such money shall be released from such trust. After that, Holders entitled to the money must look only to the Company for payment as general creditors unless applicable abandoned property law designates another Person.

(12) Amendment, Supplement, Waiver, Etc. The Company, the Guarantors and the Trustee may modify or amend the Indenture without the consent of any Holder to, among other things, cure any ambiguity, defect, mistake or inconsistency in the Indenture or make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect in any material respect the legal rights under the Indenture of the Holder. (13) Purchase of Notes Upon a Change of Control Repurchase Event. If a Change of Control Repurchase Event occurs, each Holder of Notes will have the right to require that the Company purchase all or any part (in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof) of such Holder's Notes pursuant to a Change of Control offer (a "*Change of Control Offer*") on the terms set forth in the Indenture. In the Change of Control Offer, the Company will offer to purchase all of the Notes at a purchase price in cash in an amount equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of purchase (the "*Change of Control Purchase Date*"). If the Change of Control Purchase Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to purchase by the Company.

If an Event of Default specified in Sections 6.01(8) and 6.01(9) of the Indenture with respect to the Company shall occur, such amount with respect to all the Notes shall become automatically due and payable immediately without any further action or notice. The Trustee shall be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee security and/or indemnity satisfactory to the Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the Company or any Affiliate thereof with the same rights it would have if it were not Trustee.

2. Registration under the Securities Act.

(a) To the extent not prohibited by any applicable law or applicable interpretations of the Staff, following the consummation of the Combination, the Company and the Guarantors shall use their commercially reasonable efforts to (x) cause to be filed an Exchange Offer Registration Statement covering an offer to the Holders to exchange all the Registrable Securities for Exchange Securities and (y) have such Registration Statement become and remain effective until 90 days after the last Exchange Date for use by one or more Participating Broker-Dealers.

The Company and the Guarantors shall commence the Exchange Offer by mailing or making available the related Prospectus, appropriate letters of transmittal and other accompanying documents to each Holder stating, in addition to such other disclosures as are required by applicable law, substantially the following:

(i) that the Exchange Offer is being made pursuant to this Agreement and that all Registrable Securities validly tendered and not properly withdrawn will be accepted for exchange;

(ii) the period of acceptance for exchange (which shall be a period of at least 20 Business Days from the date such notice is mailed or made available) (the “Exchange Dates”);

(iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest but will not retain any rights under this Agreement, except as otherwise specified herein;

(iv) that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to (A) surrender such Registrable Security, together with the appropriate letters of transmittal, to the institution and at the address and in the manner specified in the notice, or (B) effect such exchange otherwise in compliance with the applicable procedures of the depository for such Registrable Security, in each case on or prior to the last Exchange Date; and

(v) that any Holder will be entitled to withdraw its election, not later than the last Exchange Date, by (A) sending to the institution and at the address specified in the notice, a telegram, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is withdrawing its election to have such Securities exchanged or (B) effecting such withdrawal in compliance with the applicable procedures of the depository for the Registrable Securities.

As a condition to participating in the Exchange Offer, a Holder will be required to represent to the Company and the Guarantors that (1) any Exchange Securities to be received by it will be acquired in the ordinary course of its business, (2) at the time of the commencement of the Exchange Offer it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities in violation of the provisions of the Securities Act, (3) it is not an "affiliate" (within the meaning of Rule 405 under the Securities Act) of the Company or any Guarantor and (4) if such Holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities that were acquired as a result of market-making or other trading activities, then such Holder will deliver a Prospectus (or, to the extent permitted by law, make available a Prospectus to purchasers) in connection with any resale of such Exchange Securities.

As soon as reasonably practicable after the last Exchange Date, the Company and the Guarantors shall:

(I) accept for exchange Registrable Securities or portions thereof validly tendered and not properly withdrawn pursuant to the Exchange Offer; and

(II) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Company and issue, and cause the Trustee to promptly authenticate and deliver to each Holder, Exchange Securities equal in principal amount to the principal amount of the Registrable Securities tendered by such Holder.

The Company and the Guarantors shall use their commercially reasonable efforts to complete the Exchange Offer as provided above and shall comply in all material respects with the applicable requirements of the Securities Act, the Exchange Act and other applicable laws and regulations in connection with the Exchange Offer.

For the avoidance of doubt, notwithstanding any provision herein purporting to require physical mailing, delivery or acceptance of any document or instrument, the Company and the Guarantors may conduct the Exchange Offer exclusively through the automated tender offer program of the Depository Trust Company or any successor or similar system permitting electronic transmittal, tender and acceptance of documents and instruments, provided that this provision shall apply only to Registrable Securities held in the form of beneficial interests in a global note deposited with (or held by a custodian for) the Depository Trust Company.

(b) In the event that (i) the Company and the Guarantors determine that the Exchange Offer Registration provided for in Section 2(a) hereof would violate any applicable law or applicable interpretations of the Staff or (ii) upon receipt of a written request (a “Shelf Request”) from any Initial Purchaser representing that it holds Registrable Securities that are or were ineligible to be exchanged in the Exchange Offer, the Company and the Guarantors shall use their commercially reasonable efforts to cause to be filed as soon as reasonably practicable after such determination or Shelf Request, as the case may be, a Shelf Registration Statement providing for the sale of all the Registrable Securities by the Holders thereof and to have such Shelf Registration Statement become effective; provided that no Holder will be entitled to have any Registrable Securities included in any Shelf Registration Statement, or entitled to use the prospectus forming a part of such Shelf Registration Statement, until such Holder shall have delivered a completed and signed Notice and Questionnaire and provided such other information regarding such Holder to the Company as is contemplated by Section 3(b) hereof.

In the event that the Company and the Guarantors are required to file a Shelf Registration Statement pursuant to clause (ii) of the preceding sentence, the Company and the Guarantors shall use their commercially reasonable efforts to file and have become effective both an Exchange Offer Registration Statement pursuant to Section 2(a) hereof with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by the Initial Purchasers after completion of the Exchange Offer.

The Company and the Guarantors shall use their commercially reasonable efforts to keep the Shelf Registration Statement, if required, continuously effective until the earliest of (x) the date the Securities cease to be Registrable Securities, (y) one year after the date of the consummation of the Combination, and (z) the date when Holders, other than Holders that are “affiliates” (as defined in Rule 144) of the Company, are able to sell such Securities without restriction, and without reliance as to the availability of current public information, pursuant to Rule 144 promulgated under the Securities Act (the “Shelf Effectiveness Period”). Further, the Company and the Guarantors shall supplement or amend the Shelf Registration Statement, the related Prospectus and any Free Writing Prospectus if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the Securities Act or by any other rules and regulations thereunder or if reasonably requested by a Holder of Registrable Securities with respect to information relating to such Holder, and use their commercially reasonable efforts to cause any such amendment to become effective, if required, and such Shelf Registration Statement, Prospectus or Free Writing Prospectus, as the case may be, to become usable as soon as thereafter reasonably practicable subject to Section 3(d) below. The Company and the Guarantors shall furnish to the Participating Holders copies of any such supplement or amendment promptly after its being used or filed with the SEC.

(c) The Company and the Guarantors shall pay all Registration Expenses in connection with any registration pursuant to Section 2(a) or Section 2(b) hereof. Each Holder shall pay all underwriting discounts and commissions, brokerage commissions and transfer taxes, if any, relating to the sale or disposition of such Holder's Registrable Securities pursuant to the Shelf Registration Statement.

(d) If a Registration Default occurs with respect to the Registrable Securities of a Series, the interest rate on the Registrable Securities of such Series will be increased by (i) 0.25% per annum for the first 90-day period beginning on the day immediately following such Registration Default and (ii) an additional 0.25% per annum with respect to each subsequent 90-day period, in each case until and including the date such Registration Default ends, up to a maximum increase of 0.50% per annum (such interest referred to in clauses (i) and (ii) above, "Additional Interest"); provided that in no event shall Additional Interest accrue after the Shelf Effectiveness Period. A Registration Default, with respect to the Registrable Securities of a Series, ends when the Securities of such Series cease to be Registrable Securities or, if earlier, (1) in the case of a Registration Default under clause (i) of the definition thereof, when the Exchange Offer is completed, (2) in the case of a Registration Default under clause (ii) or clause (iii) of the definition thereof, when the Shelf Registration Statement becomes effective or (3) in the case of a Registration Default under clause (iv) of the definition thereof, when the Shelf Registration Statement again becomes effective or the Prospectus again becomes usable. If at any time more than one Registration Default has occurred and is continuing, then, until the next date that there is no Registration Default, the increase in interest rate provided for by this paragraph shall apply as if there occurred a single Registration Default that begins on the date that the earliest such Registration Default occurred and ends on such next date that there is no Registration Default. The Representatives acknowledge and agree that the Company and the Guarantors will not be required to pay Additional Interest hereunder once the Securities become freely tradeable under Rule 144 promulgated under the Securities Act.

(e) It is acknowledged that the interest rate increase set forth above is the sole remedy for any default hereunder.

3. Registration Procedures.

(a) In connection with their obligations pursuant to Section 2(a) and Section 2(b) hereof, the Company and the Guarantors shall:

(i) use their commercially reasonable efforts to prepare and file with the SEC a Registration Statement on the appropriate form under the Securities Act, which form (A) shall be selected by the Company and the Guarantors, (B) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the Holders thereof and (C) shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the SEC to be filed therewith; and use their commercially reasonable efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 2 hereof;

(vi) in the case of a Shelf Registration, notify counsel for the Initial Purchasers and notify each Participating Holder and counsel for such Participating Holders promptly and, if requested by any such Participating Holder or counsel, confirm such advice in writing (1) when a Registration Statement has become effective, when any post-effective amendment thereto has been filed and becomes effective, when any Free Writing Prospectus has been filed or any amendment or supplement to the Prospectus or any Free Writing Prospectus has been filed, (2) of any request by the SEC or any state securities authority for amendments and supplements to a Registration Statement, Prospectus or any Free Writing Prospectus or for additional information after the Registration Statement has become effective, (3) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Company of any notice of objection of the SEC to the use of a Shelf Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, (4) if, between the applicable effective date of a Shelf Registration Statement and the closing of any sale of Registrable Securities covered thereby, the Company or any Guarantor receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, (5) of the happening of any event during the period a Registration Statement is effective that makes any statement made in such Registration Statement or the related Prospectus or any Free Writing Prospectus untrue in any material respect or that requires the making of any changes in such Registration Statement or Prospectus or any Free Writing Prospectus in order to make the statements therein not misleading and (6) of any determination by the Company or any Guarantor that a post-effective amendment to a Registration Statement or any amendment or supplement to the Prospectus or any Free Writing Prospectus would be appropriate;

(vii) subject to Section 3(d) below, use their commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement or, in the case of a Shelf Registration, the resolution of any objection of the SEC pursuant to Rule 401(g)(2) under the Securities Act, including by filing an amendment to such Registration Statement on the proper form, as soon as reasonably practicable and provide prompt notice to each Holder or Participating Holder of the withdrawal of any such order or such resolution;

(xi) the Company and the Guarantors shall not, at any time after initial filing of a Registration Statement, use or file any Prospectus, any Free Writing Prospectus, any amendment of or supplement to a Registration Statement or a Prospectus or a Free Writing Prospectus, or any document that is to be incorporated by reference into a Registration Statement (other than an Exchange Act Report), a Prospectus or a Free Writing Prospectus, of which the Initial Purchasers and their counsel (and, in the case of a Shelf Registration Statement, the Participating Holders and their counsel) shall not have previously been advised and furnished a copy or to which the Initial Purchasers or their counsel or the Participating Holders or their counsel shall reasonably object;

(xii) obtain a CUSIP number for all Exchange Securities or Registrable Securities, as the case may be, not later than the initial effective date of a Registration Statement;

(xiii) cause the Indenture to be qualified under the Trust Indenture Act in connection with the registration of the Exchange Securities or Registrable Securities, as the case may be; cooperate with the Trustee and the Holders to effect such changes to the Indenture as may be required for the Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and execute, and use their commercially reasonable efforts to cause the Trustee to execute, all documents as may be required to effect such changes and all other forms and documents required to be filed with the SEC to enable the Indenture to be so qualified in a timely manner;

(xiv) if reasonably requested by any Participating Holder, promptly include in a Prospectus supplement or post-effective amendment such information with respect to such Participating Holder as such Participating Holder reasonably requests to be included therein and make all required filings of such Prospectus supplement or such post-effective amendment as soon as the Company has received notification of the matters to be so included in such filing; and

(b) In the case of a Shelf Registration Statement, the Company may require, as a condition to including a Holder's Registrable Securities in the Registration Statement, each Holder of Registrable Securities to furnish to the Company a Notice and Questionnaire and such other information regarding such Holder and the proposed disposition by such Holder of such Registrable Securities as the Company may from time to time reasonably request in writing. No Holder of Registrable Securities shall be entitled to include any of its Registrable Securities in any Shelf Registration pursuant to this Agreement unless such Holder furnishes to the Company in writing, within 20 days after receipt of a written request therefor, such information as the Company may reasonably request for inclusion in any Shelf Registration or Prospectus included therein, and no such Holder shall be entitled to Additional Interest pursuant hereto.

(c) Each Participating Holder agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3(a)(vi)(3) or Section 3(a)(vi)(5) hereof or any notice pursuant to Section 3(d), such Participating Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Participating Holder's receipt of the copies of the supplemented or amended Prospectus and any Free Writing Prospectus contemplated by Section 3(a)(x) hereof or notice that the period referred to in Section 3(d) has ended and, if so directed by the Company, such Participating Holder will deliver to the Company all copies in its possession, other than permanent file copies then in such Participating Holder's possession, of the Prospectus and any Free Writing Prospectus covering such Registrable Securities that is current at the time of receipt of such notice.

(d) Notwithstanding any other provisions of this Agreement to the contrary, the Company may postpone effecting an Exchange Offer Registration or a Shelf Registration (or the maintenance of its effectiveness and usability) (i) during the regular quarterly period during which directors and executive officers of the Company are not permitted to trade under the insider trading policy of the Company then in effect until the expiration of such quarterly period (but in no event later than two Business Days after the date of the Company's quarterly earnings announcement) and (ii) for a period of up to 90 days if the Company determines in good faith that such Exchange Offer Registration or a Shelf Registration, as the case may be, would (A) reasonably be expected to materially impede, delay, interfere with or otherwise have a material adverse effect on any material acquisition of assets (other than in the ordinary course of business), merger, consolidation, tender offer, financing or any other material business transaction by the Company or any of its subsidiaries or (B) require disclosure of information that has not been disclosed to the public, the disclosure of which would not be in the best interests of the Company. Any such suspensions shall not exceed 180 days in the aggregate during any 365-day period.

(e) The Participating Holders who desire to do so may sell such Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment bank or investment banks and manager or managers (each an “Underwriter”) that will administer the offering will be selected by the Holders of a majority in principal amount of the Registrable Securities included in such offering and shall be reasonably acceptable to the Company. The Company and the Guarantors shall use commercially reasonable efforts to comply in all material respects with any reasonable and customary request, including the provision of opinions of counsel, accountants’ comfort letters and officers’ certificates, of the Participating Holders or Underwriters made in connection with such Underwritten Offering to the extent such request does not create an undue burden or expense for the Company or its subsidiaries. All expenses of the Underwritten Offering (other than Registration Expenses and expenses of the Company and its subsidiaries) shall be borne by the Participating Holders and the Underwriters, as agreed amongst them.

(f) Each Holder agrees that such Holder shall not take any action that would result in the Company or Guarantors being required to file with the SEC a free writing prospectus, as defined in Rule 405, as amended, under the Securities Act, prepared by or on behalf of such Holder that otherwise would not be required to be filed by the Company or Guarantors thereunder, but for the action of such Holder.

4. Participation of Broker-Dealers in Exchange Offer.

(a) The Staff has taken the position that any broker-dealer that receives Exchange Securities for its own account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (a “Participating Broker-Dealer”) may be deemed to be an “underwriter” within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Securities.

The Company and the Guarantors understand that it is the Staff’s position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Securities, without naming the Participating Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Participating Broker-Dealers (or, to the extent permitted by law, made available to purchasers) to satisfy their prospectus delivery obligation under the Securities Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

(b) In light of the above, and subject to Section 3(d), the Company and the Guarantors shall amend or supplement the Prospectus contained in the Exchange Offer Registration Statement for a period of up to 90 days after the last Exchange Date, in order to expedite or facilitate the disposition of any Exchange Securities by Participating Broker-Dealers consistent with the positions of the Staff recited in Section 4(a) above. The Company and the Guarantors further acknowledge that Participating Broker-Dealers shall be authorized, subject to Section 3(d), to deliver such Prospectus (or, to the extent permitted by law, make available) during such period in connection with the resales contemplated by this Section 4.

(c) The Initial Purchasers shall have no liability to the Company, any Guarantor or any Holder with respect to any request that they may make pursuant to Section 4(b) hereof.

5. Indemnification and Contribution.

(a) The Company agrees that it and each Guarantor, jointly and severally, shall indemnify and hold harmless each Initial Purchaser and each Holder and their respective affiliates, and each Person, if any, who controls any Initial Purchaser or any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, reasonable and documented legal fees and other expenses reasonably incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (1) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (2) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus or any Free Writing Prospectus, or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser or information relating to any Holder furnished to the Company or any Guarantor in writing by or on behalf of such parties expressly for use in any Registration Statement, any Prospectus and any Free Writing Prospectus. In connection with any Underwritten Offering permitted by Section 3, the Company and the Guarantors, jointly and severally, shall also indemnify the Underwriters, if any, selling brokers, dealers and similar securities industry professionals participating in the distribution, their respective affiliates and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement, any Prospectus or any Free Writing Prospectus.

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Company, the Guarantors, the Initial Purchasers and the other selling Holders, and each of the directors and officers of the Company and the Guarantors and each Person, if any, who controls the Company, the Guarantors, any Initial Purchaser and any other selling Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Holder furnished to the Company or any Guarantor in writing by such Holder expressly for use in any Registration Statement, any Prospectus and any Free Writing Prospectus.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such Person (the “Indemnified Person”) shall promptly notify the Person against whom such indemnification may be sought (the “Indemnifying Person”) in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person (which consent shall not be unreasonably withheld or delayed), be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 5 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the reasonable and documented fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to one local counsel per jurisdiction) for all Indemnified Persons, and that all such fees and expenses shall be reasonable and documented and shall be reimbursed as they are incurred. Any such separate firm (x) for any Initial Purchaser, its affiliates, directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by the Representatives, (y) for any Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders and (z) in all other cases shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (A) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Guarantors from the offering of the Securities and the Exchange Securities, on the one hand, and by the Holders from receiving Securities or Exchange Securities registered under the Securities Act, on the other hand, or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and the Guarantors on the one hand and the Holders on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company and the Guarantors on the one hand and the Holders on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and the Guarantors or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company, the Guarantors and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 5 were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 5, in no event shall a Holder be required to contribute any amount in excess of the amount by which the total price at which the Securities or Exchange Securities sold by such Holder exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 5 are several and not joint.

(f) The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

(g) The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Initial Purchasers or any Holder or any Person controlling any Initial Purchaser or any Holder, or by or on behalf of the Company or the Guarantors or the officers or directors of or any Person controlling the Company or the Guarantors, (iii) acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities pursuant to a Shelf Registration Statement.

6. General.

(a) *No Inconsistent Agreements.* The Company represents, warrants and agrees that (i) the rights granted to the Holders hereunder do not in any way conflict in any material respect with and are not inconsistent with the rights granted to the holders of any other outstanding securities issued or guaranteed by the Company or any Guarantor under any other agreement and (ii) neither the Company nor any Guarantor has entered into, or on or after the date of this Agreement will enter into, any agreement that is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts in any material respect with the provisions hereof.

(b) *Amendments and Waivers.* The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company has obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; provided that, with respect to any amendment, modification, supplement, waiver or consent to Section 5 above that directly or indirectly affects the rights of any Initial Purchaser hereunder, the Company shall obtain the written consent of each such Initial Purchaser against which such amendment, modification, supplement, waiver or consent is to be effective. Any amendments, modifications, supplements, waivers or consents pursuant to this Section 6(b) shall be by a writing executed by each of the parties hereto.

(c) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, electronic mail, facsimile, or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 6(c), which address initially is, with respect to the Initial Purchasers, the address set forth in the Purchase Agreement; (ii) if to the Company and the Guarantors, initially at the address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c); and (iii) to such other persons at their respective addresses as provided in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(c). All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when receipt is acknowledged, if e-mailed or facsimiled; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery. Copies of all such notices, demands or other communications shall be concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(d) *Successors and Assigns.* This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; provided that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the benefits hereof. The Initial Purchasers (in their capacity as Initial Purchasers) shall have no liability or obligation to the Company or the Guarantors with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(e) *Third Party Beneficiaries.* Each Holder shall be a third party beneficiary to the agreements made hereunder (excluding those agreements made in Section 5 hereto) between the Company, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder.

(f) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(g) *Headings.* The headings in this Agreement are for convenience of reference only, are not a part of this Agreement and shall not limit or otherwise affect the meaning hereof.

(h) *Governing Law.* This Agreement, and any claim, controversy or dispute arising under or related to this Agreement, shall be governed by and construed in accordance with the internal laws of the State of New York.

(i) *Submission to Jurisdiction; Appointment of Agent for Service.* The Company irrevocably submits to the non-exclusive jurisdiction of any New York State or United States Federal court sitting in The City of New York (the "Specified Courts") over any suit, action or proceeding arising out of or relating to this Agreement (each, a "Related Proceeding"). The Company irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any Related Proceeding brought in such a court and any claim that any such Related Proceeding brought in such a court has been brought in an inconvenient forum. To the extent that the Company has or hereafter may acquire any immunity (on the grounds of sovereignty or otherwise) from the jurisdiction of any court or from any legal process with respect to itself or its property, the Company irrevocably waives, to the fullest extent permitted by law, such immunity in respect of any such suit, action or proceeding.

(j) *Entire Agreement; Severability.* This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable or against public policy, the remainder of the terms, provisions, covenants and restrictions contained herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated. The Company and the Initial Purchasers shall endeavor in good faith negotiations to replace the invalid, void or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, void or unenforceable provisions.

The Issuer shall also maintain one or more registrars (each, a “*Registrar*”) and a transfer agent. Citibank, N.A., London Branch in the United Kingdom will act as the initial registrar and transfer agent for the Notes. The registrar and transfer agent will maintain a register reflecting ownership of definitive registered Notes outstanding from time to time and will effect payments on and facilitate transfer of definitive registered Notes on our behalf.

The Issuer may change any Paying Agent, registrar or transfer agent without prior notice to the Holders of the Notes. For so long as the Notes are listed on the Official List of Euronext Dublin and admitted for trading on the Global Exchange Market and the rules of Euronext Dublin so require, the Issuer will publish a notice of any change of Paying Agent, registrar or transfer agent to the extent and in the manner permitted by such rules, posted on the official website of Euronext Dublin (www.ise.ie).

Section 2.05 Paying Agent To Hold Money for the Benefit of the Holders.

Each Paying Agent shall hold for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, or interest on the Notes (whether such money has been paid to it by the Issuer or any other obligor on the Notes), and the Issuer and the Paying Agent shall notify the Trustee of any default by the Issuer (or any other obligor on the Notes) in making any such payment. Money held for the benefit of the Holders by the Paying Agent need not be segregated except as required by law and in no event shall the Paying Agent be liable for any interest on any money received by it hereunder; *provided* that if the Issuer or an Affiliate thereof acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold such money in a separate fund for the benefit of the Holders. The Issuer at any time may require the Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may at any time during the continuance of any Event of Default specified in Section 6.01(1) or (2), upon written request to the Paying Agent, require the Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed. Upon making such payment, the Paying Agent shall have no further liability for the money delivered to the Trustee.

Section 2.06 Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of the Holders of each series of Notes. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least five Business Days before each Interest Payment Date, and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders; *provided* that, as long as the Trustee is the Registrar, no such list need be furnished.

Section 2.07 Transfer and Exchange.

Subject to Sections 2.16 and 2.17, when Notes are presented to the Registrar with a request from the Holder of such Notes to register a transfer or to exchange them for an equal principal amount of Notes of other authorized denominations of the same series, the Registrar shall register the transfer as requested (and, in the

case of Notes issued in the form of Global Notes under the New Safekeeping Structure, the Trustee shall instruct, or cause the Paying Agent to instruct, the Common Safekeeper to effectuate the Global Notes reflecting such transfer, and such Global Notes shall have been effectuated by the Common Safekeeper). Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing. To permit registrations of transfers and exchanges, the Issuer shall issue and execute, and the Trustee shall authenticate, new Notes evidencing such transfer or exchange at the Registrar's request (and, in the case of Notes issued in the form of Global Notes under the New Safekeeping Structure, the Trustee shall instruct, or cause the Paying Agent to instruct, the Common Safekeeper to effectuate the Global Notes evidencing such transfer or exchange and such Global Notes shall have been effectuated by the Common Safekeeper). No service charge shall be made to the Holder for any registration of transfer or exchange. The Issuer may require from the Holder payment of a sum sufficient to cover any transfer taxes or other governmental charge that may be imposed in relation to a transfer or exchange, but this provision shall not apply to any exchange pursuant to Section 2.11, 3.06 or 8.04 (in which events the Issuer shall be responsible for the payment of such taxes). The Registrar shall not be required to exchange or register a transfer of any Note of any series for a period of 15 days immediately preceding the redemption of Notes of such series, except the unredeemed portion of any Note being redeemed in part.

Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of the beneficial interests in such Global Note may be effected only through a book entry system maintained by the Holder of such Global Note (or its agent), and that ownership of a beneficial interest in the Global Note shall be required to be reflected in a book entry system.

Section 2.08 Replacement Notes.

If a mutilated Note of any series is surrendered to the Registrar or the Trustee, or if the Holder of a Note of any series claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Note of such series (and, in the case of Notes issued in the form of Global Notes under the New Safekeeping Structure, the Trustee shall instruct, or cause the Paying Agent to instruct, the Common Safekeeper to effectuate the Global Notes and such Global Notes shall have been effectuated by the Common Safekeeper) if the Holder of such Note furnishes to the Issuer and the Trustee evidence reasonably acceptable to them of the ownership and the destruction, loss or theft of such Note and if the requirements of Section 8-405 of the New York Uniform Commercial Code as in effect on the date of this Indenture are met. If required by the Trustee or the Issuer, an indemnity bond shall be posted, sufficient in the judgment of all to protect the Issuer, the Trustee or any Paying Agent from any loss that any of them may suffer if such Note is replaced. The Issuer may charge such Holder for the Issuer's reasonable out-of-pocket expenses in replacing such Note and the Trustee may charge the Issuer for the Trustee's expenses (including, without limitation, attorneys' fees and disbursements) in replacing such Note. Every replacement Note shall constitute a contractual obligation of the Issuer.

Section 2.09 Outstanding Notes.

The Notes outstanding at any time are all Notes that have been authenticated by the Trustee (and, in the case of Notes issued in the form of one or more Global Notes under the New Safekeeping Structure, effectuated by the Common Safekeeper), except for (a) those canceled by it (and, in the case of Notes issued in the form of one or more Global Notes under the New Safekeeping Structure, canceled by the Common Safekeeper), (b) those delivered to it for cancellation, (c) to the extent set forth in Sections 9.01 and 9.02, on or after the date on which the conditions set forth in Section 9.01 or 9.02 have been satisfied, those Notes theretofore authenticated and delivered by the Trustee hereunder and (d) those described in this Section 2.09 as not outstanding. Subject to Section 2.10, a Note does not cease to be outstanding because the Issuer or one of its Affiliates holds the Note.

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser in whose hands such Note is a legal, valid and binding obligation of the Issuer (and, in the case of a Note issued in the form of a Global Note under the New Safekeeping Structure, effectuated by the Common Safekeeper).

If the Paying Agent holds, in its capacity as such, on any Maturity Date, money sufficient to pay all accrued interest and principal with respect to the Notes payable on that date and is not prohibited from paying such money to the Holders thereof pursuant to the terms of this Indenture, then on and after that date such Notes cease to be outstanding and interest on them ceases to accrue.

Section 2.10 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes of a series have concurred in any declaration of acceleration or notice of default or direction, waiver or consent or any amendment, modification or other change to this Indenture, Notes owned by the Issuer or any other Affiliate of the Issuer shall be disregarded as though they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes as to which a Responsible Officer of the Trustee has actually received an Officer's Certificate stating that such Notes are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee established to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Issuer, any other obligor on the Notes or any of their respective Affiliates.

Section 2.11 Temporary Notes.

Until definitive Notes are prepared and ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes (and, in the case of Notes issued in the form of Global Notes under the New Safekeeping Structure, the Trustee shall instruct, or cause the Paying Agent to instruct, the Common Safekeeper to effectuate the Global Notes and such Global Notes shall have been effectuated by the Common Safekeeper). Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes (and, in the case of temporary Notes issued in the form of Global Notes under the New Safekeeping Structure, such temporary Notes shall be effectuated by the Common Safekeeper). Without unreasonable delay, the Issuer shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes (and, in the case of temporary Notes issued in the form of Global Notes under the New Safekeeping Structure, the Trustee shall instruct, or cause the Paying Agent to instruct, the Common Safekeeper to effectuate, in exchange for such temporary Notes, an equal aggregate amount of definitive Notes). Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as definitive Notes.

Section 2.12 Cancellation.

The Issuer at any time may deliver Notes to the Trustee for cancellation along with an Issuer Order directing the cancellation thereof. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall deliver such canceled Notes to the Issuer (and, in the case of a Note issued in the form of a Global Note under the New Safekeeping Structure, the Trustee and the Paying Agent shall direct the Common Safekeeper to cancel such Note). The Issuer may not reissue or resell, or issue new Notes to replace Notes that the Issuer has redeemed or paid, or that have been delivered to the Trustee for cancellation (other than in accordance with this Indenture).

Section 2.13 Defaulted Interest.

If the Issuer defaults on a payment of interest on the Notes, it shall pay the defaulted interest, *plus* (to the extent permitted by law) any interest payable on the defaulted interest, in accordance with the terms hereof, to the Persons who are Holders on a subsequent special record date, which date shall be at least five Business Days prior to the payment date. The Issuer shall fix such special record date and payment date in a manner satisfactory to the Trustee. At least 10 days before such special record date, the Issuer shall deliver in accordance with the procedures of the relevant depository (or in the case of a Note issued in the form of a Global Note under the New Safekeeping Structure, the applicable procedures of the Common Safekeeper) to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest, and interest payable on defaulted interest, if any, to be paid. The Issuer may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements (if applicable) of any securities exchange on which the Notes may be listed and, upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment pursuant to this sentence, such manner of payment shall be deemed practicable by the Trustee.

Section 2.14 Identifying Number.

The Issuer in issuing the Notes may use a "CUSIP," "ISIN" or other similar number, and if so, such CUSIP, ISIN or other similar number shall be included in notices of redemption or exchange as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP, ISIN or other similar number printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes. The Issuer shall promptly notify the Trustee of any such CUSIP, ISIN or other similar number used by the Issuer in connection with the issuance of the Notes and of any change in the CUSIP, ISIN or other similar number.

Section 2.15 Deposit of Moneys.

Prior to 11:00 a.m., London time, on each Interest Payment Date and Maturity Date, the Issuer shall have deposited with the Paying Agent in immediately available funds money sufficient to make cash payments, if any, due on such Interest Payment Date or Maturity Date, as the case may be, in a timely manner which permits the Trustee to remit payment to the Holders on such Interest Payment Date or Maturity Date, as the case may be. The principal and interest on a Global Note shall be payable to the ICSD of such Global Note or its nominee, as the case may be, as the sole registered owner and the sole Holder of the Notes represented thereby. The principal and interest on Physical Notes shall be payable, either in person or by mail, at the office of the Paying Agent.

All payments of principal of, the Redemption Price (if any), and interest and additional amounts (if any), on the Notes, will be payable in euros; provided that, if the euro is unavailable to the Issuer due to the imposition of exchange controls or other circumstances beyond the Issuer's control or if the euro is no longer being used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the Notes will be made in U.S. Dollars until the euro is again available to the Issuer or so used. If the euro is unavailable to the Issuer, the amount payable on any date in euros will be converted into U.S. Dollars at the rate mandated by the Board of Governors of the Federal Reserve System as of the close of business on the second Business Day prior to the relevant payment date or, in the event the Board of Governors of the Federal Reserve System has not mandated a rate of conversion, on the basis of the most recent U.S. Dollar/ euro exchange rate published in The Wall Street Journal on or prior to the second Business Day prior to the relevant payment date or, in the event The Wall Street Journal has not published such exchange rate, at such rate as will be determined in the Issuer's sole discretion on the basis of the most recently available market exchange rate for the euro. Any payment in respect of the Notes so made in U.S. Dollars will not constitute an event of default under the Notes or this Indenture. Neither the Trustee nor the Paying Agent shall have any responsibility for any calculation or conversion in connection with the foregoing.

Section 2.16 Book-Entry Provisions for Global Notes.

(a) The 2022 Regulation S Notes initially shall be represented by one or more Notes of the same series in registered, global form without interest coupons (collectively, the “2022 Regulation S Global Notes”). The 2024 Regulation S Notes initially shall be represented by one or more Notes of the same series in registered, global form without interest coupons (collectively, the “2024 Regulation S Global Notes”). The 2027 Regulation S Notes initially shall be represented by one or more Notes of the same series in registered, global form without interest coupons (collectively, the “2027 Regulation S Global Notes”). The 2032 Regulation S Notes initially shall be represented by one or more Notes of the same series in registered, global form without interest coupons (collectively, the “2032 Regulation S Global Notes” and, together with the 2022 Regulation S Global Notes, the 2024 Regulation S Global Notes and the 2027 Regulation S Global Notes, the “Regulation S Global Notes”). The Regulation S Global Notes and any other global notes representing the Notes (collectively, the “Global Notes”) shall bear legends as set forth in Exhibit C. The Global Notes initially shall (i) be registered in the name of the Common Safekeeper or the nominee of such Common Safekeeper, in each case for credit to an account of an Agent Member, (ii) be delivered to Citibank, N.A., London Branch, as custodian for such Common Safekeeper and (iii) except as permitted by Section 2.17(b), bear the Transfer Restriction Legend with respect to a Regulation S Global Note.

Members of, or direct or indirect participants in, the ICSDs (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by the ICSDs, the Common Safekeeper or the Trustee, or under the Global Notes, and the ICSDs or the Common Safekeeper, as applicable, may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization (which may be in electronic form) furnished by the ICSDs or the Common Safekeeper or impair, as between the ICSDs and their Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

None of the Issuer, any Guarantor, the Trustee, the Registrar, any Paying Agent or any agent of any of them shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Notes, for maintaining, supervising or reviewing any records relating to such beneficial owner interests, or for any acts or omissions of any of the ICSDs or the Common Safekeeper or for any transactions between any of the ICSDs or the Common Safekeeper and any beneficial owner or between or among beneficial owners. No owner of a beneficial interest in the Notes shall have any rights under this Indenture, and the ICSDs or any Common Safekeeper shall be deemed and treated by the Issuer, any Guarantor, the Trustee, the Registrar, any Paying Agent or any agent of any of them as the absolute owner and holder of such Notes for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, any Guarantor, the Trustee, the Registrar, any Paying Agent or any agent of any of them from giving effect to any written certification, proxy or other authorization furnished by ICSDs or the Common Safekeeper, or any of its members and any other Person on whose behalf such member may act, the operation of customary practices of such Persons governing the exercise of the rights of a beneficial owner of any Notes.

(b) Transfers and exchanges pursuant to this Section 2.16 and Section 2.17 may only be made between Notes of the same series. Transfers of Global Notes shall be limited to transfers in whole, but not in part, to the ICSDs or any Common Safekeeper, their respective successors or respective nominees. Interests of beneficial owners in the Global Notes may be transferred or exchanged for Physical Notes in accordance with the rules and procedures of the ICSDs and the provisions of Section 2.17. In addition, a Global Note shall be exchangeable for Physical Notes if (i) each of Euroclear or Clearstream notifies the Issuer that it is unwilling or unable to continue to act as depository for such Global Note and a successor depository is not appointed by

the Issuer within 90 days, (ii) the Issuer, at its option, notifies the Trustee in writing that it elects to exchange in whole, but not in part, the Global Notes for Physical Notes or (iii) the owner of an interest in a Global Note requests such exchange in writing to Euroclear or Clearstream following an Event of Default with respect to the Notes. In all cases, Physical Notes delivered in exchange for any Global Note or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the ICSDs (in accordance with their customary procedures).

(c) In connection with any transfer or exchange of a portion of the beneficial interest in any Global Note to beneficial owners pursuant to paragraph (b) of this Section 2.16, the Registrar shall (if one or more Physical Notes are to be issued) reflect on its books and records the date and a decrease in the principal amount of the Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Issuer shall execute, and the Trustee shall upon receipt of a written order from the Issuer authenticate and make available for delivery, one or more Physical Notes of like tenor and amount.

(d) In connection with the transfer of Global Notes as an entirety to beneficial owners pursuant to paragraph (b) of this Section 2.16, the Global Notes shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the ICSDs or the Common Safekeeper in writing in exchange for its beneficial interest in the Global Notes, an equal aggregate principal amount of Physical Notes of authorized denominations.

(e) Any Physical Note constituting a Transfer Restricted Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.17(b), the Transfer Restriction Legend, unless the Issuer determines otherwise in compliance with applicable law.

(f) Any beneficial interest in one of the Global Notes that is transferred to a Person who takes delivery in the form of an interest in another Global Note shall, upon transfer, cease to be an interest in such Global Note and become an interest in such other Global Note and, accordingly, shall thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(g) The Holder of any Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

Section 2.17 Special Transfer Provisions.

(a) The following provisions shall apply with respect to the registration of any proposed transfer of a Transfer Restricted Note:

(1) the Registrar shall register the transfer of any Transfer Restricted Note if the proposed transferor has delivered to the Registrar a certificate substantially in the form of Exhibit D hereto; and

(2) if the proposed transferor is an Agent Member holding a beneficial interest in the Global Note, upon receipt by the Registrar of (x) the certificate required by this Section 2.17 and (y) written instructions given in accordance with the ICSDs' and the Registrar's procedures; whereupon (a) the Registrar shall reflect on its books and records the date and (if the transfer does not involve a transfer of outstanding Physical Notes) a decrease in the principal amount of such Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred and (b) the Issuer shall execute and the Trustee shall authenticate and deliver, one or more Physical Notes of like tenor and amount; and

(3) if the proposed transferee is an Agent Member, and the Notes to be transferred consist of Physical Notes, which after transfer are to be evidenced by an interest in a Regulation S Global Note, upon receipt by the Registrar of written instructions given in accordance with the ICSDs' and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of such Regulation S Global Note in an amount equal to the principal amount of Physical Notes to be transferred, and the Trustee shall cancel the Physical Notes so transferred.

(b) *Transfer Restriction Legend.* Upon the registration of transfer, exchange or replacement of Notes not bearing the Transfer Restriction Legend, the Registrar shall deliver Notes that do not bear the Transfer Restriction Legend. Upon the registration of transfer, exchange or replacement of Notes bearing the Transfer Restriction Legend, the Registrar shall deliver only Notes that bear the Transfer Restriction Legend unless (i) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Issuer and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act, (ii) such Note has been sold pursuant to an effective registration statement under the Securities Act and the Registrar has received an Officer's Certificate from the Issuer to such effect or (iii) the requested transfer is after the expiration of the Distribution Compliance Period and the proposed transferor has delivered to the Registrar a certificate substantially in the form of Exhibit D hereto.

(c) *General.* By its acceptance of any Note bearing the Transfer Restriction Legend, each Holder of such Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in the Transfer Restriction Legend and agrees that it will transfer such Note only as provided in this Indenture.

Concurrently with the issuance of such Notes, the Trustee will cause the aggregate principal amount of the applicable Global Notes bearing the Transfer Restriction Legend to be reduced accordingly, and the Issuer will execute and the Trustee will authenticate and deliver to the Persons designated by the Holders of Physical Notes so accepted Physical Notes not bearing the Transfer Restriction Legend in the appropriate principal amount.

Section 2.18 Computation of Interest.

Interest on the Notes shall be computed in accordance with the terms of the Notes.

Section 2.19 Additional Responsibilities of the Paying Agent regarding Notes issued under the New Safekeeping Structure.

(a) The Paying Agent will inform the ICSDs (through the Common Service Provider) appointed by the ICSDs to service the Notes issued in the form of Global Notes under the New Safekeeping Structure of the initial issue outstanding amount ("IOA") of such Notes on or prior to the closing date applicable to such Notes.

(b) If any event occurs that requires a markup or markdown of the records that an ICSD holds for its customers to reflect such customers' interest in any Note issued in the form of a Global Note under the New Safekeeping Structure, the Paying Agent will promptly provide details of the amount of such markup or markdown, together with a description of the event that requires it, to the ICSDs (through the Common Service Provider).

(c) The Paying Agent will, prior to each payment on any Note issued in the form of a Global Note under the New Safekeeping Structure, compare its records of the IOA of any such Note with the information received from the ICSDs (through the Common Service Provider) with respect to the records reflecting the IOA maintained by the ICSDs for such Note and will promptly inform the ICSDs (through the Common Service Provider) of any discrepancies.

(d) The Paying Agent will promptly assist the ICSDs (through the Common Service Provider) in resolving any discrepancy identified in the records reflecting the IOA of any Note issued in the form of a Global Note under the New Safekeeping Structure.

(e) The Paying Agent will promptly provide to the ICSDs (through the Common Service Provider) details of all amounts paid under any Note issued in the form of a Global Note under the New Safekeeping Structure (or, where such Note provides for delivery of assets other than cash, of the assets so delivered).

(f) The Paying Agent will promptly provide to the ICSDs (through the Common Service Provider) notice of any changes to any Global Note issued under the New Safekeeping Structure known to the Paying Agent that will affect the amount of, or date for, any payment due under such Global Note issued under the New Safekeeping Structure.

(g) The Paying Agent will promptly provide to the ICSDs (through the Common Service Provider) copies of all notices in its possession that are given by or on behalf of the Issuer to the holders of any Note issued in the form of a Global Note under the New Safekeeping Structure.

(h) The Paying Agent will promptly pass on to the Issuer all communications it receives from the ICSDs directly or through the Common Service Provider relating to any Global Note issued under the New Safekeeping Structure. Any such notice shall be deemed to have been conclusively given by being sent to the Issuer in accordance with Section 11.01.

(i) The Paying Agent will promptly notify the ICSDs (through the Common Service Provider) of any failure by the Issuer to make any payment or delivery due under any issuance of Notes issued in the form of Global Notes under the New Safekeeping Structure when due.

(j) Notwithstanding anything to the contrary contained herein, the Paying Agent shall perform its duties under this Section 2.19 in accordance with the applicable procedures agreed between the Paying Agent and the ICSDs.

ARTICLE III REDEMPTION AND PREPAYMENT

Section 3.01 Election To Redeem; Notices to Trustee.

If the Issuer elects to redeem any Notes pursuant to Section 3.07, at least 10 days prior to the Redemption Date (unless a shorter notice shall be agreed to in writing by the Trustee) but not more than 60 days before the Redemption Date, the Issuer shall notify the Trustee in writing of the series of Notes to be redeemed, the Redemption Date and the principal amount of such Notes to be redeemed and the Redemption Price (or, if not then ascertainable, the manner of calculation thereof), and deliver to the Trustee, no later than two Business Days prior to the Redemption Date, an Officer's Certificate stating that such redemption will comply with the conditions contained this Article III. Notice given to the Trustee pursuant to this Section 3.01 may, at the Issuer's discretion, be subject to the satisfaction or waiver of one or more conditions precedent.

In addition, (i) for any redemption of Notes pursuant to Section 3.07 or Section 3.09, at least five Business Days (unless a shorter notice shall be agreed to in writing by the Trustee) prior to the Issuer sending any notice of redemption to the Trustee pursuant to Section 3.03, the Issuer shall notify the Trustee in writing of the planned redemption and (ii) for any redemption of Notes pursuant to Section 3.08, at least two Business Days (unless a shorter notice shall be agreed to in writing by the Trustee) prior to the Issuer sending any notice of redemption to the Trustee pursuant to Section 3.08, the Issuer shall notify the Trustee in writing of the planned redemption.

Section 3.02 Selection by Trustee of Notes To Be Redeemed.

If the Issuer elects to redeem less than all of the Notes of any series at any time, in the case of Notes issued in definitive form, the Trustee will select Notes of such series by lot on a *pro rata* basis (or, in the case of Global Notes, the Notes will be selected in accordance with the applicable procedures of the relevant depository (or in the case of a Note issued in the form of a Global Note under the New Safekeeping Structure, the applicable procedures of the Common Safekeeper)) unless an alternative method of selection is otherwise required by law or applicable stock exchange or depository requirements.

The Trustee shall promptly notify the Issuer of the Notes selected for redemption and, in the case of any partial redemption, the principal amount thereof to be redeemed.

The Issuer will redeem Notes of €100,000 or less in whole and not in part. For all purposes of this Indenture, unless the context otherwise requires, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03 Notice of Redemption.

Subject to Section 3.08, the Issuer will cause notices of redemption to be sent to the Trustee not less than 10 nor more than 60 days prior to the Redemption Date, and the Trustee will then promptly forward (at the Issuer's sole expense) such notice by first-class mail (or otherwise delivered in accordance with the procedures of the relevant depository or, in the case of a Note issued in the form of a Global Note under the New Safekeeping Structure, the applicable procedures of the Common Safekeeper) to each Holder of Notes to be redeemed at its registered address. The Issuer may provide in the notice that payment of the Redemption Price and performance of the Issuer's obligations with respect to the redemption or purchase may be performed by another Person. Any notice may, at the Issuer's discretion, be subject to the satisfaction or waiver of one or more conditions precedent.

The notice shall identify the Notes to be redeemed (including the series and the CUSIP, ISIN or other identifying numbers thereof) and shall state:

- (1) the Redemption Date;
- (2) the Redemption Price (or, if not then ascertainable, the manner of calculation thereof);
- (3) if fewer than all outstanding Notes of a series are to be redeemed, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date and upon surrender of such Note, a new Note or Notes of the applicable series in principal amount equal to the unredeemed portion will be issued;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
- (6) that unless the Issuer defaults in the payment of the Redemption Price, interest on Notes called for redemption ceases to accrue on the Redemption Date;
- (7) if such notice is conditioned upon the occurrence of one or more conditions precedent, the nature of such conditions precedent;
- (8) the aggregate principal amount of Notes of such series that are being redeemed;

(9) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(10) that no representation is made as to the correctness or accuracy of the CUSIP, ISIN or other identifying number, if any, listed in such notice or printed on the Notes.

If the Redemption Price is not ascertainable on the date in which the notice of redemption is delivered, the Issuer shall send to the Trustee, at least one Business Day prior to the Redemption Date, the Redemption Price.

For Notes which are represented by global certificates held on behalf of Euroclear and/or Clearstream, notices may be given by delivery of the relevant notices to Euroclear and/or Clearstream for communication to entitled account holders in substitution for the notification method set out above. If and for so long as any Notes are listed on the Official List of Euronext Dublin and admitted for trading on the Global Exchange Market and the rules of Euronext Dublin so require, any such notice to the Holders of the relevant Notes shall also be published to the extent and in the manner permitted by such rules, posted on the official website of Euronext Dublin (www.ise.ie) and, in connection with any redemption, the Issuer will notify Euronext Dublin of any change in the principal amount of Notes outstanding.

Section 3.04 Effect of Notice of Redemption.

Once the notice of redemption described in Section 3.03 is delivered, except as provided in the last sentence of the first paragraph of Section 3.03, Notes called for redemption become irrevocably due and payable on the Redemption Date and at the Redemption Price, including any premium, plus accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date. Upon surrender to the Paying Agent, such Notes shall be paid at the Redemption Price, including any premium, plus accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date; *provided* that (a) if the Redemption Date is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, shall be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Issuer; and (b) if a Redemption Date is not a Business Day, payment shall be made on the next succeeding Business Day and no interest shall accrue for the period from such Redemption Date to such succeeding Business Day. Such notice, if delivered in the manner provided in Section 3.03, shall be conclusively presumed to have been given whether or not the Holder receives such notice.

Section 3.05 Deposit of Redemption Price.

On or prior to 11:00 A.M., London time, on each Redemption Date, the Issuer shall deposit with the Paying Agent in immediately available funds money sufficient to pay the Redemption Price of, including premium, if any, and accrued and unpaid interest, if any, on all Notes to be redeemed on that date other than Notes or portions thereof called for redemption on that date which have been delivered by the Issuer to the Trustee for cancellation.

On and after any Redemption Date, if money sufficient to pay the Redemption Price of, including premium, if any, and accrued and unpaid interest, if any, on Notes called for redemption shall have been made available in accordance with the immediately preceding paragraph, the Notes called for redemption will cease to accrue interest and the only right of the Holders of such Notes will be to receive payment of the Redemption Price of and, subject to Section 3.04, accrued and unpaid interest on such Notes to, but excluding, the Redemption Date. If any Note surrendered for redemption shall not be so paid, interest will be paid, from the Redemption Date until such redemption payment is made, on the unpaid principal of the Note and any interest not paid on such unpaid principal, in each case at the rate and in the manner provided in the Notes.

Section 3.06 Notes Redeemed in Part.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount thereof that is to be redeemed. The Issuer will issue a new Note of the applicable series in a principal amount equal to the unredeemed portion of the original Note in the name of the Holder upon cancellation of the original Note (and, in the case the original Note is in the form of a Global Note under the New Safekeeping Structure, the Trustee shall instruct, or cause the Paying Agent to instruct, the Common Safekeeper to effectuate such new Note and such Note shall have been effectuated by the Common Safekeeper to reflect such redemption). Notes called for redemption become due on the date fixed for redemption. Unless the Issuer defaults in payment of the Redemption Price, interest will cease to accrue on the Notes or portions thereof called for such redemption on the Redemption Date.

Section 3.07 Optional Redemption.

(a) *2022 Notes.* At any time and from time to time, the Issuer may redeem some or all of the 2022 Notes, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to the greater of:

(1) 100% of the aggregate principal amount of the 2022 Notes being redeemed, and

(2) the sum of the present values, as calculated by the Issuer, of the remaining scheduled payments of principal and interest on the 2022 Notes being redeemed that would be due if the 2022 Notes matured on the Maturity Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association) at the Bund Rate plus 25 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Issuer.

(c) *2024 Notes, 2027 Notes and 2032 Notes.* At any time and from time to time prior to the Applicable Par Call Date for the Notes of the applicable series, the Issuer may redeem some or all of the 2024 Notes, the 2027 Notes or the 2032 Notes, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to the greater of:

(1) 100% of the aggregate principal amount of the Notes of such series being redeemed, and

(2) the sum of the present values, as calculated by the Issuer, of the remaining scheduled payments of principal and interest on the Notes of such series being redeemed that would be due if the Notes of such series matured on the Applicable Par Call Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association) at the Bund Rate plus,

(A) in the case of any 2024 Notes being redeemed, 25 basis points,

(B) in the case of any 2027 Notes being redeemed, 30 basis points,

(C) in the case of any 2032 Notes being redeemed, 35 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

On or after the Applicable Par Call Date, the 2024 Notes, the 2027 Notes or the 2032 Notes will be redeemable in whole at any time or in part, from time to time, at the option of the Issuer, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to 100% of the principal amount of the Notes of such series to be redeemed plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Issuer.

(b) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

Section 3.08 Special Mandatory Redemption

(a) If the Contribution, the Distribution and the Combination are not consummated on or before February 1, 2021, or if, prior to such date, a Combination Termination Event occurs, the Issuer shall be required to redeem each series of the Notes (the "*Special Mandatory Redemption*") on the Special Mandatory Redemption Date at the redemption price (the "*Special Mandatory Redemption Price*") equal to 101% of their respective principal amounts, plus accrued and unpaid interest thereon, if any, to, but excluding, the Special Mandatory Redemption Date. If the Special Mandatory Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Issuer. The term "*Special Mandatory Redemption Date*" means the date specified by the Issuer in the notice to Holders described in Section 3.08(b) that is not less than 5 days nor more than 20 Business Days following the date of the notice to Holders described in Section 3.08(b). The term "*Combination Termination Event*" means notification by Newco and Mylan N.V. to the Trustee that (i) the Business Combination Agreement has terminated in accordance with its terms prior to the consummation of the Combination or (ii) the Combination will otherwise not be pursued.

(b) Notwithstanding anything to the contrary in this Article III, the Issuer will cause the notice of Special Mandatory Redemption to be distributed to the Trustee within five Business Days after (a) (in the event of a Combination Termination Event) the date of such Combination Termination Event or (b) (in the event the Contribution, the Distribution and the Combination are not consummated on or before February 1, 2021) February 1, 2021, and the Trustee will then promptly forward (at the Issuer's sole expense) such notice by first-class mail (or otherwise delivered in accordance with the procedures of the Depositary) to each Holder of the applicable series of Notes at its registered address.

(c) If funds sufficient to pay the Special Mandatory Redemption Price of all of any series of Notes to be redeemed on the Special Mandatory Redemption Date are deposited with a Paying Agent or the Trustee on or before such Special Mandatory Redemption Date, such Notes will cease to bear interest and, other than the right to receive the Special Mandatory Redemption Price for such Notes, all rights under such Notes shall terminate.

(d) The provisions relating to Special Mandatory Redemption, with the exception of the Special Mandatory Redemption Price to be paid to Holders upon a Special Mandatory Redemption, may not be waived or modified for any series of Notes without the written consent of Holders of at least 66²/₃% in principal amount of that series of Notes outstanding. The Special Mandatory Redemption Price to be paid to Holders upon a Special Mandatory Redemption may not be waived or modified for any series of Notes without the written consent of each Holder of Notes of a series affected thereby.

(e) Upon the consummation of the Contribution, the Distribution and the Combination on or before February 1, 2021, the foregoing provisions regarding the Special Mandatory Redemption will cease to apply.

Section 3.09 Tax Redemption.

If (a) a Payor becomes or will become obligated to pay Additional Amounts with respect to any Notes of a series pursuant to Section 4.17 as a result of any change in, or amendment to, the laws or regulations of a Relevant Jurisdiction, or any change in the official interpretation or application of the laws or regulations of a Relevant Jurisdiction, which change or amendment becomes effective after the date of the Offering Memorandum, and (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, the Issuer may at its option, upon not less than 10 days' prior written notice (which notice shall be irrevocable), redeem all, but not a portion of, the Notes of such series at any time at their principal amount plus accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, provided that no such notice of redemption shall be given earlier than 30 days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts were a payment in respect of the Notes then due. Prior to the publication of any notice of redemption pursuant to this Section 3.09, the Issuer shall deliver to the Trustee (i) a certificate stating that the requirements referred to in (a) and (b) above are satisfied, and (ii) an Opinion of Counsel to the effect that the Issuer has or will become obliged to pay such Additional Amounts as a result of the change or amendment, in each case to be held by the Trustee and made available for viewing at the offices of the Trustee on written request by any Holder of the Notes of such series.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Issuer.

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes of a series called for redemption on the applicable Redemption Date.

For Notes which are represented by global certificates held on behalf of Euroclear and/or Clearstream, notices may be given by delivery of the relevant notices to Euroclear and/or Clearstream for communication to entitled account holders in substitution for the notification method set out above. If and for so long as any Notes are listed on the Official List of Euronext Dublin and admitted for trading on the Global Exchange Market and the rules of Euronext Dublin so require, any such notice to the holders of the relevant Notes shall also be published to the extent and in the manner permitted by such rules, posted on the official website of Euronext Dublin (www.ise.ie) and, in connection with any redemption, the Issuer will notify Euronext Dublin of any change in the principal amount of Notes outstanding.

ARTICLE IV
COVENANTS

Section 4.01 Payment of Principal, Premium and Interest.

The Issuer covenants and agrees that it will duly and punctually pay the principal of (and premium, if any) and interest on the Notes in accordance with the terms of the Notes and this Indenture.

Section 4.02 Maintenance of Office or Agency.

The Issuer will maintain in each Place of Payment for Notes an office or agency where Notes may be presented or surrendered for payment, where Notes may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Issuer hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuer of its obligation to maintain an office or agency in each Place of Payment for Notes for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03 Reports to Holders.

(a) Notwithstanding that Newco may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, Newco will file with the Commission and provide the Trustee with such annual and quarterly reports and such information, documents and other reports as are specified in Sections 13 and 15(d) of the Exchange Act and applicable to a U.S. corporation subject to such sections, such information, documents and reports to be so filed and provided at the times specified for the filing of such information, documents and reports under such sections; *provided, however*, that (1) Newco will not be required to provide the Trustee with any such information, documents and reports that are filed with the Commission and (2) Newco will not be so obligated to file such information, documents and reports with the Commission if the Commission does not permit such filings; *provided further, however*, that if the Commission does not permit such filings, Newco will be required to provide to Holders any such information, documents or reports that are not so filed.

(b) Notwithstanding anything herein to the contrary, in the event that Newco fails to comply with its obligation to file or provide such information, documents and reports as required hereunder, Newco will be deemed to have cured such Default for purposes of Section 6.01(4) upon the filing or provision of all such information, documents and reports required hereunder prior to the expiration of 120 days after written notice to Newco of such failure from the Trustee or the Holders of at least 25% of the principal amount of the applicable series of Notes.

(c) Notwithstanding anything herein to the contrary, the information, documents and reports required pursuant to this Indenture may, at the option of Newco, instead be those of any direct or indirect parent entity of Newco so long as such parent entity fully and unconditionally guarantees, by execution of this Indenture or a supplemental indenture, the obligations of the Issuer in respect of the Notes and such parent entity and the Issuer and Newco comply with the requirements of Rule 3-10 and Rule 13-01 of Regulation S-X promulgated by the Commission (or any successor provisions).

(d) This Section 4.03 shall not apply to Newco prior to the consummation of the Combination.

Section 4.04 Corporate Existence.

Subject to Article V, the Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated and existing under the laws of the Netherlands.

Subject to Article V, Newco will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a corporation.

Section 4.05 Money for Notes Payments To Be Held in Trust.

If the Issuer shall at any time act as its own Paying Agent with respect to the Notes, it will, on or before each due date of the principal of (and premium, if any) or interest on any of the Notes, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Issuer shall have a Paying Agent for the Notes, it will, prior to 11:00 a.m., London time, on each due date of the principal of (and premium, if any) or interest on the Notes, deposit with the Paying Agent a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of its action or failure so to act.

The Issuer will cause the Paying Agent, other than the Trustee, to execute and deliver to the Trustee an instrument in which the Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that the Paying Agent will:

- (a) hold all sums held by it for the payment of the principal of (and premium, if any) or interest on the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;
- (b) give the Trustee notice of any default by the Issuer (or any other obligor upon the Notes) in the making of any payment of principal (and premium, if any) or interest on the Notes; and
- (c) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by the Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct the Paying Agent to pay, to the Trustee all sums held by the Issuer or the Paying Agent, such sums to be held by the Trustee for the benefit of the Holders; and, upon such payment by the Paying Agent to the Trustee, the Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or the Paying Agent, or then held by the Issuer, for the benefit of the Holders for the payment of the principal of (and premium, if any) or interest on the Notes and remaining unclaimed for three years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Issuer on Issuer Order, or (if then held by the Issuer) shall be discharged from any obligation to hold such amounts for the benefit of the Holders; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Trustee or the Paying Agent with respect to such money held for the benefit of the Holders, and all liability of the Issuer with respect thereto, shall thereupon cease; *provided, however*, that the Trustee or the Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in New York, New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 4.06 Payment of Taxes and Other Claims.

Newco will pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon Newco or any Subsidiary of Newco or upon the income, profits or property of Newco or any Subsidiary of Newco, and (2) all lawful claims against Newco or any Subsidiary of Newco for labor, materials and supplies, which in the case of either clause (1) or (2) of this Section 4.06, if unpaid, might by law become a lien upon a Property; *provided, however*, that neither Newco nor any Subsidiary of Newco shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings.

Section 4.07 Limitation on Liens.

Newco will not, and will not permit any Subsidiary of Newco to, directly or indirectly, Incur or permit to exist any Lien (the “*Initial Lien*”) of any nature whatsoever on any of its properties (including Capital Stock of a Subsidiary of Newco), whether owned on the Issue Date or thereafter acquired, securing any Indebtedness of Newco or a Domestic Subsidiary of Newco, other than Permitted Liens, without effectively providing that the Notes shall be secured equally and ratably with (or prior to) such Indebtedness so secured for so long as such Indebtedness is so secured.

Any Lien created for the benefit of the Holders pursuant to this Section 4.07 shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

Section 4.08 Purchase of Notes Upon a Change of Control Repurchase Event.

(a) If a Change of Control Repurchase Event occurs with respect to a series of Notes, each Holder of such series of Notes will have the right to require that Newco or the Issuer purchase all or any part (in denominations of €100,000 and integral multiples of €1,000 in excess thereof) of such Holder’s Notes of such series pursuant to a Change of Control offer (a “*Change of Control Offer*”) on the terms set forth in this Indenture. In the Change of Control Offer, Newco or the Issuer will offer to purchase all of the Notes of such series at a purchase price (the “*Change of Control Purchase Price*”) in cash in an amount equal to 101% of the principal amount of such series of Notes, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of purchase (the “*Change of Control Purchase Date*”). If the Change of Control Purchase Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to purchase by Newco or the Issuer.

(b) Within 30 days after any Change of Control Repurchase Event with respect to a series of Notes or, at Newco or the Issuer’s option, prior to such Change of Control but after it is publicly announced (*provided* that a definitive agreement is in place for such Change of Control), Newco or the Issuer must cause written notice of the Change of Control Repurchase Event to be distributed to the Trustee, and the Trustee will then promptly forward (at the Issuer’s sole expense) such notice to each Holder of such series of Notes at its address appearing in the security register or otherwise in accordance with the procedures of the relevant depository (or in the case of a Note issued in the form of a Global Note under the New Safekeeping Structure, the applicable procedures of the Common Safekeeper). The notice must state, among other things:

(1) that a Change of Control Repurchase Event has occurred or may occur with respect to such series of Notes and the date of such event;

(2) the purchase price and the purchase date which shall be fixed by Newco or the Issuer on a Business Day no earlier than 10 days nor later than 60 days from the date the notice is transmitted, or such later date as is necessary to comply with requirements under the Exchange Act; *provided* that the purchase date may not occur prior to the Change of Control;

(3) that any Note of such series not tendered will continue to accrue interest;

(4) that, unless Newco or the Issuer defaults in the payment of the Change of Control Purchase Price with respect to a series of Notes, any Notes of such series accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Purchase Date; and

(5) other procedures that a Holder of Notes of such series must follow to accept a Change of Control Offer or to withdraw acceptance of the Change of Control Offer.

(c) Newco and the Issuer will comply with the applicable tender offer rules, including Rule 14e-1 under the Exchange Act, and any other applicable securities laws or regulations in connection with a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.08, Newco and the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.08 by virtue of its compliance with such securities laws or regulations. Neither Newco nor the Issuer will be required to make a Change of Control Offer upon a Change of Control Repurchase Event if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements described in this Indenture applicable to a Change of Control Offer made by Newco or the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (ii) the Issuer has exercised the right to redeem all of the Notes of such series pursuant to Section 3.07. For Notes which are represented by global certificates held on behalf of Euroclear and/or Clearstream, notices may be given by delivery of the relevant notices to each of Euroclear and/or Clearstream for communication to entitled account holders. If and for so long as the Notes are listed on the Official List of Euronext Dublin and admitted for trading on the Global Exchange Market and the rules of Euronext Dublin so require, the Issuer will publish notices relating to the Change of Control Offer to the extent and in the manner permitted by such rules, posted on the official website of Euronext Dublin (www.ise.ie).

(d) On the Change of Control Purchase Date, Newco and the Issuer will, to the extent permitted by law:

(1) accept for payment all Notes of each applicable series or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Purchase Price in respect of all Notes of each applicable series or portions thereof so tendered; and

(3) deliver, or cause to be delivered, to the Trustee for cancellation of the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by Newco or the Issuer.

Section 4.09 Restrictions on Sale Leaseback Transactions.

Neither Newco nor any Domestic Subsidiary of Newco will enter into any Sale Leaseback Transaction with respect to any property unless:

(a) Newco or such Domestic Subsidiary would be entitled to create a Lien on such property securing Attributable Debt without equally and ratably securing the Notes pursuant to Section 4.07; and

(b) the gross proceeds received by Newco or such Domestic Subsidiary in connection with such Sale Leaseback Transaction are at least equal to the Fair Market Value of such property.

Notwithstanding the foregoing, Newco or any Domestic Subsidiary of Newco may enter into a Sale Leaseback Transaction if (x) during the twelve months following the effective date of the Sale Leaseback Transaction, Newco or any such Domestic Subsidiary applies an amount equal to the greater of the net proceeds of such sale or transfer and the Fair Market Value of the property that Newco or such Domestic Subsidiary leases in the transaction to (i) the voluntary retirement of the Notes or other Indebtedness of Newco or any Domestic Subsidiary of Newco, *provided* that such Indebtedness ranks *pari passu* or senior to the Notes, or (ii) the acquisition, purchase, construction, development, extension or improvement of any property or assets of Newco or any Domestic Subsidiary of Newco used or to be used by or for the benefit of Newco or any Domestic Subsidiary of Newco in the ordinary course of business, or (y) Newco or such Domestic Subsidiary equally and ratably secures the Notes as described under Section 4.07.

Section 4.10 Mylan Guarantees.

Within one Business Day after the consummation of the Combination, Newco shall cause each of the Mylan Guarantors to enter into the Mylan Guarantors Supplemental Indenture, pursuant to which the Mylan Guarantors will Guarantee the Issuer's Indenture Obligations, fully and unconditionally and on a senior unsecured basis.

Each Guarantee of a Mylan Guarantor will be limited in amount to an amount not to exceed the maximum amount that can be guaranteed by the applicable Mylan Guarantor without rendering the Guarantee, as it relates to such Mylan Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Notwithstanding the foregoing, any Guarantee by any Mylan Guarantor will be automatically and unconditionally terminated and released, without any action on the part of the Trustee, any holder of the Notes or any other person in accordance with Section 10.07.

Not more than five Business Days after the consummation of the Combination, Newco shall notify the Trustee in writing that the Combination has been consummated.

Section 4.11 Additional Guarantees.

Following the consummation of the Combination, if any Subsidiary of Newco that is not a Guarantor of the Issuer's Indenture Obligations (other than the Issuer or a Receivables Entity) becomes a guarantor or an obligor in respect of any Triggering Indebtedness, within 10 Business Days of such event Newco shall cause such Subsidiary to enter into a supplemental indenture pursuant to which such Subsidiary shall agree to Guarantee the Issuer's Indenture Obligations, fully and unconditionally and on a senior unsecured basis, *provided* that in no event shall a Subsidiary of Newco be required to provide a Guarantee of the Issuer's Indenture Obligations if Newco reasonably determines that such Guarantee is prohibited by, or would be unduly burdensome under, applicable laws or would result in adverse tax consequences to Newco or any of its Subsidiaries.

Notwithstanding the foregoing, any Guarantee by any Guarantor (other than Pfizer) shall be automatically and unconditionally terminated and released, without any action on the part of the Trustee, any holder of the Notes or any other person in accordance with Section 10.07.

Each Guarantee shall be limited in amount to an amount not to exceed the maximum amount that can be guaranteed by the applicable Guarantor without rendering the Guarantee, as it relates to such Guarantor, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer or similar laws affecting the rights of creditors generally.

Section 4.12 Limitations on the Issuer Acquiring and Holding Assets.

So long as any Issuer Indebtedness remains outstanding, the Issuer shall not acquire and hold any material assets, other than (i) any intercompany notes or receivables or (ii) any proceeds from any Indebtedness issued by the Issuer.

Section 4.13 Compliance Certificate.

(a) The Issuer and each Guarantor shall deliver to the Trustee, within 120 days after the end of each fiscal year, an Officer's Certificate stating that a review of the activities of Newco and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Issuer has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Issuer has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Issuer is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium on, if any, or interest, if any, on, the Notes is prohibited or if such event has occurred, a description of the event and what action the Issuer is taking or proposes to take with respect thereto.

(b) So long as any of the Notes are outstanding, the Issuer will deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Issuer is taking or proposes to take with respect thereto.

Section 4.14 Stay, Extension and Usury Laws.

The Issuer and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.15 Use of Proceeds.

Newco and the Issuer will use the net proceeds from the offering of the Notes in the manner specified in "Use of Proceeds" contained in the Offering Memorandum, and will not distribute or otherwise transfer such proceeds other than (i) pursuant to an intercompany loan or other transfer, directly or indirectly, to Newco or (ii) in connection with or following the consummation of the Contribution.

Section 4.16 No Limitations on RMT Transactions.

Notwithstanding anything in this Article IV or elsewhere in this Indenture to the contrary, each of the RMT Transactions will be permitted under this Indenture (and, except as set forth in Section 4.15, in no event shall any of the RMT Transactions be subject to any of the covenants contained in this Indenture).

Section 4.17 Payments of Additional Amounts.

All payments in respect of the Notes by the Issuer, a Paying Agent, a Guarantor or any other Person on behalf of the Issuer, or any successor thereto (each, a "Payor") shall be made free and clear of, and without

withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature (collectively, "Taxes"), unless such withholding or deduction is required by applicable law. Where the withholding or deduction of Taxes is imposed, collected, withheld, assessed or levied by or on behalf of any jurisdiction in which the Payor is incorporated or tax resident (and in the case of the Paying Agent, the jurisdiction through which the Paying Agent makes the payments on the Notes), or any Governmental Authority or political subdivision thereof or therein having the power to tax (a "Relevant Jurisdiction") the Payor will, subject to the exceptions and limitations set forth below, pay as additional interest on the Notes of each series such additional amounts ("Additional Amounts") as are necessary so that the net payment by the Issuer or a Paying Agent or other Payor of the principal of, premium, if any, and interest on such Notes, after deduction for any Taxes of a Relevant Jurisdiction, imposed by withholding with respect to the payment, will not be less than the amount that would have been payable in respect of such Notes had no withholding or deduction been required. A Payor's obligation to pay Additional Amounts shall not apply:

(1) to the extent any Taxes are imposed by reason of the Holder (or the beneficial owner for whose benefit such Holder holds such Note), or a fiduciary, settlor, beneficiary, member or shareholder of the Holder if the Holder is an estate, trust, partnership or corporation, or a person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(A) being or having been engaged in a trade or business in the Relevant Jurisdiction or having or having had a permanent establishment in the Relevant Jurisdiction;

(B) having a current or former connection with the Relevant Jurisdiction (other than a connection arising solely as a result of the ownership of the Notes, the receipt of any payment or the enforcement of any rights hereunder), including being or having been a citizen or resident of the Relevant Jurisdiction;

(C) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation for United States income tax purposes or a corporation that has accumulated earnings to avoid U.S. federal income tax;

(D) being or having been a "10-percent shareholder" of Newco as defined in section 871(h)(3) of the United States Internal Revenue Code of 1986, as amended (the "Code"); or

(E) being or having been a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business, as described in section 881(c)(3)(A) of the Code;

(2) to any Holder that is not the sole beneficial owner of the Notes, or a portion thereof, or that is a fiduciary or partnership, but only to the extent that the beneficial owner, a beneficiary or settlor with respect to the fiduciary, or a member of the partnership would not have been entitled to the payment of an Additional Amount had such beneficial owner, beneficiary, settlor or member received directly its beneficial or distributive share of the payment;

(3) to any Taxes that are imposed or withheld because the Holder or beneficial owner failed to accurately comply with a request from a Payor to meet certification, identification or information reporting requirements concerning the nationality, residence or identity of the Holder or beneficial owner of the Notes or to satisfy any information or reporting requirement, or to present the relevant note (where presentation is required), if compliance with such action is required as a precondition to exemption from, or reduction in, such Taxes by a Relevant Jurisdiction;

(4) to any Taxes that are imposed other than by withholding or deduction by a Payor from the payment under, or with respect to, a Note;

(5) to any estate, inheritance, gift, sales, excise, transfer, wealth, personal property or similar Taxes;

(6) as of January 1, 2021, to any Taxes to the extent such Taxes are imposed or withheld pursuant to the Dutch Withholding Tax Act 2021 (Wet bronbelasting 2021);

(7) to any Taxes to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant amount is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30-day period); or

(8) in the case of any combination of the above items.

In addition, any amounts to be paid on the Notes of each series will be paid net of any deduction or withholding imposed or required pursuant to Sections 1471 through 1474 of the Code, any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code, and no additional amounts will be required to be paid on account of any such deduction or withholding.

The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable. Except as specifically provided in this Section 4.17 and in Section 3.09 no Payor is required to make any payment with respect to any Taxes imposed by any Governmental Authority or political subdivision having the power to tax.

Section 4.18 Listing.

The Issuer shall use its commercially reasonable efforts to obtain and, for so long as the Notes are outstanding, maintain a listing of the Notes on the Official List of Euronext Dublin and their admission to trading on the Global Exchange Market thereof; provided that if at any time the Issuer determines that it will not obtain or maintain the listing of the Notes on Euronext Dublin, it shall use its commercially reasonable efforts to obtain and thereafter maintain, a listing of such Notes on another market of a stock exchange in the European Union recognized by the European Central Bank as an “acceptable market” under the ECB Guideline on the implementation of the Eurosystem monetary policy (Guideline (EU) 2015/510, as amended).

ARTICLE V SUCCESSORS

Section 5.01 Consolidation, Merger and Sale of Assets.

(a) Newco will not consolidate with any other entity or accept a merger of any other entity into Newco or permit Newco to be merged into another Person, or sell or lease all or substantially all the assets of Newco and its Subsidiaries to, any entity, unless:

(1) either Newco shall be the continuing entity or the successor, transferee or lessee entity, if other than Newco (the “*Newco Successor Company*”) shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of Newco under the Notes and this Indenture;

(2) immediately after such transaction, no Default shall have occurred and be continuing; and

(3) Newco shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale or lease and such supplemental indenture (if any) comply with this Indenture.

(b) For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer or other disposition of all or substantially all of the properties and assets or one or more Subsidiaries of Newco, which properties and assets, if held by Newco instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of Newco on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of Newco.

(c) The Newco Successor Company will be the successor to Newco and shall succeed to, and be substituted for, and may exercise every right and power of, Newco under this Indenture, and Newco, as the predecessor company, except in the case of a lease, shall be released from all obligations under this Indenture and the Notes.

(d) The Issuer will not consolidate with any other entity or accept a merger of any other entity into the Issuer or permit the Issuer to be merged into another entity, unless:

(1) either the Issuer shall be the continuing entity or the successor entity, if other than the Issuer (the "*Issuer Successor Company*"), shall expressly assume, by a supplemental indenture, executed and delivered to the Trustee, all the obligations of the Issuer under the Notes and this Indenture;

(2) immediately after such transaction, no Default shall have occurred and be continuing; and

(3) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation or merger and such supplemental indenture comply with this Indenture.

The Issuer Successor Company will be the successor to the Issuer and shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture, and the Issuer as the predecessor company, shall be released from all obligations under this Indenture and the Notes.

(e) Notwithstanding anything herein to the contrary, each of the RMT Transactions will be permitted under this Indenture (and in no event shall any such transactions be subject to this covenant).

ARTICLE VI DEFAULTS AND REMEDIES

Section 6.01 Events of Default.

Each of the following events shall be an "*Event of Default*" with respect to the Notes of a series:

(1) a failure to pay interest on the Notes of such series that continues for a period of 30 days after payment is due;

(2) a failure to pay the principal or premium, if any, on the Notes of such series when due upon maturity, redemption, acceleration or otherwise;

(3) a failure to comply with Section 5.01;

(4) a failure to comply with (x) any of Newco's or the Issuer's other agreements contained in this Indenture and applicable to the Notes of such series (other than (i) a failure that is subject to clause (1), (2) or (3) of this Section 6.01 or (ii) a failure to comply with Section 4.03) for a period of 60 days after receipt by the Issuer of written notice of such failure from the Trustee (or receipt by the Issuer and the Trustee of written notice of such failure from the Holders of at least 25% of the principal amount of the applicable series of Notes) or (y) the requirements set forth in Section 4.03 for a period of 120 days after receipt by the Issuer of written notice of such failure from the Trustee (or receipt by the Issuer and the Trustee of written notice of such failure from the holders of at least 25% of the principal amount of the applicable series of Notes);

(5) one or more defaults shall have occurred under any of the agreements, indentures or instruments under which Newco or any Significant Subsidiary has outstanding Indebtedness in excess of \$250.0 million, individually or in the aggregate, and either (a) such default results from the failure to pay such Indebtedness at its stated final maturity and such default has not been cured or the Indebtedness repaid in full within 20 days of the default or (b) such default or defaults have resulted in the acceleration of the maturity of such Indebtedness and such acceleration has not been rescinded or such Indebtedness repaid in full within 20 days of the acceleration;

(6) one or more judgments or orders that exceed \$250.0 million in the aggregate (net of amounts covered by insurance or bonded) for the payment of money have been entered by a court or courts of competent jurisdiction against Newco or any Significant Subsidiary and such judgment or judgments have not been satisfied, stayed, annulled or rescinded within 60 days after such judgment or judgments become final and nonappealable;

(7) any Guarantee by Newco or a Significant Subsidiary of the Issuer's Indenture Obligations under the Notes of such series shall for any reason cease to be, or shall for any reason be held in any judicial proceeding not to be, or asserted in writing by Newco or any Significant Subsidiary not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by this Indenture and any such Guarantee by Newco or such Significant Subsidiary of the Issuer's Indenture Obligations under the Notes of such series, and any such Default continues for 10 days;

(8) the Issuer, Newco or any Significant Subsidiary:

(A) commences a voluntary insolvency proceeding;

(B) consents to the entry of an order for relief against it in an involuntary insolvency proceeding or consents to its dissolution or winding-up;

(C) consents to the appointment of a Custodian of it or for any substantial part of its property;

(D) makes a general assignment for the benefit of its creditors;

(E) generally is not paying its debts as they become due; or

(F) takes any comparable action under any foreign laws relating to insolvency;

provided, however, that the liquidation of any Subsidiary of Newco into Newco or another Subsidiary of Newco, other than as part of a credit reorganization, shall not constitute an Event of Default under this Section 6.01(8); and

(9) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Issuer, Newco or any Significant Subsidiary in an involuntary insolvency proceeding;

(B) appoints a Custodian of the Issuer, Newco or any Significant Subsidiary or for any substantial part of their property;

(C) orders the winding-up, liquidation or dissolution of the Issuer, Newco or any Significant Subsidiary;

(D) orders the presentation of any plan or arrangement, compromise or reorganization of the Issuer, Newco or any Significant Subsidiary; or

(E) grants any similar relief under any foreign laws; and in each such case the order or decree remains unstayed and in effect for 60 days.

(10) prior to the consummation of the Distribution, the Pfizer Guarantee shall be held in any judicial proceeding not to be in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by this Indenture or the Guarantee Agreement.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

Section 6.02 Acceleration of Maturity; Rescission.

If an Event of Default with respect to the Notes of a series (other than an Event of Default specified in Sections 6.01(8) and 6.01(9) with respect to Newco or the Issuer) shall have occurred and be continuing, the Trustee or the Holders of at least 25% in outstanding principal amount of the Notes of such series, may declare to be immediately due and payable the principal amount of all of the Notes of such series then outstanding, plus accrued but unpaid interest thereon, if any, to the date of acceleration. If an Event of Default specified in Sections 6.01(8) and 6.01(9) with respect to Newco or the Issuer shall occur, such amount with respect to all the Notes shall become automatically due and payable immediately without any further action or notice. However, a notice of Default or notice of continuing Event of Default (including any declaration of acceleration) with respect to the Notes of any series may not be given with respect to any action taken, and reported publicly or to holders of the Notes of such series, more than two years prior to such notice. After any such acceleration, but before a judgment or decree based on acceleration is obtained by the applicable person, the registered Holders of a majority in principal amount of the then outstanding Notes of such series may cancel such acceleration if (i) the rescission would not conflict with any judgment or decree and (ii) if all existing Events of Default have been cured or waived except nonpayment of principal, that has become due solely because of the acceleration. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

Subject to Section 7.01, in case an Event of Default shall occur and be continuing, the Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders of Notes of any series, unless such Holders have offered to the Trustee reasonable security and/or indemnity to its satisfaction. Subject to Section 7.06, the Holders of a majority in aggregate principal amount of any series of Notes then outstanding will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power the Trustee holds with respect to the Notes of such series.

Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, and interest on the Notes of each applicable series or to enforce the performance of any provision of the Notes of each applicable series or this Indenture and may take any necessary action requested of it as Trustee to settle, compromise, adjust or otherwise conclude any proceedings to which it is a party.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. Any such proceeding instituted by the Trustee may be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements of the Trustee and its counsel, be for the ratable benefit of the Holders of the Notes in respect of which such judgment has been recovered. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative, to the extent permitted by law. Any costs associated with actions taken by the Trustee under this Section 6.03 shall be reimbursed to the Trustee by the Issuer.

Section 6.04 Waiver of Past Defaults and Events of Default.

Provided the Notes of a series are not then due and payable by reason of a declaration of acceleration, the Holders of a majority in principal amount of the then outstanding Notes of such series may on behalf of the Holders of all the affected Notes of such series waive any past Default with respect to such series of Notes and its consequences by providing written notice thereof to the Issuer and the Trustee, except a Default (1) in the payment of interest on or the principal of any Note or (2) in respect of a covenant or provision hereof which under this Indenture cannot be modified or amended without the consent of the Holder of each outstanding Note affected. In the case of any such waiver, the Issuer, the Trustee and the Holders of the Notes of the applicable series will be restored to their former positions and rights under this Indenture, respectively; *provided* that no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 6.05 Control by Majority.

The Holders of at least a majority in aggregate principal amount of the outstanding Notes of a series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Notes of such series. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of the affected Notes not joining in the giving of such direction and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of the Notes.

Section 6.06 Limitation on Suits.

No Holder of the Notes of a series will have any right to institute any proceeding with respect to this Indenture, or for any remedy hereunder, unless:

(1) the Trustee has failed to institute such proceeding for 60 days after the Holder has previously given to the Trustee written notice of a continuing Event of Default with respect to the Notes of such series;

(2) the Holders of at least 25% in aggregate principal amount of the outstanding Notes of such series have made a written request, and offered reasonable indemnity, to the Trustee to institute such proceeding as Trustee; and

(3) the Trustee has not received from the Holders of a majority in aggregate principal amount of the outstanding Notes of such series a direction that is inconsistent with such request.

However, the Holder of any Note will have an absolute and unconditional right to receive payment of the principal of, and premium, if any, or interest on, such Note on or after the date or dates they are to be paid as expressed in such Note and to institute suit for the enforcement of any such payment.

Section 6.07 Rights of Holders To Receive Payment.

Notwithstanding any other provision of this Indenture, except as otherwise provided in Section 8.02(d), the right of any Holder of a Note to receive payment of the principal of or premium, if any, or interest, if any, on such Note (including in connection with an offer to purchase) or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes shall not be impaired or affected without the consent of such Holder. Notwithstanding the foregoing, each Holder of a Note, and each owner of a beneficial interest in a Note, shall be deemed to acknowledge and agree that the release of any Guarantee in accordance with the terms of this Indenture shall not impair the right of such Holder or owner to receive any payment of the principal of or premium, if any, or interest, if any, on such Note, and each such Holder and each such owner, by acquiring any interest in a Note, thereby consents to any such release and waives any and all claims against the Trustee, the Issuer and any Guarantor in connection with such release.

Section 6.08 Collection Suit by Trustee.

If an Event of Default in payment of principal, premium or interest specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer (or any other obligor on the Notes) for the whole amount of unpaid principal and accrued interest remaining unpaid.

Section 6.09 Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06) and the Holders allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes), its creditors or its property and, unless prohibited by law, shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same after deduction of its charges and expenses to the extent that any such charges and expenses are not paid out of the estate in any such proceedings and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceedings. All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

Section 6.10 Priorities.

Any money or property collected by the Trustee pursuant to this Article VI, and any money or other property distributable in respect of the Issuer's obligations under this Indenture after an Event of Default shall be applied in the following order:

FIRST: to the Trustee (including any predecessor Trustee) for amounts due under Section 7.06;

SECOND: to Holders for amounts due and unpaid on the affected Notes for principal, premium, if any, and interest as to each, ratably, without preference or priority of any kind, according to the amounts due and payable on the affected Notes; and

THIRD: to the Issuer.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the Notes of a series then outstanding.

Section 6.12 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Notes to exercise any right or remedy occurring upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article VI or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

ARTICLE VII
TRUSTEE

Section 7.01 Duties of Trustee.

(a) If a Responsible Officer of the Trustee has received written notice that an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it under this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture but, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts, statements, opinions or conclusions stated therein).

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of clause (b) or (d) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction of the Holders of a majority in aggregate principal amount of the outstanding Notes of any series, determined as provided herein, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Notes of such series.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Section 7.01.

(f) The Trustee shall not be liable for interest or earnings on any money received by it except as the Trustee may agree in writing with the Issuer. Money held by the Trustee for the benefit of the Holders need not be segregated from other funds except to the extent required by the law.

(g) The Trustee shall not be responsible for the application of any money by any Paying Agent other than the Trustee.

Section 7.02 Rights of Trustee.

Subject to Section 7.01:

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in its original or facsimile form) believed in good faith by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order and any resolution of the Board of Directors may be sufficiently evidenced by a board resolution.

(c) Whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officer's Certificate.

(d) The Trustee may execute any of the trusts or power hereunder or perform any duties hereunder either directly or by or through attorneys or agents and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent appointed with due care by it hereunder.

(e) The Trustee shall not be liable for any action taken, suffered, or omitted to be taken in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

(f) The Trustee may consult with counsel of its selection, and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in reliance thereon.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security and/or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder. No Agent shall be under any fiduciary duty or other obligations towards, or have any relationship of agency or trust for or with any person other than the Issuer.

(i) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books records, and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(j) The Trustee shall not be deemed to have notice or be charged with knowledge of any Default or Event of Default unless written notice of such Default or Event of Default from the Issuer or any Holder is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(k) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(l) Anything in this Indenture notwithstanding, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), even if the Trustee has been advised as to the likelihood of such loss or damage and regardless of the form of action.

(m) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including, without limitation, any provision of any law or regulation or any act of any Governmental Authority, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action.

(n) The permissive right of the Trustee to take or refrain from taking action hereunder shall not be construed as a duty.

(o) Neither the Trustee nor the Paying Agent shall be liable for any failure on the part of the Common Safekeeper to effectuate any Note issued in the form of a Global Note under the New Safekeeping Structure or for any failure on the part of the Common Safekeeper to do so in a timely manner or for any failure on the part of the Common Safekeeper to take any other action with respect to such Global Notes under the New Safekeeping Structure, in each case unless it shall be proved that the Trustee or the Paying Agent was negligent in instructing the Common Safekeeper to effectuate any such Note in accordance with the applicable provision hereof and the agreed procedures among the Trustee, the Paying Agent and the Common Safekeeper; provided, that the Trustee or the Paying Agent shall not be deemed to have acted with negligence if it shall have given such instructions in the manner and by the time prescribed by the Common Safekeeper; provided further that in the absence of any such prescribed manner or timing, the Trustee or the Paying Agent shall be entitled to give, and shall incur no liability hereunder if it shall give, such instructions by facsimile (without any requirement for telephonic confirmation) to a telephone number provided by the Common Safekeeper for such purpose or by email to an email address provided by the Common Safekeeper for such purpose and shall be protected in giving, and shall incur no liability hereunder in giving, such instructions no later than one Business Day after the applicable Note shall have been delivered to the Trustee for authentication.

(p) Notwithstanding anything else herein contained, the Trustee may refrain without liability from doing anything that would or might in its reasonable opinion be contrary to any applicable law of any state or jurisdiction (including but not limited to the United States of America or any jurisdiction forming a part of it and England & Wales) or any applicable directive or regulation of any agency of any such state or jurisdiction and may without liability do anything which is, in its reasonable opinion, necessary to comply with any such law, directive or regulation.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the Issuer or any Affiliate thereof with the same rights it would have if it were not Trustee.

Any Agent may do the same with like rights. The Trustee is also subject to Section 7.09.

Section 7.04 Trustee's Disclaimer.

The recitals contained herein and in the Notes, except the Trustee's certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity, sufficiency or adequacy of this Indenture or of the Notes. The Trustee shall not be accountable for the use or application by the Issuer of the Notes or the proceeds thereof. The Trustee shall not be responsible to make any calculation with respect to any matter under this Indenture. The Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes and perform its obligations hereunder. The Trustee shall have no duty to monitor or investigate the Issuer's compliance with or the breach of, or cause to be performed or observed, any representation, warranty or covenant made in this Indenture.

Section 7.05 Notice of Defaults.

Within 90 days after the occurrence thereof, and if known to the Trustee pursuant to Section 7.02(j), the Trustee shall give to the Holders of the Notes of a series notice of each Default or Event of Default with respect to the Notes of such series known to the Trustee pursuant to Section 7.02(j), by transmitting such notice to Holders at their addresses as the same shall then appear on the register of the Notes kept by the Registrar, unless such Default shall have been cured or waived before the giving of such notice. Except in the case of a Default or Event of Default in payment of the principal of, premium, if any, or interest on any of the Notes of a series when and as the same shall become payable, or to make any sinking fund payment as to the Notes of a series (including payments pursuant to a redemption or repurchase of the Notes pursuant to the provisions of this Indenture), the Trustee shall be protected in withholding such notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06 Compensation and Indemnity.

(a) The Issuer shall pay to the Trustee and Agents from time to time such reasonable compensation for their services hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as shall be agreed upon in writing. The Issuer shall reimburse the Trustee and Agents upon request for all reasonable disbursements, expenses and advances incurred or made by them in connection with the Trustee's duties under this Indenture, including the reasonable compensation, disbursements and expenses of the Trustee's agents and external counsel, except any such expense, disbursement or advance as may be attributable to its willful misconduct or negligence.

(b) The Issuer shall fully indemnify each of the Trustee and their officers, agents and employees and any predecessor Trustee for, and hold each of them harmless against, any and all loss, damage, claim, liability or expense, including, without limitation, reasonable and documented attorneys' fees and expenses incurred by each of them in connection with the acceptance or performance of its duties under this Indenture including the reasonable and documented costs and expenses of defending itself against any claim (whether asserted by the Issuer, or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder (including, without limitation, settlement costs). The Trustee or Agent shall notify the Issuer in writing promptly of any claim of which a Responsible Officer of the Trustee has received written notice at its Corporate Trust Office asserted against the Trustee or Agent for which it may seek indemnity; *provided* that the failure by the Trustee or Agent to so notify the Issuer shall not relieve the Issuer of its obligations hereunder, except to the extent that the Issuer has been materially prejudiced thereby. The Issuer need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. In the event that a conflict of interest exists or potential harm to the Trustee's business exists, the Trustee may have separate counsel, which counsel must be reasonably acceptable to the Issuer and the Issuer shall pay the reasonable and documented fees and expenses of such counsel.

(c) Notwithstanding the foregoing, the Issuer need not reimburse the Trustee for any expense or indemnify it against any loss or liability to have been incurred by the Trustee through its own willful misconduct or negligence.

(d) To secure the payment obligations of the Issuer in this Section 7.06, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee and such money or property held in trust to pay principal of and interest on particular Notes.

(e) The obligations of the Issuer under this Section 7.06 to compensate and indemnify the Trustee, Agents and each predecessor Trustee and to pay or reimburse the Trustee, Agents and each predecessor Trustee for expenses, disbursements and advances shall be the liability of the Issuer and the lien provided for under this Section 7.06 and shall survive the resignation or removal of the Trustee and the satisfaction, discharge or other termination of this Indenture for any reason, including any termination or rejection hereof under any Bankruptcy Law.

(f) In addition to, but without prejudice to its other rights under this Indenture, when the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(8) or Section 6.01(9) occurs, the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

(g) For purposes of this Section 7.06, the term "Trustee" shall include any predecessor Trustee; *provided, however*, that the negligence, willful misconduct or bad faith of any Trustee hereunder shall not affect the rights or any other Trustee hereunder.

Section 7.07 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign at any time by so notifying the Issuer in writing no later than 30 calendar days prior to the date of the proposed resignation. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by notifying the Issuer and the removed Trustee in writing no later than 30 calendar days prior to the date of the proposed removal and may appoint a successor Trustee with the Issuer's written consent, which consent shall not be unreasonably withheld. The Issuer may remove the Trustee at its election if:

- (1) the Trustee fails to comply with Section 7.09;
- (2) the Trustee is adjudged bankrupt or insolvent or an order for relief entered with respect to the Trustee under Bankruptcy Law;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of at least 10% in principal amount of the outstanding Notes may petition at the expense of the Issuer any court of competent jurisdiction, in the case of the Trustee, for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.09, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Immediately following such delivery, the retiring Trustee shall, subject to the lien and its rights under Section 7.06, transfer all property held by it as Trustee to the successor Trustee, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall transmit notice of its succession to each Holder. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the lien and Issuer's obligations under Section 7.06 shall continue for the benefit of the retiring Trustee.

Section 7.08 Successor Trustee by Consolidation, Merger, etc.

Any Person into which the Trustee or any successor to it in the trusts created by this Indenture shall be merged or converted, or any Person with which it or any successor to it shall be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee or any such successor to it shall be a party, or any Person to which the Trustee or any successor to it shall sell or otherwise transfer all or substantially all of the corporate trust business of the Trustee, shall be the successor Trustee under this Indenture without the execution or filing of any paper or any further act on the part of any of the parties hereto; *provided* that such Person shall be otherwise qualified and eligible under this Article VII. In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture with respect to one or more series of Notes, any of such Notes shall have been authenticated (and, in the case of Notes in the form of Global Notes under the New Safekeeping Structure, effectuated by the Common Safekeeper) but not delivered by the Trustee then in office, any successor to such Trustee may adopt the certificate of authentication of any predecessor Trustee, and deliver such Notes so authenticated (and, in the case of Notes in the form of Global Notes under the New Safekeeping Structure, so effectuated by the Common Safekeeper); and in case at that time any of the Notes shall not have been authenticated (and, in the case of Notes in the form of Global Notes under the New Safekeeping Structure, shall not have been effectuated by the Common Safekeeper), any successor to the Trustee may authenticate such Notes (and, in the case of Notes in the form of Global Notes under the New Safekeeping Structure, instruct or cause the Paying Agent to instruct the Common Safekeeper to effectuate such Notes) either in the name of any predecessor hereunder or in the name of the successor Trustee; *provided, however,* that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 7.09 Eligibility; Disqualification.

There will at all times be a Trustee hereunder that is a Person organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power and that is subject to supervision or examination by federal or state authorities. The Trustee (together with its corporate parent) shall have a combined capital and surplus of at least \$100.0 million as set forth in the most recent applicable published annual report of condition.

The Trustee shall not be deemed to have a conflict of interest under or in respect of its duties under this Indenture.

ARTICLE VIII
AMENDMENT, SUPPLEMENT AND WAIVER

Section 8.01 Without Consent of Holders.

The Issuer, the Guarantors and the Trustee may modify or amend this Indenture without the consent of any Holder of a Note of any series to:

- (1) cure any ambiguity, defect, mistake or inconsistency in this Indenture;
- (2) provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) comply with the provisions of Section 4.10, 4.11 or 5.01, including to provide for or evidence the release of any Guarantor in accordance with Section 10.07;
- (4) evidence and provide for the acceptance of appointment by a successor Trustee;
- (5) [reserved];

(6) make any change that would provide any additional rights or benefits to the Holders of the Notes of such series or that does not adversely affect in any material respect the legal rights under this Indenture of any such Holder;

(7) secure any series of Notes;

(8) provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture (and, for the avoidance of doubt, in the case of Additional Notes in the form of Global Notes under the New Safekeeping Structure, the Trustee shall instruct, or cause the Paying Agent to instruct, the Common Safekeeper to effectuate the Additional Notes);

(9) add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuer or any Guarantor;

(10) conform the text of this Indenture, the Notes or the Guarantees to any provision of the "Description of Notes" contained in the Offering Memorandum; and

(11) allow any Guarantor (including the Mylan Guarantors) to execute a supplemental indenture and/or Guarantee with respect to the Notes of any series.

Upon the written request of the Issuer accompanied by a board resolution of the Board of Directors authorizing the execution of any such supplemental indenture and upon receipt by the Trustee of the documents described in Section 8.05, the Trustee shall join with the Issuer in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture, in which case the Trustee may, but shall not be obligated to, enter into such supplemental indenture.

Section 8.02 With Consent of Holders.

(a) The Issuer, the Guarantors and the Trustee may modify or amend this Indenture as it applies to a series of Notes with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes of such series affected by the modification or amendment (including consents obtained in connection with a tender offer or exchange offer for Notes of such series), and any past default or compliance with any provisions of this Indenture relating to a series of Notes may also be waived (except a default in the payment of principal, premium or interest and a default under clause (b) of this Section 8.02) with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes of such series.

(b) However, no such modification or amendment may, without the consent of each Holder of Notes of a series affected thereby:

(1) extend the due date of the principal of, or any installment of principal of or interest on, the Notes of such series;

(2) reduce the principal amount of, or any premium or interest rate on, the Notes of such series;

(3) change the place or currency of payment of principal of, or any premium or interest on, the Notes of such series;

(4) reduce the amount payable upon the redemption of any Note of such series;

(5) impair the right to institute suit for the enforcement of any payment on or with respect to the Notes of such series after the due date thereof; or

(6) reduce the percentage in principal amount of the then outstanding Notes of such series, the consent of whose Holders is required for modification or amendment of this Indenture, for waiver of compliance with certain provisions of this Indenture or for waiver of certain defaults.

(c) The Holders of a majority of the principal amount of then outstanding Notes of any series may waive future compliance with certain restrictive covenants of this Indenture applicable to such series of Notes. The Holders of at least a majority in principal amount of then outstanding Notes of a series may waive any past default under this Indenture with respect to such series, except a failure by the Issuer to pay the principal of, or any premium or interest on, any Notes of such series or a provision that cannot be modified or amended without the consent of the Holders of all outstanding Notes of such series.

(d) Notwithstanding anything to the contrary, any waiver or modification in accordance with Section 3.08(d), with the exception of the Special Mandatory Redemption Price, shall require the written consent of Holders of at least 66 2/3% in principal amount of that series of Notes outstanding. The Special Mandatory Redemption Price may not be waived or modified for any series of Notes without the written consent of each Holder of Notes of a series affected thereby.

(e) In determining whether the Holders of the required principal amount of a series of Notes have concurred in any direction, notice, waiver or consent, Notes owned by the Issuer, any Subsidiary of the Issuer, or by any Affiliate of the Issuer will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in conclusively relying on any such direction, notice, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

(f) It is not necessary for the consent of the Holders under this Section 8.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment that requires the consent of the Holders of the affected Notes becomes effective, the Issuer shall transmit to each registered Holder of the affected Notes at such Holder's address appearing in the security register a notice briefly describing such amendment. However, the failure to give such notice to all Holders of such Notes, or any defect therein, shall not impair or affect the validity of the amendment.

Upon the written request of the Issuer accompanied by a board resolution of the Board of Directors authorizing the execution of any such supplemental indenture, and upon the receipt by the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders as aforesaid and upon receipt by the Trustee of the documents described in Section 8.05, the Trustee shall join with the Issuer in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture, in which case the Trustee may, but shall not be obligated to, enter into such supplemental indenture.

Section 8.03 Revocation and Effect of Consents.

After an amendment, supplement, waiver or other action becomes effective, a consent to it by a Holder of a Note is a continuing consent conclusive and binding upon such Holder and every subsequent Holder of the same Note or portion thereof, and of any Note issued upon the transfer thereof or in exchange therefor or in place thereof, even if notation of the consent is not made on any such Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date unless the consent of the requisite number of Holders has been obtained.

Section 8.04 Notation on or Exchange of Notes.

If an amendment, supplement, or waiver changes the terms of a Note, the Trustee (in accordance with the specific written direction of the Issuer) shall request the Holder of the Note (in accordance with the specific written direction of the Issuer) to deliver it to the Trustee. In such case, the Trustee shall place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 8.05 Trustee To Sign Amendments, etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article VIII if the amendment, supplement or waiver does not affect the rights, duties, liabilities or immunities of the Trustee. If it does affect the rights, duties, liabilities or immunities of the Trustee, the Trustee may, but need not, sign such amendment, supplement or waiver. In signing or refusing to sign such amendment, supplement or waiver the Trustee shall be entitled to receive and, subject to Section 7.01, shall be fully protected in relying upon an Officer's Certificate and an Opinion of Counsel stating, in addition to the matters required by Section 11.02, that such amendment, supplement or waiver is authorized or permitted by this Indenture.

ARTICLE IX
SATISFACTION AND DISCHARGE OF INDENTURE; DEFEASANCE

Section 9.01 Satisfaction and Discharge of Liability on Notes; Defeasance.

(a) This Indenture will be discharged and will cease to be of further effect with respect to any series of Notes (except as to rights of registration of transfer or exchange of Notes and rights to receive principal of and premium, if any, and interest on such Notes) as to all outstanding Notes of such series issued hereunder when:

(1) either:

(A) all the Notes of such series that have been authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from this trust) have been delivered to the Trustee for cancellation, or

(B) all Notes of such series not delivered to the Trustee for cancellation otherwise (i) have become due and payable, (ii) will become due and payable, or are to be called for redemption, within one year or (iii) have been called for redemption pursuant to the terms of this Indenture and, in any case, the Issuer or any Guarantor has deposited or caused to be deposited with the Paying Agent as trust funds, in trust solely for the benefit of the Holders of such Notes, cash in euro or German Government Obligations or a combination thereof, in such amounts as will be sufficient (without consideration of any reinvestment of interest) to pay and discharge the entire Indebtedness (including all principal and accrued interest) on the Notes of such series not theretofore delivered to the Trustee for cancellation,

(2) the Issuer or any Guarantor has paid all sums payable by it under this Indenture, and

(3) the Issuer has delivered irrevocable instructions to the Paying Agent to apply the deposited money toward the payment of the Notes of such series at maturity or on the Redemption Date, as the case may be.

In addition, the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent to satisfaction and discharge have been complied with.

(b) Subject to clause (c) of this Section 9.01 and Section 9.02, the Issuer may, at its option and at any time, elect to have its obligations and the obligations of the Guarantors discharged with respect to the outstanding Notes of a series ("*Legal Defeasance*"). *Legal Defeasance* means that the Issuer and the Guarantors shall be deemed to have paid and discharged the entire indebtedness represented by the Notes of such series and the related Guarantees, and this Indenture shall cease to be of further effect as to all outstanding Notes of such series and the related Guarantees, except as to:

(1) the rights of Holders of such series of Notes issued under this Indenture to receive payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due solely out of the trust created pursuant to this Indenture;

(2) the Issuer's obligations with respect to such series of Notes concerning issuing temporary Notes under Section 2.11, registration of Notes under Section 2.04, mutilated, destroyed, lost or stolen Notes under Section 2.08, and the maintenance of an office or agency for payment under Section 2.04 and money for security payments held in trust under Section 2.05;

(3) the rights, powers, trust, duties, and immunities of the Trustee, and the Issuer's obligation in connection therewith; and

(4) the applicable provisions of this Article IX.

In addition, the Issuer may, at its option and at any time, elect to have its obligations and the obligations of the Guarantors released with respect to (A) their respective obligations under Sections 4.03, 4.07 through 4.13 and Section 4.18 with respect to the outstanding Notes of a series and (B) the operation of Sections 6.01(5), (6), (7) or (8) (only as such clauses (7) or (8) apply to Significant Subsidiaries) ("*Covenant Defeasance*") on and after the conditions in Section 9.02 with respect to *Covenant Defeasance* are satisfied, and thereafter any omission to comply with such obligations shall not constitute a Default or Event of Default with respect to such Notes. The Issuer may exercise its *Legal Defeasance* option regardless of whether it previously exercised *Covenant Defeasance*.

(c) If the Issuer exercises its *Legal Defeasance* option, payment of the Notes of such series may not be accelerated because of an Event of Default with respect thereto.

(d) Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates.

(e) Notwithstanding clauses (a) and (b) of this Section 9.01, the Issuer's obligations in Sections 2.04, 2.06, 2.07, 2.08, 7.06, 9.05 and 9.06 shall survive with respect to such series of Notes until such time as the Notes of such series have been paid in full. Thereafter, the Issuer's obligations in Sections 7.06, 9.05 and 9.06 shall survive.

Section 9.02 Conditions to Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes of any series:

(a) the Issuer must irrevocably deposit with the Trustee or other agent, as trust funds, in trust solely for the benefit of the Holders of the Notes cash in euro or German Government Obligations or a combination thereof, in such amounts as will be sufficient (without consideration of any reinvestment of interest) in the opinion of a nationally recognized firm of independent public accountants selected by the Issuer, to pay the principal of, premium, if any, and interest on the Notes of such series on the stated date for payment or on the Redemption Date of the principal or installment of principal of, premium, if any, or interest on such series of Notes;

(b) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of Notes of such series will not recognize income, gain or loss for U.S. federal income tax purposes solely as a result of the Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred, which opinion must be based either on a change in the applicable U.S. federal income tax laws or regulations occurring after the date of the Offering Memorandum, or the Issuer having received a ruling from, or published by, the Internal Revenue Service to that effect;

(c) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of Notes of such series will not recognize income, gain or loss for U.S. federal income tax purposes solely as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the Covenant Defeasance had not occurred;

(d) no Default or Event of Default (other than a Default or Event of Default resulting from borrowing funds to be applied to make such deposit (and any similar concurrent deposit relating to other Indebtedness) or the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(e) the Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance; as the case may be, have been complied with.

Notwithstanding the foregoing provisions of this Section 9.02, the conditions set forth in the foregoing subsections (b), (c), (d) and (e) need not be satisfied so long as, at the time the Issuer makes the deposit described in subsection (a), (i) no Default under clauses (1), (2), (8) and (9) under Section 6.01 has occurred and is continuing on the date of such deposit and after giving effect thereto, and (ii) either (x) a notice of redemption has been transmitted providing for redemption of all the Notes of such series not more than 60 days after such transmission and the requirements for such redemption shall have been complied with or (y) the Stated Maturity of the Notes of such series will occur within 60 days. If the conditions in the preceding sentence are satisfied, the Issuer shall be deemed to have exercised its Covenant Defeasance option.

If the funds deposited with the Trustee or other agent to effect Covenant Defeasance are insufficient to pay the principal of and interest on the Notes of the applicable series when due, then the Issuer's obligations and the obligations of Guarantors under this Indenture will be revived with respect to such series and no such defeasance will be deemed to have occurred.

Section 9.03 Deposited Money and German Government Obligations To Be Held in Trust; Other Miscellaneous Provisions.

All money and German Government Obligations (including the proceeds thereof) deposited with the Trustee or other agent pursuant to Section 9.02(a) in respect of the outstanding Notes of a series shall be held in trust and applied by the Trustee or other agent, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent, to the Holders of such Notes, of all sums due and to become due thereon in respect of principal, premium, if any, and accrued interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee or other agent against any tax, fee or other charge imposed on or assessed against the German Government Obligations deposited pursuant to Section 9.02(a) or the principal, premium, if any, and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article IX to the contrary notwithstanding, the Trustee or other agent shall deliver or pay to the Issuer from time to time upon a request of the Issuer any money or German Government Obligations held by it as provided in Section 9.02(a) which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee or other agent, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 9.04 Reinstatement.

If the Trustee or Paying Agent is unable to apply any money or German Government Obligations in accordance with Section 9.01 by reason of any legal proceeding or by reason of any order or judgment of any court or German Governmental Authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the applicable Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article IX until such time as the Trustee or Paying Agent is permitted to apply all such money or German Government Obligations in accordance with Section 9.01; *provided* that if the Issuer has made any payment of principal of, premium, if any, or accrued interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or German Government Obligations held by the Trustee or Paying Agent.

Section 9.05 Moneys Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture, all moneys then held by any Paying Agent under the provisions of this Indenture shall, upon written demand of the Issuer, be paid to the Trustee, or if sufficient moneys have been deposited pursuant to Section 9.02(a), to the Issuer upon a request of the Issuer, and thereupon the Paying Agent shall be released from all further liability with respect to such moneys.

Section 9.06 Moneys Held by Trustee.

Any moneys deposited with the Trustee or any Paying Agent or then held by the Issuer in trust for the payment of the principal of, or premium, if any, or interest on any Note that are not applied but remain unclaimed by the Holder of such Note for two years after the date upon which the principal of, or premium, if any, or interest on such Note shall have respectively become due and payable shall be repaid to the Issuer upon a request of the Issuer, or if such moneys are then held by the Issuer in trust, such moneys shall be released from such trust; and the Holder of such Note entitled to receive such payment shall thereafter, as an unsecured general creditor, look only to the Issuer for the payment thereof, and all liability of the Trustee or the Paying Agent with respect to such trust money shall thereupon cease; *provided* that the Trustee or the Paying Agent,

before being required to make any such repayment, may, at the expense of the Issuer either transmit to each Holder affected, at the address shown in the register of the Notes maintained by the Registrar pursuant to Section 2.04, or cause to be published once a week for two successive weeks, in a newspaper published in the English language, customarily published each Business Day and of general circulation in London, a notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such transmission or publication, any unclaimed balance of such moneys then remaining will be repaid to the Issuer. After payment to the Issuer or the release of any money held in trust by the Issuer, Holders entitled to the money must look only to the Issuer for payment as general creditors unless applicable abandoned property law designates another Person.

ARTICLE X GUARANTEES

Section 10.01 Guarantee.

(a) Each Guarantor, hereby jointly and severally, absolutely, unconditionally and irrevocably guarantees the Notes and obligations of the Issuer hereunder and thereunder, and guarantees to each Holder of a Note authenticated and delivered by the Trustee, and to the Trustee on behalf of such Holder, that (i) the principal of (and premium, if any) and interest on the Notes will be paid in full when due, whether at Stated Maturity, by acceleration or otherwise (including, without limitation, the amount that would become due but for the operation of any automatic stay provision of any Bankruptcy Law), together with interest on the overdue principal, if any, and interest on any overdue interest, to the extent lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be paid in full or performed, all in accordance with the terms hereof and thereof; and (ii) in case of any extension of time of payment or renewal of any Notes or of any such other obligations, the same will be paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise, subject, however, in the case of clauses (i) and (ii) above, to the limitations set forth in Section 10.03.

Each Guarantor hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of Notes with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor.

(b) Each Guarantor hereby waives (to the extent permitted by law) the benefits of diligence, presentment, demand for payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer or any other Person, protest, notice and all demands whatsoever and covenants that the Guarantee of such Guarantor shall not be discharged as to the 2022 Notes, the 2024 Notes, the 2027 Notes or the 2032 Notes, as the case may be, except by complete performance of the obligations contained in such Notes, this Indenture and such Guarantee. Each Guarantor acknowledges that the Guarantee is a guarantee of payment and not of collection. Each of the Guarantors hereby agrees that, in the event of a default in payment of principal (or premium, if any) or interest on such Note, whether at its Stated Maturity, by acceleration, purchase or otherwise, legal proceedings may be instituted by the Trustee on behalf of, or by, the Holder of such Note, subject to the terms and conditions set forth in this Indenture, directly against each of the Guarantors to enforce such Guarantor's Guarantee without first proceeding against the Issuer or any other Guarantor. Each Guarantor agrees that if, after the occurrence and during the continuance of an Event of Default, the Trustee or any of the Holders are prevented by applicable law from exercising their respective rights to accelerate the maturity of the Notes, to collect interest on the Notes, or to enforce or exercise any other right or remedy with respect to the Notes, such Guarantor will pay to the Trustee for the account of the Holders, upon demand therefor, the amount that would otherwise have been due and payable had such rights and remedies been permitted to be exercised by the Trustee or any of the Holders.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer or any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or any Guarantor, any amount paid by any of them to the Trustee or such Holder, the Guarantee of each of the Guarantors, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Guarantor further agrees that, as between each Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (x) subject to this Article X, the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI for the purposes of the Guarantee of such Guarantor, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any acceleration of such obligations as provided in Article VI, such obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of the Guarantee of such Guarantor.

(d) Each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation or reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or most otherwise be restored or returned by any obligee on the Notes, whether as a "voidable preference", "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(e) To evidence its Guarantee, each Guarantor hereby agrees that a Notation of Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer of such Guarantor on each Note authenticated and delivered to the Trustee and that this Indenture or a Supplemental Indenture to this Indenture will be executed on behalf of such Guarantor by one of its Officers. Each Guarantor hereby agrees that its Guarantee will remain in full force and effect notwithstanding any failure to endorse on each Note a Notation of Guarantee. The delivery of any Note by the Trustee, after the authentication thereof hereunder, will be deemed to constitute due delivery of the Notation of Guarantee set forth in this Indenture by the Guarantors. If an Officer whose signature is on this Indenture or on the Notation of Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Notation of Guarantee is endorsed, the Notation of Guarantee will be valid nevertheless.

(f) This Article X shall not apply to Pfizer or the Pfizer Guarantee.

Section 10.02 Severability.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 10.03 Limitation of Liability.

Each Guarantor and by its acceptance hereof each Holder confirms that it is the intention of all such parties that the guarantee by each such Guarantor pursuant to its Guarantee not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law or the provisions of its local law relating to fraudulent transfer or conveyance. To effectuate the foregoing intention, the Holders and each such Guarantor hereby irrevocably agree that the obligations of such Guarantor under its Guarantee shall be limited to the maximum amount that will not, after giving effect to all other contingent and fixed liabilities of such Guarantor

and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to this Article X, result in the obligations of such Guarantor under its Guarantee constituting such fraudulent transfer or conveyance.

Section 10.04 Contribution.

In order to provide for just and equitable contribution among the Guarantors, the Guarantors agree, *inter se*, that in the event any payment or distribution is made by any Guarantor under a Guarantee, such Guarantor will be entitled to a contribution from any other Guarantor in a *pro rata* amount based on the net assets of each Guarantor determined in accordance with GAAP.

Section 10.05 Subrogation.

Each Guarantor shall be subrogated to all rights of Holders against the Issuer in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01; *provided, however*, that if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under this Indenture or the Notes shall have been paid in full.

Section 10.06 Reinstatement.

Each Guarantor hereby agrees (and each Person who becomes a Guarantor shall agree) that the Guarantee provided for in Section 10.01 shall continue to be effective or be reinstated, as the case may be, if at any time, payment, or any part thereof, of any obligations or interest thereon is rescinded or must otherwise be restored by a Holder to the Issuer upon the bankruptcy or insolvency of the Issuer or any Guarantor.

Section 10.07 Release of a Guarantor.

The Guarantee issued by Newco under this Indenture shall be automatically and unconditionally terminated and released, without any action on the part of the Trustee, any holder of the Notes or any other person, with respect to any series of Notes, if the Issuer exercises its Legal Defeasance option or its Covenant Defeasance option with respect to such series of Notes or if the Issuer's obligations under the indenture are discharged with respect to such series of Notes in accordance with the terms of this Indenture.

Any Guarantee issued by any Guarantor (other than Newco) under this Indenture (which, for the avoidance of doubt, shall not include the Pfizer Guarantee) shall be automatically and unconditionally terminated and released, without any action on the part of the Trustee, any holder of the Notes or any other person, upon:

(1) a sale or disposition of such Guarantor in a transaction that complies with this Indenture such that such Guarantor ceases to be a Subsidiary of Newco;

(2) with respect to any series of Notes, if the Issuer exercises its Legal Defeasance option or its Covenant Defeasance option with respect to such series of Notes or if the Issuer's obligations under this Indenture are discharged with respect to such series of Notes in accordance with the terms of this Indenture;

(3) such Guarantor no longer being an issuer or guarantor in respect of (i) Mylan Notes that have an aggregate principal amount in excess of \$500.0 million or (ii) any Triggering Indebtedness, in each case, other than in respect of Indebtedness or Guarantees, as applicable, that are being concurrently released; or

(4) with respect to any series of Notes, upon receipt of the consent of the Holders of a majority of the aggregate principal amount of the outstanding Notes of such series in accordance with Section 8.02.

Section 10.08 Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that its respective Guarantee is knowingly made in contemplation of such benefits.

If the Issuer transmits a notice or communication to Holders, it will transmit a copy to the Trustee and each Agent at the same time.

In case by reason of the suspension of regular mail service, or by reason of any other cause, it shall be impossible to mail any notice as required by this Indenture, then such method of notification as shall be made with the approval of the Trustee shall constitute a sufficient mailing of such notice.

Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

UPJOHN FINANCE B.V.

0.816% SENIOR NOTE DUE 2022

(1) Interest. Upjohn Finance B.V., a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated and existing under the laws of the Netherlands, as issuer (the “*Issuer*”), promises to pay, until the principal hereof is paid or made available for payment, interest on the principal amount set forth on the face hereof at a rate of 0.816% per annum. Interest on the 0.816% Senior Notes due 2022 (the “*Notes*”) will accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including June 23, 2020 to but excluding the date on which interest is paid. Interest shall be payable in arrears on each June 23, commencing on June 23, 2021. Interest on the Notes will be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid (or June 23, 2020, if no interest has been paid on the Notes), to, but excluding, the next scheduled Interest Payment Date. This payment convention is referred to as ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association. The Issuer shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at the rate borne by the Notes.

(2) Method of Payment. The Issuer will pay interest to those persons who were holders of record at the close of business on the Monday, Tuesday, Wednesday, Thursday or Friday which is not December 25 or January 1 immediately preceding each Interest Payment Date. Interest on the Notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. If any interest payment date for the Notes falls on a day that is not a Business Day, then payment of interest may be made on the next succeeding Business Day and no interest shall accrue because of such delayed payment.

(3) Paying Agent, Registrar and Common Service Provider. Initially, Citibank, N.A., London Branch (the “*Trustee*”) will act as a Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without notice to the Holders. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar. Initially, Citibank Europe plc will act as Common Service Provider.

(4) Indenture. The Issuer issued the Notes under an Indenture dated as of June 23, 2020 (the “*Indenture*”) among the Issuer, Upjohn Inc., a Delaware corporation, as guarantor, and the Trustee. This is one of an issue of Notes of the Issuer issued, or to be issued, under the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of them. Capitalized and certain other terms used and not otherwise defined herein have the meanings set forth in the Indenture.

(5) Optional Redemption. At any time and from time to time, the Issuer may redeem some or all of the Notes, upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to the greater of:

(a) 100% of the aggregate principal amount of the Notes being redeemed, and

(b) the sum of the present values, as calculated by the Issuer, of the remaining scheduled payments of principal and interest on the Notes being redeemed that would be due if the Notes matured on the Maturity Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association) at the Bund Rate plus 25 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Issuer.

(6) Redemption Procedures. If the Issuer elects to redeem less than all of the Notes at any time, in the case of Notes issued in definitive form, the Trustee will select Notes by lot on a *pro rata* basis (or, in the case of Global Notes, the Notes will be selected in accordance with the applicable procedures of the relevant depository (or in the case of a Note issued in the form of a Global Note under the New Safekeeping Structure, the applicable procedures of the Common Safekeeper)) unless an alternative method of selection is otherwise required by law or applicable stock exchange or depository requirements. The Issuer will redeem Notes of €100,000 or less in whole and not in part. For all purposes of the Indenture, unless the context otherwise requires, provisions of the Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

(7) Notice of Redemption. Notices of redemption pursuant to Section 5 of this Note shall be provided in accordance with Section 3.03 of the Indenture.

(8) Special Mandatory Redemption. Prior to the consummation of the Contribution, the Distribution and the Combination, the Notes will be subject to the Special Mandatory Redemption provisions set forth in Section 3.08 of the Indenture.

1.023% SENIOR NOTE DUE 2024

(1) Interest. Upjohn Finance B.V., a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated and existing under the laws of the Netherlands, as issuer (the “*Issuer*”), promises to pay, until the principal hereof is paid or made available for payment, interest on the principal amount set forth on the face hereof at a rate of 1.023% per annum. Interest on the 1.023% Senior Notes due 2024 (the “*Notes*”) will accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including June 23, 2020 to but excluding the date on which interest is paid. Interest shall be payable in arrears on each June 23, commencing on June 23, 2021. Interest on the Notes will be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid (or June 23, 2020, if no interest has been paid on the Notes), to, but excluding, the next scheduled Interest Payment Date. This payment convention is referred to as ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association. The Issuer shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at the rate borne by the Notes.

(2) Method of Payment. The Issuer will pay interest to those persons who were holders of record at the close of business on the Monday, Tuesday, Wednesday, Thursday or Friday which is not December 25 or January 1 immediately preceding each Interest Payment Date. Interest on the Notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. If any interest payment date for the Notes falls on a day that is not a Business Day, then payment of interest may be made on the next succeeding Business Day and no interest shall accrue because of such delayed payment.

(3) Paying Agent, Registrar and Common Service Provider. Initially, Citibank, N.A., London Branch (the “*Trustee*”) will act as a Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without notice to the Holders. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar. Initially, Citibank Europe plc will act as Common Service Provider.

(4) Indenture. The Issuer issued the Notes under an Indenture dated as of June 23, 2020 (the “*Indenture*”) among the Issuer, Upjohn Inc., a Delaware corporation, as guarantor, and the Trustee. This is one of an issue of Notes of the Issuer issued, or to be issued, under the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of them. Capitalized and certain other terms used and not otherwise defined herein have the meanings set forth in the Indenture.

(5) Optional Redemption. At any time and from time to time prior to the Applicable Par Call Date, the Issuer may redeem some or all of the Notes, upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to the greater of:

(a) 100% of the aggregate principal amount of the Notes being redeemed, and

(b) the sum of the present values, as calculated by the Issuer, of the remaining scheduled payments of principal and interest on the Notes being redeemed that would be due if the Notes matured on the Applicable Par Call Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association) at the Bund Rate plus 25 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

On or after the Applicable Par Call Date, the Notes will be redeemable in whole at any time or in part, from time to time, at the option of the Issuer, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Issuer.

(6) Redemption Procedures. If the Issuer elects to redeem less than all of the Notes at any time, in the case of Notes issued in definitive form, the Trustee will select Notes by lot on a *pro rata* basis (or, in the case of Global Notes, the Notes will be selected in accordance with the applicable procedures of the relevant depository (or in the case of a Note issued in the form of a Global Note under the New Safekeeping Structure, the applicable procedures of the Common Safekeeper)) unless an alternative method of selection is otherwise required by law or applicable stock exchange or depository requirements. The Issuer will redeem Notes of €100,000 or less in whole and not in part. For all purposes of the Indenture, unless the context otherwise requires, provisions of the Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Issuer at its request or, if such money is then held by the Issuer in trust, such money shall be released from such trust. After that, Holders entitled to the money must look only to the Issuer for payment as general creditors unless applicable abandoned property law designates another Person.

(12) Amendment, Supplement, Waiver, Etc. The Issuer, the Guarantors and the Trustee may modify or amend the Indenture without the consent of any Holder to, among other things, cure any ambiguity, defect, mistake or inconsistency in the Indenture or make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect in any material respect the legal rights under the Indenture of the Holder. Except as otherwise provided in the Indenture, other amendments and modifications of the Indenture or the Notes may be made by the Issuer and the Trustee with the consent of the Holders of a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of each of the Holders of the Notes to be affected.

(13) Purchase of Notes Upon a Change of Control Repurchase Event. If a Change of Control Repurchase Event occurs, each Holder of Notes will have the right to require that Newco or the Issuer purchase all or any part (in denominations of €100,000 and integral multiples of €1,000 in excess thereof) of

such Holder's Notes pursuant to a Change of Control offer (a "*Change of Control Offer*") on the terms set forth in the Indenture. The Trustee shall be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee security and/or indemnity satisfactory to the Trustee. Except in the case of a Default or Event of Default in payment of the principal of, premium, if any, or interest on any Note (including payments pursuant to a redemption or repurchase of the Notes pursuant to the provisions of the Indenture), the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.

1.362% SENIOR NOTE DUE 2027

(1) Interest. Upjohn Finance B.V., a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated and existing under the laws of the Netherlands, as issuer (the “*Issuer*”), promises to pay, until the principal hereof is paid or made available for payment, interest on the principal amount set forth on the face hereof at a rate of 1.362% per annum. Interest on the 1.362% Senior Notes due 2027 (the “*Notes*”) will accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including June 23, 2020 to but excluding the date on which interest is paid. Interest shall be payable in arrears on each June 23, commencing on June 23, 2021. Interest on the Notes will be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid (or June 23, 2020, if no interest has been paid on the Notes), to, but excluding, the next scheduled Interest Payment Date. This payment convention is referred to as ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association. The Issuer shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at the rate borne by the Notes.

(2) Method of Payment. The Issuer will pay interest to those persons who were holders of record at the close of business on the Monday, Tuesday, Wednesday, Thursday or Friday which is not December 25 or January 1 immediately preceding each Interest Payment Date. Interest on the Notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. If any interest payment date for the Notes falls on a day that is not a Business Day, then payment of interest may be made on the next succeeding Business Day and no interest shall accrue because of such delayed payment.

(3) Paying Agent, Registrar and Common Service Provider. Initially, Citibank, N.A., London Branch (the “*Trustee*”) will act as a Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without notice to the Holders. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar. Initially, Citibank Europe plc will act as Common Service Provider.

(4) Indenture. The Issuer issued the Notes under an Indenture dated as of June 23, 2020 (the “*Indenture*”) among the Issuer, Upjohn Inc., a Delaware corporation, as guarantor, and the Trustee. This is one of an issue of Notes of the Issuer issued, or to be issued, under the Indenture. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of them. Capitalized and certain other terms used and not otherwise defined herein have the meanings set forth in the Indenture.

(5) Optional Redemption. At any time and from time to time prior to the Applicable Par Call Date, the Issuer may redeem some or all of the Notes, upon not less than 10 nor more than 60 days’ prior written notice, at a price equal to the greater of:

(a) 100% of the aggregate principal amount of the Notes being redeemed, and

(b) the sum of the present values, as calculated by the Issuer, of the remaining scheduled payments of principal and interest on the Notes being redeemed that would be due if the Notes matured on the Applicable Par Call Date, not including accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA) as defined in the rulebook of the International Capital Market Association) at the Bund Rate plus 30 basis points,

plus, in each case, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

On or after the Applicable Par Call Date, the Notes will be redeemable in whole at any time or in part, from time to time, at the option of the Issuer, upon not less than 10 nor more than 60 days' prior written notice, at a price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

If the Redemption Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to redemption by the Issuer.

(6) Redemption Procedures. If the Issuer elects to redeem less than all of the Notes at any time, in the case of Notes issued in definitive form, the Trustee will select Notes by lot on a *pro rata* basis (or, in the case of Global Notes, the Notes will be selected in accordance with the applicable procedures of the relevant depository (or in the case of a Note issued in the form of a Global Note under the New Safekeeping Structure, the applicable procedures of the Common Safekeeper)) unless an alternative method of selection is otherwise required by law or applicable stock exchange or depository requirements. The Issuer will redeem Notes of €100,000 or less in whole and not in part. For all purposes of the Indenture, unless the context otherwise requires, provisions of the Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

(7) Notice of Redemption. Notices of redemption pursuant to Section 5 of this Note shall be provided in accordance with Section 3.03 of the Indenture.

(8) Special Mandatory Redemption. Prior to the consummation of the Contribution, the Distribution and the Combination, the Notes will be subject to the Special Mandatory Redemption provisions set forth in Section 3.08 of the Indenture.

(9) Denominations, Transfer, Exchange. The Notes shall be issuable only in fully registered form without coupons in denominations of €100,000 and any integral multiple of €1,000 in excess thereof. A Holder may transfer Notes in accordance with the Indenture.

(10) Persons Deemed Owners. The ICSDs or the Common Safekeeper may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Note for all purposes whatsoever.

(11) Unclaimed Money. If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Issuer at its request or, if such money is then held by the Issuer in trust, such money shall be released from such trust. After that, Holders entitled to the money must look only to the Issuer for payment as general creditors unless applicable abandoned property law designates another Person.

(12) Amendment, Supplement, Waiver, Etc. The Issuer, the Guarantors and the Trustee may modify or amend the Indenture without the consent of any Holder to, among other things, cure any ambiguity, defect, mistake or inconsistency in the Indenture or make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect in any material respect the legal rights under the Indenture of the Holder. Except as otherwise provided in the Indenture, other amendments and modifications of the Indenture or the Notes may be made by the Issuer and the Trustee with the consent of the Holders of a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of each of the Holders of the Notes to be affected.

(13) Purchase of Notes Upon a Change of Control Repurchase Event. If a Change of Control Repurchase Event occurs, each Holder of Notes will have the right to require that Newco or the Issuer purchase all or any part (in denominations of €100,000 and integral multiples of €1,000 in excess thereof) of

such Holder's Notes pursuant to a Change of Control offer (a "*Change of Control Offer*") on the terms set forth in the Indenture. In the Change of Control Offer, Newco or the Issuer will offer to purchase all of the Notes at a purchase price in cash in an amount equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest thereon, if any, to, but excluding, the date of purchase (the "*Change of Control Purchase Date*"). If the Change of Control Purchase Date, however, is on or after a regular record date and on or before the related Interest Payment Date, the accrued and unpaid interest thereon, if any, will be paid to the Holder in whose name the Note is registered at the close of business on such regular record date, and no additional interest will be payable to holders whose Notes are subject to purchase by Newco or the Issuer.

(14) Successor Entity. When a successor entity assumes all the obligations of its predecessor under the Notes and the Indenture and the transaction complies with the terms of Article V of the Indenture, the predecessor entity will, except as provided in Article V, be released from those obligations.

(15) Defaults and Remedies. Events of Default are set forth in the Indenture. Subject to certain limitations in the Indenture, if an Event of Default with respect to the Notes (other than an Event of Default specified in Sections 6.01(8) and 6.01(9) of the Indenture with respect to Newco or the Issuer) shall have occurred and be continuing, the Trustee or the Holders of at least 25% in outstanding principal amount of the Notes may declare to be immediately due and payable the principal amount of all of the Notes then outstanding, plus accrued and unpaid interest thereon, if any, to the date of acceleration. If an Event of Default specified in Sections 6.01(8) and 6.01(9) of the Indenture with respect to Newco or the Issuer shall occur, such amount with respect to all the Notes shall become automatically due and payable immediately without any further action or notice. The Trustee shall be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee security and/or indemnity satisfactory to the Trustee. Except in the case of a Default or Event of Default in payment of the principal of, premium, if any, or interest on any Note (including payments pursuant to a redemption or repurchase of the Notes pursuant to the provisions of the Indenture), the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.

(16) Trustee Dealings with Issuer. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the Issuer or any Affiliate thereof with the same rights it would have if it were not Trustee.

(17) No Recourse Against Others. No past, present or future director, member, partner, officer, employee or equityholder of the Issuer, any Guarantor or any of their respective Subsidiaries will have any liability for any of the Issuer's or such Guarantor's obligations under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation (other than the Guarantors in respect of their respective Guarantees and the Issuer in respect of the Notes). Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(18) Discharge. The Issuer's obligations pursuant to the Indenture will be discharged, except for obligations pursuant to certain sections thereof, subject to the terms of the Indenture, upon the payment or cancellation of all the Notes or upon the irrevocable deposit with the Trustee of cash in euro or German Government Obligations sufficient to pay when due principal of and interest on the Notes at maturity or redemption, as the case may be.

(19) Guarantees. The Issuer's obligations under the Notes are jointly and severally, fully and unconditionally guaranteed, to the extent set forth in the Indenture or the Guarantee Agreement, as applicable, by each of the Guarantors.
